18-Year-Old Youth Charged With Attempted Murder

TORONTO (AP)—An 18-year-old Toronto youth was charged with attempted murder Monday after what police described as a vicious attack on 17-year-old Nancy Musgrove in a west-end lane.

Police said the attempted murder charge was laid against William Luther Nixon. Miss Musgrove was in hospital with severe throat bruises, which police said were caused when she was choked with a silk scarf.

Police said the scarf had been twisted so tightly about the girl's throat that her eyes had hemorrhaged. Most of her clothes had been ripped from her.

In addition to her throat injuries, Miss Musgrove had a bump on her head and scratches on her back.

Two detectives from a special squad that has been investigating recent attacks on women — two of them fatal — were at the girl's bedside at the hospital.
