BIG SUBDIVISION SCHEME ON FOOT TO DEVELOP KITSELAS

LAND NEAR KITSELAS TO BE SUBDIVIDED AND SOLD TO ACTUAL SETTLERS—EXPERIMENTAL FARM—HOTEL, STORES AND BOWLING ALLEY TO BE ERECTED

Kitseles, Dec. 11.—The land adjoining the Kitseles Indian Reserve on the east side of the Grand Canyon of the Skeena, and about three miles from the old town of Kitseles, consisting of 600 acres is about to be subdivided into five acre tracts to be sold only to the actual settlers.

The land is well known to all who have travelled up or down the Skeena, and is conceded to be the very best valley land on the Skeena from Prince Rupert to Hazelton. The company subdividing it will work on the colony basis and fifty acres will be set aside for an experimental fruit farm, as well as the establishment of a summer hotel, the plans of which have already been approved, together with some 20 summer cottages, a store, school, assembly hall, and a large bowling alley.

Post Office and library, as well as recreation grounds in the form of tennis courts, croquet grounds and a fine bowling green will also be put in as quickly as possible.

It is possible to get the work done.

The mountains around Kitseles abound in game and the summers are ideal for the summer tourist as the trails to the heights of Hornet, O. K., and Mt. Kitseles, allow of as fine views as can be found anywhere in the world.

Summit Lake, twenty-two miles up the Gold Creek trail, is known to many as one of the best lakes for mountain trout of the many good lakes in this vicinity.

This new resort will be directly across the river from the railroad station, connected with a first-class ferry and will be conducted on a scale that will ensure a large influx of summer tourists as well as catering to the wants of the man who desires big game during the season.

The surveyors will be at work on this property by the 16th of this present month, and will hasten their survey to be through by the end of the year.

TWO MILLION FILMS TAKEN BY ONE FIRM

London, Dec. 11.—As an example of the ever-growing popularity of moving pictures and as a proof of their educational value, one cinematograph firm in London has taken two million separate films of the scenes in the Balkan war.

The firm has gone to enormous expense to obtain these pictures, and it proposes to distribute the same all over the world.

This week Harrison & Shrub-sall, of Prince Rupert, opened up a fish and meat market at the corner of Eleventh and Pugsley.

In future they will carry a fresh fish supply from Prince Rupert, also fresh meat and poultry.

They will have everything that goes to make an up-to-date fish market. It is a new business with them; they have been in it for years and know what the people of this district want. Fish is a luxury here now and the young men will no doubt do a big business, not only in the town, but with the mines and the railway contractors.

Fresh supplies will be received at the Omnineca Market twice a week, or every time the train comes up.—Omnineca Herald.

HAS MISGIVINGS AS TO BORDEN NAVAL POLICY

Leading Paper in Old Country Doubts the Advisory Committee.

London, Dec. 10.—The Westminster Gazette (Liberal) editorially looks with misgivings at the added standing and authority which will accrue to the committee of Imperial defence.

"If all the Dominions desire the privilege which Canada now obtains," says the Gazette, "it is highly probable that the committee will acquire a position not easily reconciled in theory with the final control of the foreign policy by united parliament. We must be careful that the existing cabinet remains master of the policy and that the committee is really advisory and not executive."

Boat Factory Burned.

Vancouver, Dec. 10.—Fire starting from unknown cause was discovered at 3:45 yesterday morning in the premises of the Hoffer Motor Boat Company, 933 Georgia street, and despite the prompt response of the brigade, the flames had obtained such a start on the inflammable material in the plant that it was almost completely destroyed. The loss will total about \$14,000.
