Rupert Cagers Capture First Game in Vancouver

The Prince Rupert basketball team for which funds were raised in the city recently, won their first Senior B league game in the King Edward gym in Vancouver Tuesday by edging Dufferins 43-35.

Prince Rupert led 7-5 at the quarter, upped the count to 20-9 at the half and led 34-22 at the third break.

Fred Kristmanson was the big drive behind the Prince Rupert push in the second quarter. He hit up 10 of the winner's 13 points, enabling them to open up a comfortable margin over their opponents.

Dufferins came back strongly in the last half of the game scoring 13 points in each of the remaining quarters, but the damage had already been done.

Kristmanson was also the game's biggest point producer turning in 15 over the route. Ron Ciccone with 9 and Gary Morrison with 8 followed respectively.

Others who got into scoring included, McKay with four, Forbes, three, and Dexter and Helin with two apiece.

Prince Rupert—Ciccone 9, Dexter 2, Forbes 3, Helin 2, Kristmanson 15, G. Morison 8, McKay 4, Stuart, Thrasher. Total—43.

Dufferins—Bohnen 2, Harrison 7, Sherban 4, Osen 2, Mitchell 4, Sakich, Malina 3, Goodwin 11, Saunders, Zallo, Montgomery. Total—35.

Centre Takes Over Cagers

Hope Senior Squads Will Play Trotters

The entire future of basketball in the city is in the hands of the Civic Centre.

The decision followed deadlocked discussion during which members argued pros and cons of three alternatives at the special meeting called last night in the Civic Centre.

The three options were: 1. A new executive be elected and handle basketball within the association. 2. Let the Civic Centre handle league games but an association be formed to retain outside games. 3. Let the Civic Centre take over basketball completely. Only one person out of 20 voted against the latter which was accepted almost unanimously.

As to what teams will play the Harlem Globetrotters in their scheduled appearance in the city November 1, 2 and 3, Fred Jones director of the Civic Centre said:

"I hope each of the senior teams will play the 'Trotters for one night."

URGES OFFENSIVE BALL

Mr. Jones suggested to the members that it should be the policy of the teams to play offensive ball this season. Defensive plays are boring, he contended. "A spectator only comes down to watch that ball go in the basket."

He stated the Centre was willing to take on as much ball as the players desired, but the Centre will make the arrangements and it will be on a volunteer basis. "It might be put on 'another activity' level," he warned.

Assuming the chair, John Dumas told the club he was in favor of forming an association with four on the executive. "We didn't get any co-operation from the Civic Centre last year, so how are they going to take it over this year," he demanded. The motion was defeated in favor of the Centre taking over the basketball completely.

MORE SEATING

Past president of the association, Don Scherk told Mr. Jones that the Civic Centre must improve facilities for fans, "If there were more seating capacity we'd get more spectators," he said.

In reply Mr. Jones reported it would be cheaper to build a new gym than to expand the present one. Girders are in the way and to get them removed would cost a fantastic sum, he said.

He also said that if the wall were removed, the building would collapse. "I agree a new gym would be part of the solution, but it would cost a fantastic amount of money. It is out of the question."

In accepting basketball into the Centre, Mr. Jones cautioned the members that if there were any complaints to come to him. "They won't do any good unless I hear them," he warned.

He closed by saying he would do his best to try to find out what teams there are this year, for league play.

Dodgers Defeated in Japan

TOKYO (AP)—Aided by the 16-strikeout pitching of two ace hurlers, Tokyo Yomiuri Giants defeated Brooklyn Dodgers 5-4 today in the opener of Brooklyn's 20-game Japan exhibition baseball tour.

A pair of eighth inning solo home runs off Don Bessent put the Giants into the lead for keeps.

Takumi Otomo, a submarine pitcher who beat New York Giants here two years ago, struck out Roy Campanella, Don Demeter and Gino Cimoli in order in the top of the ninth for the victory.

Otomo whiffed 10 Dodgers in all after coming in the fourth. His predecessor, Sho Horiuchi, who was tagged for home runs by Jackie Robinson and Gil Hodges, fanned six.

VAST DISTANCE

Many stars that appear as single to the naked eye are found to be double stars in the telescope.

Lead Hitting Pitchers

NEW YORK (AP)—Tom Sturdivant of New York Yankees and Jack Harshman of Chicago White Sox, both converted infielders, were the leading hitters among major league pitchers in 1956.

Sturdivant had the highest batting average, .313 while Harshman walloped the most home runs, six, and drove in the most runs, 19.

Actually, Sturdivant, who played at second base and third base in the Yankee farm system until 1952, was the only big league hurler to hit .300. He had 20 hits in 64 at bats while collecting five runs batted in and scoring five times. Tom had one-for-three in pitching the Yanks to a 6-2 victory over the Dodgers in the recent world series.

Harshman had only 12 safeties and a .169 batting mark.

In addition to the homers Harshman, a former first baseman with New York Giants and seven minor league clubs, had one double and scored eight runs for the White Sox.

With 40 Seconds Left Howe Scores Equalizer as Leafs Caught Changing

By The Canadian Press

Toronto Maple Leafs were caught changing Thursday night and, as usual, it was embarrassing.

The peeping-Tom Detroit Red Wings took that moment to score a goal that gave them a 3-3 tie with Leafs and preserved their unbeaten streak in the National Hockey League.

Only 40 seconds remained in the game when Leafs, seemingly assured of a 3-2 win, changed forward lines while play was in progress. Detroit right winger Gordie Howe picked up a pass from defenceman Red Kelly and scored a long blast from the blueline.

In the only other game, the last-place Chicago Black Hawks drove from behind in the third period to gain a 1-1 deadlock against Montreal Canadiens.

At Detroit, 11,329 customers were on the verge of seeing Wings drop their first game of the 1956-57 campaign. Howe's great shot left them unbeaten in four games. They lead the league race with seven points on three victories and a tie.

It was the second time Leafs had battled to a draw this year. They now are in a second-place tie with New York Rangers. One point back are Boston Bruins and Canadiens.

LEAFS BEHIND TWICE

Leafs had come from behind twice to tie the score and then went ahead 3-2 midway through the final period on Ron Stewart's breakaway goal while Toronto was shorthanded.

Larry Hillman and Marcel Pronovost were the other Detroit scorers. Stewart, Gerry James and Dick Duff were the Leaf marksmen.

Duff and goaltender Ed Chadwick were the only Leafs on the ice when the Wings made their last-minute attack.

A turnout of 13,557 was on hand at Montreal. The Hawks tied things up at 13:45 of the final period when Glen Skov's sharp deflection beat netminder Jacques Plante.

A goal by Dickie Moore of Canadiens at 13:13 of the second period injected some life into what up to then had been a dull spectacle and both teams warmed up to faster action as the game progressed.

Lindsay Ties Ullman in NHL Score Race

By The Canadian Press

Crusty Ted Lindsay of Detroit moved into a scoring tie with teammate Norm Ullman Thursday night, picking up two assists for a five-point total as Wings batted to a 3-3 draw with Toronto.

Ullman got one point and Gordie Howe made it an all-Detroit affair by taking over third spot.

The leaders:	G	A	Pts
Ullman, Detroit	2	3	5
Lindsay, Detroit	2	3	5
Howe, Detroit	1	3	4
Sloan, Toronto	3	0	3
Toppazzini, Boston	2	1	3
