Committee Makes Presentation

A presentation of a cup and saucer was made to Mrs. Jack Phipps, retiring chairman of the Mooseheart Alumni Committee of the Women of the Moose by Mrs. Frank Parlette at the final meeting of the year, held Monday evening at the home of Mrs. Vernon Rowe, 640 Taylor Street.

Presentation and a toast to Mrs. Phipps, proposed by Mrs. Edward Higgins, were made on behalf of the 13 members present in appreciation of the work done by the chairman during the past year.

Meeting took the form of a dinner to which each member brought her favorite dish.

The remainder of the evening was devoted to games.

A CHILDREN'S PLAYGROUND just opened at Hamburg, Germany, has some unusual entertainment equipment for the kids. Included are an obsolete streetcar (top) and an old auto moved from a dumping ground. The youngsters scramble over the old trolley vying for seats on top and taking turns at being conductor. The wheelless car makes a good "stagecoach" for the make-believe Redskins to rob. Another playground item is an old sailing boat that rides high and dry on sand.

"No wonder the ad said he was partly housebroken—he's already broken up a good part of the house."
