Peter Moroz, Patricia Martin Exchange Marriage Vows At Annunciation Church

Baskets of mixed flowers at the altar railing of the Church of the Annunciation formed the setting for the mid-summer morning wedding Friday when Miss Patricia Martin, RN, became the bride of Peter Moroz.

Father O. P. Mohan officiated for the daughter of Mr. and Mrs. Mervin Martin, 620 Seventh Avenue East and the son of Mrs. Mary Moroz of Brandon, Manitoba.

Given in marriage by her father, the bride was a picture in white lace-over-white satin. The ballerina-length skirt flared from a fitted strapless bodice topped by a matching bolero. A finger-tip-veil of illusion net, edged with lace was secured by an encrusted pearl headdress and a bouquet of white carnations and pink roses completed her ensemble.

Sister of the bride, Sue Martin as maid-of-honor, chose a gown fashioned of pink lace-over-pink taffeta and she carried a bouquet of yellow rosebuds, mauve asters, marguerites and white daisies.

Brother of the groom, Edward Moroz was best man while ushers were William Yerema and Edward Kawalski.

Organist Mrs. Denis J. Rowse accompanied soloist Miss Joanne Van Deursen.

At the evening reception in the Canadian Legion auditorium, the bride's mother received her guests wearing a blue brocaded-satin gown and white accessories.

Toast to the bride was proposed by A. Donald Ritchie. Gregorian copper candlestick holding white tapers, flanked the three-tiered wedding cake which centred the bride's table.

Friends of the bride who assisted as serviteurs were Miss Roma Ranaghan, Miss Barbara Dumont, Miss Beverly Comer Mrs. Kenneth Malcolm, Mrs Michael Sokolowski and Mrs Thomas McBride.

Newlyweds will make their home at 535 A Tatlow Street when they return from their motor honeymoon trip to Vancouver and the Pacific coast of the United States.

Mrs. Moroz, a graduate nurse of Royal Jubilee hospital, Victoria, has been employed as an office nurse in the offices of Drs. L. M. Greene, J. A. Macdonald and A. S. Arneil. Mr. Moroz, who received his schooling in Wishart, Saskatchewan, is a partner in the La Gondola cafe, Third Avenue West.

Ward Room Makes Presentation To RC Chaplain

Roman Catholic padre of HMCS Chatham, Father O. P. Mohan, was entertained Friday when officers and guests held a farewell party in his honor in the ward room of HMCS Chatham.

Father Mohan, parish priest of the Church of the Annunciation for the past three years, leaves for Terrace within the next few days to fill his new appointment of parish priest of Sacred Heart church.

Highpoint of the evening saw Commander T. A. Johnstone, commanding officer of HMCS Chatham, present Father Mohan with a gold desk clock, on behalf of the ward room officers.

Thanking the members for their kindness, Father Mohan expressed his regret in leaving but extended a cordial invitation to everyone to not only visit him but to join his parish in Terrace.

The social event concluded with refreshments and dancing.

Ever Since Eve

IF YOU ARE CONTEMPLATING wall-papering a room, do give consideration to the most important color now being featured—white. More and more papers are using white as a background shade or as an important color in the print that will decorate the wall. The main reason for this is that white backgrounds and white areas on colored papers give the wallpaper a light and airy look and add spaciousness to the design.

✦ ✦ ✦

SHOULD YOU HAVE ANY PAINTING to do, remember this handy hint: Don't clean the brush until you have brushed some of the color onto a piece of paper or cardboard. When dry, tuck it into your handbag as a ready reference when you go shopping for new drapery or upholstery fabrics.

✦ ✦ ✦

THE EASIEST AND FASTEST way to wash nylon brushes is with a detergent and hot water. No scrubbing is necessary even with the most soiled brush. Just run some hot water into a basin, add a little detergent and let your brush soak for 10 minutes. Just rinse and let dry.

✦ ✦ ✦

IF YOU'VE EVER EXPERIENCED annoyance at making iced tea and having it turn out rather cloudy in appearance, you'll want to give thanks to 256 professional tea tastings which won approval of this new recipe for clear iced tea: Pre-measure ⅓ cup loose tea. Bring 1 quart freshly drawn cold water to full rolling boil in a saucepan. Remove from heat. While water is still bubbling, add tea. Let steep 5 minutes. Pour through strainer into pitcher containing 1 quart cold water. Don't refrigerate. Pour over ice cubes to serve.

For a refreshing drink, use cold tea instead of water to reconstitute frozen lemonade, orange or grape juice.

ARE YOUR KITCHEN WINDOW LEDGES too narrow for the regular round plant pot? Try this for something new. When using the canned meat put out in oblong containers, cut tops off with a can opener instead of using the attached key. This leaves a rolled edge, and eliminates small injuries. Thoroughly clean each can inside and out, then cover both surfaces with enamel or paint to match the color scheme in your kitchen. When dry, plant small slips in the tins. These oblong flower pots sit firmly on the narrow ledge. A row of these gay tins adds a bright touch to a kitchen.

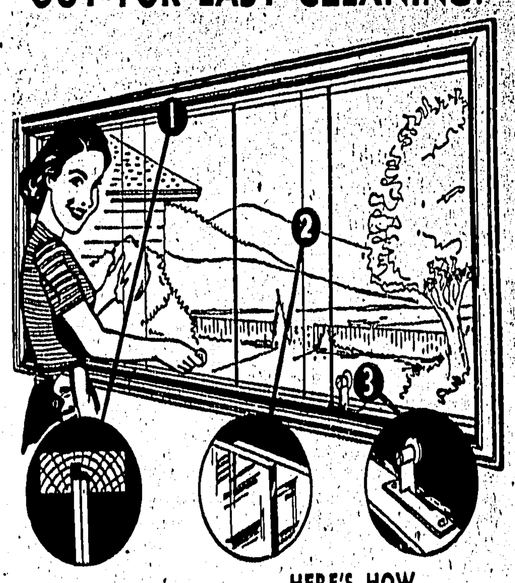
LOOK! THE PANES COME OUT FOR EASY CLEANING!



NEW Pierson FULL VISION
SASHLESS WINDOWS
make your home brighter . . . your housework lighter . . . they're fast to install and provide perfect performance summer or winter. Easy to screen and even easier to storm glaze Pierson Windows cost no more than ordinary old fashioned windows.

HERE'S HOW THEY WORK:
1. Panes slide in specially grooved frame as shown. Note deeper groove on inside to permit easy lifting and removal of glass for cleaning or when painting. Pierson Windows cannot bind due to sweating or swelling.
2. Pierson Window consists of two or more horizontal sliding panes of 3/16" crystal glass that move smoothly and permit effortless operation wet or dry.
3. Easy-to-install patent Pierson catch is all the hardware needed. Catch acts as a handle for opening or closing the window and exerts, when in closed position, just enough pressure to create a draught and water tight seal.

In just one hour . . . one man, working alone can install all the Pierson glass in a five-room home! And Pierson Windows are made for use with all inside and outside wall treatments. In every Pierson package you get a complete, weather treated, Western red cedar frame; all the outside casing and moulding; panes of 3/16" bevel edged, crystal glass; patented Pierson locking catch (all the hardware needed) and full assembly and installation instructions.

Pierson windows are on display for your inspection . . . come in for a demonstration, full information and a free estimate.
