THE CANADIAN ARMY has adopted a new hand grenade, the M26 (right), developed by the United States army. The new grenade is lighter, deadlier and more easily handled than the old grenade (left), a remnant of the First World War. The new grenade, developed in the Korean war, can be thrown like a baseball eliminating the awkward overhand cricket lob necessary for the old one. (CP from National Defence.)

death tolls, statistics showed that on a per capita basis Canada's record was 30 per cent poorer than that of the U.S.

He said a dominion-wide competition with cash prizes was planned for the younger drivers, 25-years and under, of which 15 per cent were involved in 30 per cent of all Canadian fatalities.

Planned, he said, are safety talks, written tests, driving competitions on a local, provincial and federal level until next July there would be finals for the younger drivers. In this way Jaycees hoped younger Canadians would be made more safety conscious.

WORLD WIDE ACCLAIM

The Jaycee's "Operation Brotherhood" in Viet Nam had gained world wide acclaim, Mr. Smyth said. There were now 120 medical officers in the field whose work of helping the homeless, the wounded and sick had won commendation from President Eisenhower, vice-president Nixon and Canada's Lester B. Pearson, minister for external affairs.

In summing up he said that by hard work and sincerity of purpose Junior Chamber members could become leaders in community life, in the business world and in public life. "They will be men who have had training in the Jaycees," he said.

EFFORTS ACKNOWLEDGED

In thanking Mr. Smyth, first vice-president G. P. Woodside said that the growth of Jaycee work throughout Canada and the world was due to the efforts of such men as the national president.

"The success of Junior Chamber projects relies on the will of every member to do his utmost and by holding to the freedom ideal the Jaycees' work would be carried to the four corners of the earth."

Today, Mr. Smyth attended a Jaycee breakfast at the Prince Rupert Yacht club and later left along with city Jaycees for Terrace where tonight he will install the executive of the Terrace Junior Chamber of Commerce. Monday he will perform installation ceremonies for the Prince George Jaycees.

Checker Cabs Set Two Marks In Celco Loop

Checker Cabs, pace-setters for the Celco City Bowling league, set two new highs for the league January 13, posting a 1267 team high game and a 3262 three-game total which surpassed their previous records of 1203 and 3241 set December 9.

Helping to pace the cabbies to new laurels were Jack Sparks who turned in men's top game of the night (264) and Russ McNeil who won men's high three with a 631 score.

Marj La Porte of Co-Op took both women's high single and three with scores of 237 and 657.

Standings: Checker Cabs 34, Co-Op 31, RCMP 31, Bulger's 29, Savoy 28, Hurricanes 22, Pin Hitters 21, Neal Evans 220.

YOU CAN'T TEACH an old dog new tricks, and there aren't many young ones which can perform this feat. Peggy, a canine performer with German entertainer Frania, easily balances upside-down on a bar held in his teeth. They're playing at a Frankfurt night club, and for added thrills, Peggy does her pawstand act while Frania swings through the air on a rope.

Argos Sign Ohio Tackle

WINNIPEG (CP)— Harry Sonshine, team director of Toronto Argonauts of the eastern Big Four football league, said here Friday night the club had signed Ohio State tackle Francis Machinsky. Machinsky was drafted last Tuesday by Washington Redskins of the National Football League.

INTEREST SAID HARMFUL TO INDONESIAN INDUSTRY

VANCOUVER (CP) — Interest rates as high as 40 per cent per month are being used by Indonesian money-lenders to gouge farmers, six Indonesia co-operative officials said Thursday.

The group arrived in Vancouver after a six-month tour of Canada under the Colombo plan.

The government of Indonesia has difficulty clamping down on the usury because 75 per cent of the 90,000,000 people on the island are illiterate, they said.

The exhorbitant interest rates were strangling the basic industry of Indonesia. The government was encouraging the establishment of credit unions in an effort to fight the high rates.

The Canadian tour, which started in Nova Scotia and worked west to British Columbia, was "very helpful," said Wirya Mihardja Mardjono, assistant chief of the education division of the co-op department.

"We have gained knowledge and new ideas that can be introduced in our own country," he said, "but we will have to adjust these ideas to the conditions in Indonesia."

PEAK CONSTRUCTION

VANCOUVER (CP)—City officials say construction reached a record $55,446,000 in 1955, about $5,000,000 more than the previous year. The biggest boom was in apartment blocks, 109 blocks worth $9,000,000 being built or completed at year's end.
