Rods Junior Grid Champs

Touted RKO Downed By Winnipeg 19-13

By RICHARD ANCO

WINNIPEG (CP)—Winnipeg added the Canadian junior football title Saturday to its trophy shelf which at one time held the senior and intermediate football silverware—the first Canadian city to have won all three. Winnipeg Rods turned back a highly-touted Windsor AKO team 19-13 on the frozen field of Winnipeg stadium to take the junior crown for the first time.

Playing in 19-above temperature and on snow-spotty slippery turf, Rods unleashed a strong ground attack which reversed last year's junior finals when Windsor defeated them 13-9 in Windsor. The AKOs moved into the sudden-death final Saturday for a record fourth consecutive year and they were described as the best team ever to represent the East in the Little Grey Cup classic.

The win, the sixth major football championship for the city, follows Canadian intermediate championships by the Winnipeg Rams in 1954 and Norwood-St Boniface Lecionnaire in 1952 and senior Grey Cup victories by Winnipeg Blue Bombers in 1935, 1939 and 1941.

Park Walls To Shroud Esks Strategy

VICTORIA (CP)—Coach Pop Ivy will take his Edmonton Eskimos behind the high fences of Royal Athletic Park here today to map out campaign strategy — with the emphasis on defence — against Montreal Alouettes in Saturdays Grey Cup final at Vancouver.

Close to 1,500 Victoria football fans were on hand Sunday afternoon to watch the Eskimos romp around in sweat suits a few hours after arriving by plane from Edmonton.

It may be the last workout they'll see. Ivy indicated the twice-daily sessions scheduled until Friday will be held in secret.

The temperature was a frigid four-below-zero when Eskimos left Edmonton, and a pleasant 45 above as they stepped off the plane in bright sunshine.

WONDERFUL WEATHER

"This weather looks wonderful," said Ivy. "We haven't seen anything like it since along about last September."

The players were in high spirits—partly the result of Montreal's 38-36 win over Toronto Saturday which put the Alouettes into the Grey Cup game against Edmonton for the second straight year. Esks won 26-25 last year.

"We were all listening to the game on the radio," said fullback Normie Kwong, "and hoping Montreal would win. We want to prove it was no fluke last time."

All agreed Alouettes are going to be harder to beat this time.

"MUST BE BETTER"

"They've evidently got a tremendous team to be able to come back like that," said quarterback Jackie Parker. "They must be better than last year."

Parker's remark was confirmed by Eagle Keys, star centre of last year's championship club who scouted the game at Montreal Saturday.

"Alouettes are definitely stronger in all departments than last year," said Keys, who hurried back with films of the game to join the team Sunday.

One player who may be sorely missed on defence is Western Conference all-star centre Kurt Burris who injured his leg against Winnipeg. Burris was the only player on the bench in the Sunday afternoon workout.

Eskimos must cut two American imports by next Saturday and a team official indicated Burris may be forced out of the game if the injury doesn't mend.

The Eskimos, billetted at the sedate Empress Hotel here, were guests Sunday night at a special movie shown for them by a downtown theatre.

NHL Games All End In 1-1 Ties

By JIM BASTABLE
Canadian Press Staff Writer

You just can't figure this National Hockey League. Six teams play. They all score. But nobody wins.

The strangest of all happenings in the 1955-56 campaign came up Sunday night when the six clubs fought to 1-1 ties, probably unprecedented in the modern-day game.

A wholesale case of deadlocks isn't new. Things finished that way November 3, but the scores were not all the same.

The rundown on Sunday's engagements:

Montreal Canadiens against the Rangers at New York 1-1; Toronto Maple Leafs versus the Bruins at Boston, the same; Detroit Red Wings and the Black Hawks at Chicago, ditto.

DIFFERENT SATURDAY

There was nothing like that Saturday, however. Every home team won. The Leafs edged the Bruins 3-2. Red Wings beat Hawks 4-1 and the Habs walloped the Blueshirts 6-1.

When the weekend action was over Canadiens had increased their league-lead over Rangers to eight points. The Montrealers have 28 points. Tied for third spot with 13 points are Bruins and Hawks. Detroit is a single point behind. Leafs are last with 15.

BOOM BOOM INJURED

Canadiens lost right winger Bernie Geoffrion for the second time this season. He suffered a shoulder separation when checked by rearguard Lou Fontinato and may be out five weeks.

Wednesday Bruins and Rangers clash at New York in the next NHL game.

Canucks Lead Coast WHL On 3-0 Win

By The Canadian Press

Western Hockey League schedule makers came up with a natural during the weekend.

It took overtime sessions to decide the winner in three of four scheduled games.

In the fourth game, Vancouver Canucks squared accounts by blanking the Royals 3-0 in New Westminster. The win gave Canucks leadership in the WHL Coast division and avenged an overtime loss to the Royals in Vancouver the previous night.

Seattle Americans allowed Victoria Cougars two first-period goals, fought back with counters in the second and third period, and won when Barton Bradley scored at 3:00 of the extra session. Two Victoria men were in the penalty box at the time.

