SETS WATER SKI RECORD

MEMPHIS, Tenn. (AP) — After about 15 hours of skipping along behind a motorboat, David Clark reached Memphis Sunday night with a Mississippi river marathon water-ski record of 426 miles. Clark, 26, was one of four Memphis men who started the long slide from the docks at St. Louis at 6:35 a.m. He reached the ramp here at 9:20 p.m.—the only one still on his feet, and broke the old mark of 314.1 miles set by John Coll and George Joseph, both of New York, last year.

Juke Box New Addition To Duke's Stately Home

By ANTHONY GOODMAN

WOBURN ABBEY, England (Reuters)— The Duke of Bedford, pioneer of Britain's stately homes "industry," has added a 20th-century attraction to his accumulation of old masters, antique furniture and priceless heirlooms—a brand new chrome and scarlet juke box.

The duke, whose art collection, valued in the millions, has already drawn thousands of sightseers at two shillings and sixpence a head, has installed the juke box in a section of his stables which has been converted into a milk bar.

Just over a year ago the duke threw open his 16th-century estate to the public in an effort to provide money for its upkeep and ease the burden of death duties. There was a liability of more than £2,500,000 after the death of the present duke's father in 1953.

Chief attraction for visitors are the collections of paintings by Rembrandt, Gainsborough, Frans Hals and other masters, the galleries of Louis furniture, Sevres china, tapestries and sculpture.

As a concession to popular taste, the duke has added a pet's corner for children, complete with pony rides and boating facilities, in the grounds of his 2,000-acre lake-strewn estate.

Now he has installed a juke box in one of the four restaurants and snack bars where culture-sated visitors can retire for tea.

How did the idea of a juke box occur to the duke?

"There was one in a hotel near my house at Jersey (Channel Islands) and I found that my children (the duke has five) were spending all their time there playing it," he said.

"I thought it would be a good idea to have one installed at Woburn Abbey, and now there is hardly a moment of the day when it isn't being played."

The juke box does not belong to the duke. The owners come to the estate to empty it regularly, keeping £5 for themselves and splitting the remainder of the takings 50-50 with the duke.

Visitors to Woburn Abbey contribute between £1,000 and £1,500 to the ducal coffers every week.

GRENOBLE, France (AP)— A cave explorer team claimed a cave descent record by going down 3,300 feet in the Gouffre Berger (Sheperd Pit) of the Alps in the Dauphine region near here Sunday. The previous claimed record in the same cave was 3,250 feet.

ALL-STARS SCORE FIRST GOALS ON RUSSIANS BUT GO DOWN 5-2

VANCOUVER (CP)—The touring Moscow Lokomotiv soccer team was scored on Saturday night for the first time in its Canadian tour, but showed superior conditioning and speed to outlast British Columbia All-Stars 5-2.

The 20,500 fans who attended the match in Empire Stadium set a Western Canada record for soccer.

Centre forward Brian Philley scored both B. C. goals, while his opposition number, Victor Sokolov chalked up three goals for the winners.

B. C. held the Lokomotivs to a 2-1 lead at the half, but Russian speed, stamina and condition paid off in the final 45 minutes.

There were no anti-communist demonstrations.
