Paper Raps Contemporaries For Move to Discredit Duke

LONDON (AP)—The Daily Sketch says a plot is afoot to lessen the public influence of the Duke of Edinburgh.

The Conservative newspaper says in a front-page editorial that some recent newspaper articles reminded it of the way "critics, though much more malevolently, got to work on Victoria's Prince Albert."

Albert, Queen Victoria's German-born consort, often was accused of making up the Queen's mind for her. There have been similar rumblings in some British newspapers about Queen Elizabeth's husband, whose family origins are Greek and German.

Recently, The Sunday Express, The Daily Mirror and The Daily Herald suggested the duke had caused unnecessarily large sums to be spent on the royal train, the royal yacht and royal aircraft.

ROYALTY CANNOT REPLY

"These attacks are being made with one object—to discredit the duke in the eyes of the public," declares The Daily Sketch, adding:

"In a democracy, royalty cannot expect to be above criticism. But as they cannot reply, they at least have the right to expect the criticism will be fair and based on fact and not fiction.

"But there is a bigger issue. It is this:

"Do we or do we not wish to keep our Royal Family who, apart from the great benefit they confer on the nation, make us the envy of the world?"

The Sketch says "the critics are doing an injustice to a man who is carrying out a difficult job with honesty and vigor."

"The Duke of Edinburgh has won a great deal of popularity in this country and it will take more than this sour-puss criticism to destroy it."

Fire Destroys Powerhouse

CAMPBELL RIVER, B.C. (CP)—A powerhouse at Argonaut Mining Co. operations at Quinsam, B.C., 22 miles northwest of here, was destroyed in a $200,000 fire Tuesday.

Allan Geiger, resident manager who set the estimate, said an investigation will be carried out to determine the cause of the blaze at the iron mine.

It was the second fire to hit this Vancouver island area Tuesday.

The troller Naomi, owned by Captain Ed Oman of Vancouver, suffered $2,000 damage but was saved from destruction by "the combined efforts of a wharfinger, a member of the ground observer corps and the Campbell River volunteer fire department," the owner said.

A generator operator at Argonaut said he started his machine for the day shift and there was "a sudden flash—flames seemed everywhere."

Capt. Oman said the Naomi was running at full throttle ahead of a sudden squall when the overworked engine burst into flames. He beached her and fled fearing an explosion.
