Alcan Workers Vote to Strike

ISLE MALIGNE, Que. (CP) — About 500 National Metal Trades Federation (CCCL) members voted Thursday to strike at the Aluminum Company of Canada plant here "whenever it appears opportune."

The union, which pulled 6,500 workers out of the company smelter at nearby Arvida May 17, threatened to stop all operation in Alcan's nine provincial plants if demands are not met.

The union wants a master contract to cover 11,500 workers in Quebec province plants. There are about 1,000 employees at Isle Maligne including the office and technical staff. The plant is 150 miles north of Quebec.

It is not expected a strike would be called before Tuesday, when company and union representatives are expected in Quebec City by invitation of Labor Minister Barrette of Quebec.

Signs With Riders

REGINA (CP)—George (Sonny) Jones, 24-year-old negro fullback from New Jersey, has signed a tryout contract with Saskatchewan Roughriders of the Western Football conference, team manager Dean Griffing announced today.

TO COACH STARS

HOLLYWOOD (AP)—Chet Brewer, who became the first Negro to manage a team in organized baseball when he piloted the Porterville, Calif., team in the old Southwest International league in 1952, has been signed as a coach by the Hollywood Stars of the Pacific Coast league.

INDIAN SCHOLARS

KAMLOOPS, B.C. (CP) — Ten young Indians from all parts of B.C. have been graduated from the province's only Indian residential school here. It was the seventh class to graduate.

GOOD SHOT

HARRISON HOT SPRINGS, B.C. (CP)—A 600-pound grizzly bear, eight feet long, was killed with one shot at 400 yards by John J. Hayes here.

Halibutters Top Earnings

VANCOUVER—British Columbia fishermen earned $1,855,000 for their fish landing last month, according to the May statistical report issued by the Federal Department of Fisheries.

Halibut fishermen topped the list with a total catch of 7,840,000 pounds valued at $1,116,000. Of this total more than 1,100,000 pounds of halibut was caught in international waters off Alaska. Halibut unit prices were lower than last year as a result of substantial stocks carried over from the 1956 fishery.

Better than 1,500,000 pounds of salmon brought $423,000 to fishermen, with trollers taking more than 95 percent of the catch. Fraser river gillnet fishermen caught 104,000 pounds.
