Cafe Takes 4-1 Victory Off Depleted 708 Team

A subdued but effective Gondola eleven had little trouble last night overcoming a short-handed Local 708 team 4-1 in a scheduled Prince Rupert Senior Football Association league game at Roosevelt Park.

The win moves the cafemen three points ahead of second place Port Edward and six points up on the fourth-place pulpmen. General Motors occupies third spot, with four points.

Gondola took the lead in the first half when right wing Paul Van De Peere passed across to Eddie Nordio who had no difficulty in scoring.

The 708 squad, who played entire game with 10 men, were outplayed during the first half although Gondola missed out on two clear chances to score.

The pulpmen's centre forward, Bill Sundberg, evened the score at the 25 minute mark of the first half when he booted in a rebounding ball during a scramble in front of the Gondola goal.

Gondola went ahead 2-1 just fore the half whistle when 708's custodian Pat O'Neal came out of the net, missed out on scooping up the ball which was booted home by Frank Anselmo.

At the 15 minute mark of the second half Van Der Peere scored again in a confused play which saw referee Bill Baxter blow the whistle before the ball was actually between the posts.

Gondola's softest goal of the night came when O'Neal caught a hard-driven ball off the boot of Ed Nordio, only to have the ball roll out of his hands across the goal line.

Mays 11 Games Up on Bambino's Homer Record

NEW YORK (AP)—Baseball fans everywhere and National League pitchers, too, are beginning to take Willie Mays' threat to Babe Ruth's home run record more seriously.

With 55 games remaining on New York Giants' schedule, Mays today stands 11 games ahead of the Bambino's 1927 pace.

Willie connected for his 36th home run Wednesday in his 'eams 99th game. When Ruth hit 60 he did not produce No. 36 until his 110th game.

Kitimat Rod and Gun To Shoot In Competition at Oliver Lake

Kitimat Rod and Gun Club members, 21 strong, will vie with scatter-gun enthusiasts from Prince Rupert, Terrace and Port Edward this week-end at the Oliver Lake trap-shoot grounds.

B. J. Bacon, Rupert Gun Club president said today that seven members of the Kitimat club will arrive by plane Saturday and another 14 by boat Sunday to take part in the challenge shoot.

A preliminary shoot will be held Saturday afternoon and the grand shoot-off will be held Sunday, Mr. Bacon said.

Plans are not completed on the full schedule of activities for the visitors, Mr. Bacon stated, but there is a possibility that they will be taken on a tour of the Columbia Cellulose Company operations at Watson Island. A buffet supper will be held for the visitors in one of the local restaurants.

A practice shoot is scheduled for tonight for members of the Rupert Rod and Gun Club and an informal meeting will be held at the Oliver Lake grounds, Mr. Bacon said.

A further work party to continue work on the club-house will also be scheduled for tonight, Mr. Bacon announced.

Jackson, Walls Drop In Rating

NEW YORK (AP) — Hurricane Tommy Jackson of New York and Canada's Earl Walls of Edmonton tumbled in the latest heavyweight ratings by Ring Magazine, revised Wednesday night by editor Nat Fleischer.

Ezzard Charles, the ex-champ from Cincinnati, remains the No. 1 contender, followed closely by Nino Valdes, the Cuban giant who stopped the Hurricane two weeks ago.

Britain's Don Cockell, who fights Harry Matthews in Seattle Friday, stays in No. 3 place while Matthews was moved up a notch to seventh. Jimmy Slade, the original "spoiler" of the Hurricane, still ranks fourth, followed by Roland la Starza and Jackson. Walls now is rated ninth. He is the only Canadian in the listings.

Champ Travels To New York For Medical

NEW YORK (AP) — Rocky Marciano came to town today for a physical exam and a conference that probably will result in a Sept. 16 Yankee Stadium rematch with ex-champ Ezzard Charles.

The heavyweight champion has been vacationing since he won a unanimous decision over Charles in a rousing 15-round bout at the stadium June 17. Charles fought a courageous scrap but was well battered at the final bell, although never knocked down.

In the hours after the battle with Charles, Dr. Vincent Nardiello operated on Marciano's eye, removed old scar tissue from a fight of years ago. He had been cut again early in the Charles bout and bled freely throughout the contest.

Rocky still wears a slight scar over the eye as the result of that operation, but believes he will be ready to start boxing in a week or 10 days.

He is anxious to get back to work and will go to camp as soon as possible after final details are arranged.

"I'd like to fight again this year," he said. "The long layoff, nine months, was too much. I need more fights."
