ENGLISH CHALLENGE HAS BEEN ACCEPTED

Polo Championship Will Be Played Between British and U. S. Teams Next Year.

(Special to Daily News.)
New York, Dec. 17.—An international polo match for the Hurlingham cup to be played in this country next summer became assured by action of the executive committee of the Polo Association in accepting the English challenge recently received.

Teams representing the United States and England will play for the world's championship honors in a series of matches on dates to be decided later.

Harry Payne Whitney has been selected to captain the American cup defending team of 1913, which apparently sets at rest the rumor that Mr. Whitney would not play in any further matches wherein the Hurlingham cup was at stake.

The cup defenders may not be selected for several months, as tryouts are expected to be held in various polo centres of the United States in order that the best combination may be obtained to meet the English quartette.

THINK JEWELS RETURNED

General Belief in Ireland That Stolen Jewels Have Been Returned to Crown.

Dublin, Dec. 17.—In spite of official denials there is a growing opinion that the crown jewels stolen from Dublin castle in 1907 have been returned to the authorities and that though not actually here they may be in the hands of officials in London.

Both the lord lieutenant and the Ulster king of arms have gone to London and their journey is believed to be connected with the recovery of the jewels.

The officials here when questioned gave evasive replies.

ELEVEN BOATS BURNED

Fire at Naples Destroyed Eleven Boats and Barge—Naval Assistance.

Naples, Dec. 17.—A blaze that for a time threatened to become serious occurred here when a barge loaded with 200 tons of paraffin taken from the White Star liner Adriatic from New York caught fire.

The flames spread to eleven small boats in the vicinity of the barge, destroying all of them and threatening other shipping. Sailors from the warships and the harbor firemen succeeded in confining the fire to these craft. The loss is estimated at \$400,000.
