WELL-BALANCED TOT — Five-month-old Danny Jacobs is right in the palm of his mother's hand, but he still stands up for his rights. His private cheering section, composed of sisters (left to right) Thelma, 3; Lois, 7; Janice, 4; and brother Robert, 8, is also up in the air about it. Mom, Mrs. Virginia Jacobs of East Cleveland, who has matters well in hand, says Danny's been balancing like this for a month. His dad's a career man with the U.S. Navy.

Vancouver RCMP Squad Aid In Big Drug Crackdown

VANCOUVER (CP)—RCMP drug squad investigators from Vancouver supplied the lead that allowed Toronto city and RCMP police to crack one of the largest narcotics rings in Canada, it was learned here Saturday.

Two men and a woman were arrested in Toronto and raw heroin and opium worth more than $1,000,000 were seized.

The trio are said to be king pins in an organization which fed the raw drug from Europe to Toronto, and then shipped it to Vancouver.

Police sources here said the trio's arrest was the direct result of work done in Vancouver nine months ago.

At that time RCMP drug-squad men from Vancouver detachment found the local outlet of the ring.

DISCOVER ROUTE

Patient investigation gave them three names and the route used to ship drugs from Toronto. This information was relayed to Toronto authorities.

A police "stake-out" was maintained over the premises occupied by the trio, and they were kept under constant surveillance.

Friday, soon after a new shipment of drug had reached Toronto from Montreal, police pounced.

The two men and woman, with five pounds of heroin and a pound of raw opium still in a suitcase, were in the rooming house when police made the raid.

Police here would not say to what degree the arrest of the trio will cut movement of narcotics into Vancouver, but agreed it would be "heavy."

Noted Engineer, Two Companions Escape Death

FORT ST. JOHN, B.C. (CP) — A noted engineer and two companions narrowly missed death in the Peace River Saturday when their boat was caught in an eddy and swept under.

Rescued were A. L. Carruthers, 74, bridge engineer and former deputy minister of public works for B.C., the pilot, George Smith, and an engineer identified only as Mr. Lowall of Prince George.

They were rescued by a diamond drill crew employed by the Pacific Great Eastern railway. The boat was dashed to pieces.

The accident occurred where the PGE proposes to bridge the Peace River at Taylor flat, three miles up from the famous Alaska highway crossing.

Drill crews had thrown a cable across the river and had anchored floats. The boat, driven by a swift current, rammed into a float and broke up.

BAKED APPLES

CAMPBELL RIVER, B.C. (CP)—The hot sun baked a bag of apples left in a car by Mrs. Reginald Boyd and friends when they sunned themselves on a beach.

RADAR RAIN WARNING

LONDON (CP)—A radar scanner has been installed on the roof of the air ministry. Weather officials hope it will detect "precipitation echoes"—echoes from clouds—from a distance of some 100 miles. It will not take sounding from clouds which don't contain raindrops.
