SPORTS ROUND-UP

By GAYLE TALBOT

NEW YORK (AP)—The fierce competition to decide whether Australia or the Man in the Moon is to face the United States tennis players in the Davis Cup challenge round Aug. 26-28 broils into action on Friday in Chicago.

The antagonists will be Australia and Mexico, and the winner of the three-day struggle will be called upon to fight it out either with Cuba or Brazil next week at Louisville. And so it will go well on into August, one titanic tussle after the other, until the issue has been decided.

Under the Davis Cup set-up, there is no way this preliminary slaughter can be avoided. Every country in the world is entitled to have a go at the glittering urn, even though it might possess only three tennis players who serve overhand.

The odds are that the Aussies will not lose an individual match en route to the final test at Forest Hills. If they drop even a set before they tackle the European zone winner at Philadelphia Aug. 12-14 it will be surprising. But the proprieties will have been observed.

The women's Metropolitan Golf Association of Detroit has laid down the law that its members may not play in skimpy skirts and halters, no matter how high the mercury soars. Any fair one who shows up for a tournament so attired will be disqualified on the spot. Said an official of the association, as quoted by the Detroit Times:

"We're for cool, sensible clothing, especially in this heat. But scanty costumes don't improve anyone's golf. If they did the women pros would play in Bikinis—but they don't.

"I don't say that I wouldn't like to see Jacqueline Pung, the 180-pound Hawaiian; chunky Patty Berg and several others playing golf in Bikinis, but that would be just once, for kicks, not to enjoy their golf."

Miss Grey Cup Title Awaits PNE Finalist

Special to The Daily News

VANCOUVER—"Miss PNE" of 1955 will also become "Miss B.C. Lions" and participate in the "Miss Grey Cup" contest at the time of the great Canadian football final in Vancouver, November 26.

Announcement of the further honor for "Miss PNE" has been made jointly by M. L. Barr, chairman, Miss PNE committee, and Don McKenzie, president of B.C. Lions Football Club. Every club in the eastern and western leagues has representatives in the "Miss Grey Cup" Contest which was won last year by "Miss Toronto Argonauts."

Closest representative to Prince Rupert is Miss Peggy Burbridge, recently voted Miss Kitimat.

"Miss PNE" will be brought to Vancouver if from a point beyond Vancouver, at no personal expense, and be royally entertained during the two days of Grey Cup celebration, November 25, 26.

The committee in charge of the Miss Grey Cup contest has announced its rules for eligibility are identical with those of the "Miss PNE" Contest. Ages are from 17 to 21 and professional models are barred, with the exception that girls who have modelled in their schools for charity events will still be eligible. The words "professional model" are to be interpreted in their sense of a full-time or career vocation.

PNE officials report indications point to an increase in finalists over last year's total of 18. The winner gets $1,000 cash. Expenses of all district representatives is paid by the Exhibition from their home and return. The PNE is being held this year from August 24 to September 5.

VANCOUVER (CP) — Construction of a $50,000 home management house on the University of B.C. grounds will start immediately, UBC officials announced Monday. The building will provide facilities for practical training in meal planning and household management for home economics students.

Irate Driver Kills Three

FLINT, Mich. (AP) — A drinking truck driver, irritated by the "laughing and giggling" of fellow patrons, shot two couples in the head in a neighborhood tavern Tuesday night, state police reported.

Two women and a man were killed. Another man was near death today.

Kenneth Kuzner, 30, of Detroit was seized in his truck a short time later near Pontiac, 25 miles from the scene. Police said he readily admitted the shootings and could give no explanation except the irritation other patrons caused him. They said he had been drinking but was not drunk.

Kuzner told officers the four victims were "total strangers", sitting together in a booth at a bar and restaurant at suburban Grand Blanc.

Police said Kuzner sat at the bar drinking a beer. When he finished, they said, he went to a rest room, came out and strode up to the two couples' booth, spoke not a word and began firing point blank.

"I thought they were firecrackers," Mrs. Edna Smitley, the proprietor, said of the rapid-fire shots.

THREW SHELLS, LEFT

Other patrons said the man threw the empty shells at them and reloaded his .38 automatic before leaving.

Said Farah, 26, of Flint, and his wife, Jeannine, died minutes later. Farah belonged to a prominent Flint family which operates a grocery chain.

Mrs. Margaret S. Cross, 37, a divorcee, died two hours later in hospital.

James Dollars, 26, a Flint junior college student who was with Mrs. Cross, was reported in a critical condition.

Kuzner was seized at a road blockade as he pulled his small truck alongside a highway, 12 miles north of Pontiac. Witnesses gave police a description of the assailant's truck.

He said he was returning to Detroit from Marlette, Mich., and had made several stops at bars en route.

Weekend Prospecting Trips Pay Off For U.S. Soldier

ST. JOHN'S, Nfld. (AP)—"If you can't marry a millionaire," says a United States Air Force lieutenant at nearby Pepperrell air force base, "the next best thing is to be one yourself." He hopes to become one before long.

Lt. Henry Downer of Springfield, Mass., is one of 10 men holding a uranium claim in California's Red Rock canyon; and recent tests showed the claim has three times the necessary ore content for commercial mining. "The possibilities are unlimited on this find," he says.

Lt. Downer became interested in prospecting while stationed at Edwards air force base in southern California. So with two other airmen he went out on week-end trips armed with a geiger counter.

They began searching for tungsten deposits, but when they had a rock examined in the mines bureau in Washington and found traces of uranium, they got seven other partners and began an all-out search. At every opportunity they staked claims.

The first rock sample sent to Washington didn't draw much encouragement. "Low - grade percentage count with probable commercial value."

And shortly after that Lt. Downer was transferred to Pepperrell air base. But with the recent notification of high-grade on the claims, he is hopefully waiting for developments.

Regardless of what happens, however, Lt. Downer says he will stay in the air force.

Babe Ruth's longest home run travelled 587 feet in an exhibition game at Tampa, Fla., in 1919.
