Maple Leafs' star rookie out with injury

PETERBOROUGH, Ont. (CP) — Carl Brewer, sensational rookie defenceman with Toronto Maple Leafs of the National Hockey League, has joined right winger Barry Cullen on Leafs' injured list.

Brewer suffered a bruised left foot blocking a shot in practice Tuesday. It was not known how long he will rest.

Coach Billy Reay says Barry Cullen will not be on skates for four weeks and will not be ready to play for six weeks as a result of torn knee ligaments he suffered in a game against Chicago Black Hawks last Saturday.

RICHIE ASHBURN

WILLIE MAYS

Mays, Ashburn battle for NL batting title

By ED WILKS
Associated Press Sports Writer

Willie Mays and Richie Ashburn are so close in their run for the National League batting title you couldn't push a butt between them.

At the moment, Willie's ahead by .0008 of a percentage point with a streaking .320 spring for his last 98 games. Ashburn, batting a mere .424 for the same span, has a .3689 average to Mays' .3692.

A pair of flyers, both picked up big hits last night. Mays was 3-for-5 against Chicago as the Cubs defeated San Francisco Giants 3-2 in 10 innings. Ashburn was 3-for-4 against Milwaukee as Philadelphia Phillies beat the champion Braves 6-5.

St. Louis defeated Los Angeles 5-2 in another near-miss at a no-hitter by Sam Jones in the only other NL game scheduled.

WON IN 1954

Mays won the big title with .345 in 1954 on the last day, and Ashburn picked up his only championship in 1955 with .338.

In case you haven't noticed, the New York Yankees haven't won a game since the day they clinched the American League pennant more than a week ago.

They've lost six in a row since their longest losing streak in more than two years. They lost 9-4 to Boston Tuesday night.

Bob Turley escaped the defeating he was battered for five runs in the first inning and was through after Ted Williams hit a two-run homer in the fourth.

Detroit Tigers defeated the Chicago White Sox 3-1. Cleveland returned a third-place tie with Boston and Detroit by beating Kansas City 7-5, and Baltimore defeated Washington 3-2.

British America's Cup yacht given chance in strong winds

NEWPORT, R.I. ((CP)—The weatherman said that the one thing that has been lacking from the America's Cup races would be on hand today—the wind.

Southwest winds of 10 to 20 miles an hour are forecast over the Atlantic course that so far have been as calm as a graveyard.

Columbia will be looking for her second victory in the best-of-seven series. The duck took a triumph from the American defender Monday when the wind was so light she couldn't complete the 24-mile triangular course in the required 5½ hours.

She had a margin of half a mile over the British challenger Sceptre, when time ran out—almost the same as her winning margin Saturday.

While Sceptre has been labelled a heavy-weather boat, her professional sailing master Capt. Stanley Bishop, said:

"We don't want a gale. We would like winds of 10 knots. If the wind really gets gusty, I'd rather be ashore."

Sceptre wants to be the first challenger ever to win the gallant old America's Cup in 107 years of trying.

Sceptre's crew got some rather condescending encouragement from an unexpected source.

"I wouldn't be surprised if they win one," said Briggs Cunningham, Columbia's millionaire skipper. "I'm not that confident of a shutout yet."

Meanwhile, Sceptre was hauled out, and her crew busily polished and rubbed her bottom Tuesday.

The work of the British crew has been described as "excellent" by many Americans, but much still had that Sceptre hasn't an show for Columbia.

CONTROVERSIAL SHAPE

The shape and performance of Sceptre continued to provoke comment when she was hauled out. Her fullness in the bow is designed to make her buck in undisturbed water.
