Kitimat Group To Take Vote On Board Award

VANCOUVER (CP)—Members of the Bridge Structural and Reinforced Iron Workers' Union (AFL-TLC) at the Aluminum Company of Canada plant at Kitimat will vote this weekend on whether to accept or reject a conciliation board recommendation for continuation of their present wage.

Union representatives have recommended the acceptance of the award.

If accepted by the membership it will mean a renewal of the present contract without any changes.

The workers are now getting $2.46½ per hour; room and board; transportation to the job and travelling expenses.

Negotiations for the 1955-56 contract have been going on for three months.

Company officials are willing to accept the conciliation board award.

Air Cadets Honored At Wings Ceremony

(Continued from page 1)

only three years ago. He stressed the need for more members and urged the community to give the squadron its full support.

TEACHES TEAMWORK

Mr. Anfield observed that the air cadet movement teaches "the value of teamwork so badly needed in this world." He said that although drill was not the most popular of air cadet activities, it helps to make "partners" of the boys and eliminates thinking in terms of "it is just me."

A feature of the evening was a talk by Senior Cadet Roy Sieber. He recounted his recent exchange visit to the U.S.A. for which he was selected by the B.C. committee on the basis of his work with the squadron and his general proficiency. Cadet Sieber, who was in charge of the parade, said, that to him the main value of the trip was in "getting to meet and to know so many people."

CANADA AIRMINDED

As one of the guests at the occasion, E. T. Applewhaite, MP, pointed out how well the Air Cadet League of Canada followed the tradition of a country that "has always been airminded." He recalled that Canada had pioneered aviation in the British Empire and had since gone through progressive stages of "barnstorming," and bush-flying until its aviation had emerged into regulated commercial flying, with the achievements of the RCAF to add to the record.

CONGRATULATIONS WIRED

Mr. Applewhaite read a telegram from Defence Minister Ralph Campney expressing best wishes to the Prince Rupert squadron and describing the air cadet work as being "of the utmost importance to all of Canada."

Introduction of the speakers was made by J. F. Magor, acting on behalf of the sponsoring committee in place of Jack Laurie, president, who is in hospital at Vancouver. Flying Officer Norman Haywood, commanding officer, expressed the thanks of the squadron.

The parade, which had a pipe band in attendance, was followed by dancing and refreshments.
