Two Types of Sin Common to Man

Two types of sin are common among men, Verne Lavik told the congregation of St. Paul's Lutheran Church at the service last night. The first, he said, are the sins of passion, illustrated in the story of the prodical son; while the second is the sins of the disposition, illustrated by the elder son who refused to receive the prodical back.

The sins of the disposition, Mr. Lavik said, are more common among church people who outwardly live good respectable lives, but inwardly harbor an evil disposition.

Mr. Lavik, Pacific Northwest Regional Secretary of the World Mission Prayer League, a Lutheran Foreign Mission, is the guest speaker at the first week of special services being conducted in the Lutheran Church.

Slippers, Dressing Gowns Need For Children's Ward

The Prince Rupert Women's Hospital Auxiliary last night was told there "is a crying need" for washable bedroom slippers and washable dressing gowns for the children's ward when the group met at its monthly meeting in the Civic Centre.

With president Mrs. Sidney Elkins in the chair, the meeting decided to take immediate action in this matter and start making this type of clothes for the children at once.

In other business, it was announced by the president that the cook book, originally planned to go on sale in October, will not be available until November, owing to a delay in printing.

Mrs. J. S. Foster is general convener for the annual Hallowe'en tea to be staged Thursday afternoon at the home of Mrs. J. G. Lewis, Fourth Avenue West.

Mrs. Elkins, attending the recent B.C. annual meeting of the hospital auxiliaries in Vancouver who has been a councillor for the past year was appointed resolutions chairman for the B.C. Auxiliary for the coming year.

Boosting the membership, Mrs. George Johnstone was proposed and accepted at last night's meeting.
