CORRECTION

George McFadyen, of no fixed address, has not been charged with robbery with violence, as was reported in yesterday's edition of The Daily News.

Duncan Hodges, of no fixed address, was one of two men who had carges of robbery with violence, against them, withdrawn by the Crown on instructions from the attorney-general's department.

NEW YORK (M) — If there is a REAL Santa Claus, a little farm girl from Arkansas Ozarks is out to find him. She has asked the help of New York police. Coleta Burns, 11, has decided Santa either doesn't know where she lives — or he's doad. He hasn't called bn her in a long time.

LEOROLDVILLE (P) — Canadian troops serving with tho United Nations in The Congo have remembered that Christmas joys must be shared, especially with children. Faced with a green Christmas, 6,000 or more miles from their homes and families, they've gone out of their way to help the Congoleso kids colobrate.

COLOMBO (M) — The body of a Russian technician at a sugar factory being huilt in Coylon with Soviet aid was found floating Wednesday in Trincomalco harbor.

HAVANA (M) -- The theme of Fidel, Castro's revolution is being woven into the traditional Christmas pattern. Castro appears in a nativity scone in one of the city's largest displays at the government-run OMQ television studio."

CHICAGO M - A gun battle orupted Wednesday night in a bus crowded with Christians shoppers. Six persons were wounded, one critically and three others seriously. Police placed together this account: When the bus pulled up at i south side stop. Thurson Burgess, 22, started to debark through the centre door and met several men trying to sneak aboard without paying fares.

WASHINGTON IN - Director J. Edgar Hoover of the Federal Buroatt of Investigation, said today "at this very moment, the Communists are completing final arrangements for a conforence to be held in Chleago beginning December 31 . . . to formulate plans for a new national youth organization." The Communistaparty remains the largest subversive organization in the United States, Hoover said in a year-end report on
