RUMORS ARE FLYING — Flying saucers may not exist, but flying models of them do. Army Pfc. Larry G. Anderson of Westchester, Iowa, builds gasoline-powered models as a hobby at Fort Hood, Texas, where he's stationed. Here, he prepares to launch one of the disc-shaped craft. It's four feet in diameter and has twin rudders. He uses two wires to control the saucers, which fly faster than most model airplanes.

SPLASHY SPEEDING—An outdoor-type beauty speeds across the water on a water scooter recently put on the market in Germany by inventor Lepel. Driven by a gasoline motor, the tiny craft is capable of about 10 miles an hour, and it has gained considerable popularity among novelty enthusiasts.

GRAHAM LASHES OUT AT WOMEN WHOSE CLOTHES PROVOKE MEN

TORONTO (—Billy Graham, United States evangelist, says that women who wear clothes which bring impure thoughts to the minds of men are committing a kind of murder.

Speaking here on the Fifth Commandment—Thou shalt not kill—Mr. Graham told more than 9,000 persons at the sixth in his series of meetings here that there are many kinds of murder.

"It is as bad as murder to entice other to sin, to entice them to immorality. You women—many of you have dressed in such a way as to bring impure thoughts in the minds of men. And you have done it deliberately, may God have mercy on your soul."

1955 Major Loops Start, Finish On Record Note

By The Associated Press

The 1955 major league baseball season started and ended on a record note.

Brooklyn Dodgers, the National League champions, started it by reeling off 10 straight victories, a major league high for wins at the beginning of a campaign.

When Wally Moon of St. Louis Cardinals hammered a home run off Milwaukee's Chet Nichols in the ninth inning Sunday for an 8-5 victory over the Braves, two more records went into the books. It was No. 1,263 by national league batters and 2,224 by hitters of both leagues for new standards.

In between, there were enough other records and highlights to make 1955 one of the most interesting in years.

Dodgers clinched their pennant Sept. 8, the earliest date in history. New York Yankees pulled away in the final week after one of the closest battles in years.

Of the 10 games Sunday, three were shutouts, two one-run performances and three two run games.

Dodgers, warming up their hurlers for the World Series opening Wednesday, used Johnny Podres, Russ Meyer, Clem Labine and Roger Craig in shutting out Pittsburgh Pirates 4-0.

Art Fowler of Cincinnati Redlegs checked Cubs with four hits while his mates slapped around three Chicago pitchers for a 13-0 decision. Billy Pierce of Chicago White Sox limited Kansas City Athletics to three hits in a 5-0 win.

George Susce of Boston Red Sox defeated Yankees 8-1 in the second game of a doubleheader after the American League champions had won the opener 9-2.

New York Giants beat Phillies 5-2 with Willie Mays hitting his 51st homer and then dropped a 3-1 decision to Philadelphia as they were checked by Curt Simmons and Jack Meyer.

Bob Miller turned the trick again as Detroit Tigers wound up with a 6-2 victory over Cleveland. Baltimore Orioles edged

PLANTING TIME—Fall planting time is here and early planter June Allyson wants to be sure to get her Dutch tulip bulbs in the ground before the first frost sets in. Here the movie star is planting a clump of tulips at the base of a tree on her 58-acre estate atop Mandeville Canyon in California. Tulip bulbs by the way, are planted six inches deep and six apart, in case you were wondering.

Remember When

Tommy Farr, a Welshman, who "didn't have a chance," surprised experts with his plucky 15-round showing against Joe Louis, heavyweight boxing champion of the world, 18 years ago today at New York City. Louis won the decision without difficulty but couldn't knock out the rugged challenger.