In Regina, rookie Norm Johnson scored after two minutes of overtime to down the Saskatoon Quakers 3-2. Brian Cullen waited until the five-minute mark before giving Winnipeg Warriors a 5-4 decision over the Flyers in Edmonton.

Next WHL games will be Tuesday with Victoria at Vancouver, Regina at Calgary and Saskatoon at Winnipeg.

SEATTLE DOG WINS

PORT COQUITLAM, B.C. (CP)—An entry from Seattle Sunday took the Canadian field trial championship and the Canadian National retriever championship at the national championship dog trials held here.

Belle of Zenith, a female Labrador owned by Mike J. Wasaik of Seattle and handled by Paul Shoemaker, topped a field of 19 Canadian and U.S. entrants to take the championship.

City Rinks Win, Lose Two In Cup 'Spiel

Two victories and two defeats are the record so far of the two Prince Rupert rinks attending first annual Totem bonspiel in Vancouver.

The Bill Vance rink has chalked up two straight wins, one in the Totem and one in the Evergreen competitions. The other city rink, skipped by Jack Mitchell, suffered two losses.

The Vance rink composed of Vance, Ken Warren, Harley Lewis and Curly Barbour defeated the Foster rink from Edmonton 12-9 and the Dud Little rink of Terrace 9-4.

Mitchell's rink, which has Jack Paul, Alf Rivett and Lloyd Lee on it, went down to defeat [illegible] at the hands of the Parry rink of Barron, Alberta and 9-8 before the Cook rink of Vancouver.

The cream of 148 rinks came through the primary events unscathed.

The bonspiel, offering $11,000 in prizes, will run all week in conjunction with celebrations preceding the Grey Cup classic November 26.

Upsets were few, but among the defeated was Matt Baldwin of Edmonton, 1954 Dominion curling champion.

Baldwin won his second draw defeating H. J. Shearer of Winnipeg 12-8. But in his opener he went down to A. J. Stevenson of Vancouver 9-4.

Baldwin lost the game to the eighth end when the Stevenson rink posted three points and then added singles on the final two ends.

R. P. Moon of Edmonton defeated Frank Avery of Vancouver, three-time B.C. champ, 7-6 and then D. Boeck of Calgary dumped the west coast ender 10-4.

FORMER CHAMP WINS

Former Dominion champion Bill Rose of Sedgewick, Alta, nosed out Ruddy Rudoski 7-6 and then closed the door on Tony Folk of Duncan, B.C. 10-4.

Howard Wood, Jr. of Winnipeg took an easy 11-3 victory from Vancouver's George Binnie and followed it up with an 8-4 defeat of Bill Hopkins, Osoyoos, B.C.

Bung Cartmell of Vancouver, 1950 B.C. champion, also beat Hopkins 8-6 and then turned in the most lop-sided win of the opening day by thrashing the RCAF rink from Comox, B.C. 18-1.

Gary Thode of Saskatoon, two-time junior titlist, made his first appearance in a major bspiel a convincing one with a crushing 15-3 win over Dr. A. D. MacAskill of Vancouver and an 11-6 victory over R. H. McKamey of Stettler, Alta.

Garnet Campbell of Avonlea, Sask., skip of the 1955 Dominion champs, won out over R. C. Leatherdale of Winnipeg 16-5.

Cafemen Edge Sunrise 29-28 In Jr. Cage Tilt

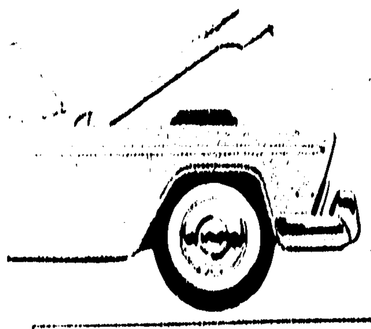
REVOLUTIONARY DE-ICER ADDITIVE IN 98 GASOLINE

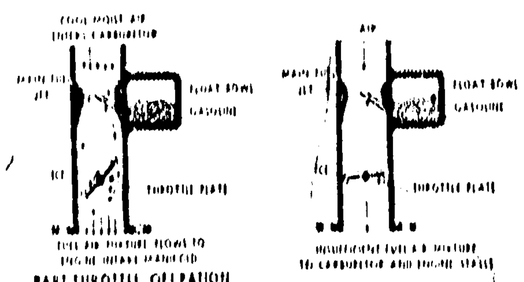
ELIMINATES CARBURETOR ICE!

Right now your car is operating in a temperature danger zone—between 28° and 58°F. when ice frequently forms on the throttle plate of the carburetor—choking off fuel mixture during idling. That's why here in British Columbia, your car needs B-A 98 Gasoline with the new De-Icer Additive—B-A's revolutionary new ingredient that eliminates carburetor ice . . . prevents stalling during idling . . . and at the same time, contains an exclusive anti-rust inhibitor to protect your fuel system against damaging rust formation.

So don't take chances with your car in this temperature danger zone. Fill up with clean-burning B-A Gasoline—the only gasoline with the new Anti-Rust De-Icer Additive.



B-A 98 GASOLINE
with new de-icer additive stops this!



Before engine is fully warmed up, vaporizing of ordinary gasoline chills throttle plates etc. allowing ice to form.
