Custom Fit For Your Figure!
Our Pattern A Surrey Original

PATTERN M191
A Surrey Original

PROMINENT DESIGNER

Nothing so flattering as perfection in fit! That's why size is most important to this Surrey Original custom-designed for the average miss, 5' 4" or shorter. Not only is the length just right, but the bosom, waist and hips are beautifully in proportion. If you're the shorter miss, you won't have a fitting worry in the world with this pattern! Best of all, you'll own an Original in a personally selected smart fall fabric—a dramatic date-dress (or jumper), a suit-ensemble with the little fitted jacket! In winter cotton (the lovely fabric original), in tissue-sheer wool, velveteen—it's simply terrific!

Pattern M191 is available in Misses' Sizes 8, 10, 12, 14, 16 and 18. Size 16 dress requires 3¾ yards 35-inch fabric; the jacket requires 2 yards.

Send FIFTY CENTS (in coins) for Pattern M191 to Prince Rupert Daily News, Pattern Department, 60 Front Street West, Toronto, Ont. Please print plainly YOUR NAME, ADDRESS with ZONE, STYLE NUMBER and SIZE.

Watch for Prominent Designer Release by Celeste.

STEWART—D. Smith, of the Town Planning Division, of the Department of Municipal Affairs, was here during the week and met the Village Commission to discuss matters relative to the village's future expansion.

STEWART—The good weather which we have been experiencing for the past week or so has broken up and rain is now the order of the day and night. Fresh snow fell on the mountain top Tuesday night.

Village Stages Dance, Party For Visiting Navy Frigate

By W. SHIELDS ORR
Daily News Correspondent

STEWART—The frigate HMCS "New Glasgow" came into port on Friday, September 9. Dr. Wm. Hick, resident physician here, rowed out and assisted in berthing the vessel. Members of Stewart Canadian Legion with the co-operation of the Village Commissioners and other organizations staged a dance in the Moose Hall, and a stag party for the ship's personnel in the Legion Clubrooms.

On behalf of himself and his crew Lieut.-Commander Benjamin C. Hamilton expressed his appreciation of the welcome and entertainment afforded them and extended an invitation to all residents to visit the vessel last Sunday afternoon.

The visit came as a complete surprise to the community and it was later discovered that the vessel was originally bound for Ketchikan. However, incidence of polio in the Alaskan town caused the diversion to Stewart.

STEWART — Dr. McKechnie, geologist, of the Provincial Department of Mines made a trip along the new road construction up the Bear River Valley, with Joe Franck as guide. He is also going to visit other properties while in the district including the Maple Bay Copper Mine.

NEVER A LUMP

when you make Cream Sauce with BETTER-BLENDING Carnation

That's because Carnation Evaporated Milk has special blending qualities all its own. It's double-rich, too—so you need only half as much butter and flour. For the s-m-o-o-t-h-n-e-s-s you've always wanted—for rich, creamy flavor—make your cream sauce with Carnation Milk.

1 For 2 cups of cream sauce, blend 2 tablespoons flour, 1 teaspoon salt, 2 tablespoons butter, in saucepan over low heat, until smooth.

2 Gradually add 1 large can *undiluted* Carnation to the butter-flour mixture. Stir until thickened and smooth; serve over vegetables or use for creamed fish, chicken, eggs.

For better results, cook with Carnation —
