TV NO THREAT

LETHBRIDGE, Alta. (CP) Television has not affected Sunday night church attendance, a survey here showed. One minister said there had been a slight drop in attendance, but it could not be blamed on TV since there were only six sets among the congregation.

Bennett Rapped For Not Waiving Tax on Sports

KELOWNA, B.C. (CP)—Sports officials in Premier Bennett's home town today criticized his 1956 budget for not waiving amusement tax on non-profit events.

Mr. Bennett announced in the budget Wedesday that amusement tax would be reduced from 15 on 10 per cent.

Dr. Mel Butler, president of the Canadian Amateur Hockey Association, said here that because of the tax "it is doubtful the CAHA will again see fit to hold Allan Cup playoffs in British Columbia."

Percy Downton, manager of Kelowna and district memorial ice arena, said he felt amusement tax should be charged on professional sport.

"But there should be no levy on non-profit organizations" he said. "As the senior hockey league (Okanagan) is operated on a non-profit basis, the tax should be waived.

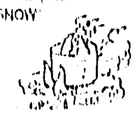
IMPROVE TASTE OF BOILED WATER

WATER FROM STREAMS, LAKES, PONDS AND DOUBTFUL WELLS SHOULD BE BOILED 5 MINUTES TO MAKE IT SAFE FOR DRINKING. THIS BOILING REMOVES AIR IN THE WATER, MAKING IT TASTE FLAT. REMEDY THIS BY POURING BOILED WATER FROM ONE CONTAINER TO ANOTHER SEVERAL TIMES TO RESTORE OXYGEN.

IMPROVE TASTE OF SNOW-MELTED WATER BY SAME METHOD. IN QUANTITY, SNOW INCREASES THIRST, SO MELT IT IF POSSIBLE.



CANADIAN, U.K. DOCTORS PLAN EXCHANGE VISITS

LONDON (CP) — British and Canadian doctors are to exchange visits this year under a scheme worked out by the British Medical Association.

Two doctors from this country will visit Canada and in exchange two doctors from Canada will visit Britain. The scheme is in its infant stage and doctors on both sides of the Atlantic still have to be chosen.

Where the doctor goes, both in Canada and Britain, depends on the type of work he does, BMA officials explained that if the work of a British and Canadian doctor were the same they would merely change places. The length of stay in each country depended on the discretion of the doctor concerned.

The scheme is expected to begin in early fall. Similar arrangements are being made for British and United States doctors.

Review of Trade Controls With Red China Seen Likely

OTTAWA (CP) — Trade Minister Howe said Thursday he is sure a review of Canada's controls on trade with Communist China will be made if such action is considered warranted after talks here between British Prime Minister Eden and the Canadian cabinet.

He was replying in the Commons to Claude Ellis (CCF — Regina) who noted that Sir Anthony and President Eisenhower agreed during their Washington talks to review the scope of British and United States controls on such trade.

Mr. Howe also said that the revenue department has received reports on Canadian wheat board payments to Prairie farmers.

He added that no specific barter proposals to trade Canadian wheat for foreign goods have been made to Canda in the last two years.

Hewitt Rink Still Unbeaten In Regina 'Spiel

REGINA (CP)—A youthful rink from Carlyle, Sask., skipped by Dr. W. H. Hewitt, remains the only undefeated quartet out of starting field of 288 in Regina's 52nd annual bonspiel.

Following Thursday night's draw Hewitt led the aggregate race with 11 straight wins. Still in contention are Garth Boesch of Regina, 12-1, Truman Bailey of Moose Jaw, 11-1, Norton Frei of Gray, Sask., and Cliff Sheffer of Regina, each with 10-1 records.

The fours were reached in four of the 10 events. Semi-finals get under way today and finals in most events are billed for Saturday.

Hewitt had four straight victories, all close calls, on Thursday to preserve his record. He handed the Frei foursome their first loss, 7-6 in an extra end in the Leader-Post event on a late draw.

Bailey also tumbled from the unbeaten ranks on the same draw, falling 8-4 to Regina's Jimmy Ferguson after the latter posted a four-ender on the sixth.
