Durelle confident

World title fight won't go distance

MONTREAL (CP)—Yvon Durelle, a supremely confident challenger, has three things paramount in his mind today—a whomping big meal, a pocketful of comic books and the world light-heavyweight boxing championship.

The 29-year-old New Brunswick fisherman makes his bid for the title in Montreal Forum at 7 p.m. PST against champion Archie Moore, the crafty veteran from San Diego whose age is roughly somewhere in the 40s.

Yvon ate lightly Tuesday night, marking time until today's weigh-in at noon. Then he will "eat a cow on the street." After that he will settle back with his favorite comic books, stuff them into his pocket for further relaxing reading in his dressing room at the Forum and then get down to fighting business.

BOTH CONFIDENT

There is little expectation the fight will go the full 15 rounds. Both fighters are confident of winning. Moore will be making the seventh defence of the title he won six years ago. He rules favorite, at reported odds of 14 to 5 and even 4 to 1.

It is the first crack at the crown for Duarelle, currently ranked No. 3 among the challengers in the 175-pound division.

Jack Sharkey, former world heavyweight champion, was announced Tuesday night as the referee. The three judges, who will decide the winner if the bout goes the limit, are still to be announced by the Montrea Athletic Commission.

"Sure, I'm confident of winning. The fight won't go 12 rounds. One of us will go down. If it's me, I'll go down fighting and there won't be a breath left in me.

"I don't have any particular plan for the fight. I can change from the first round. If he starts coming after me I'll fight him. I know he's the cleverest fighter I've met yet, but he is slow on his feet."

The chances of Durelle, Canadian and British Empire champion, are figured to increase the longer the fight goes.

Jack Kearns, Moore's veteran manager, said Tuesday Archie had better win inside of 10 rounds.

For both fighters the weigh-in was expected to be a close squeeze for the 175-pound limit.

There was just enough worry in the Durelle camp Tuesday night to cause manager Chris Shaban to send Yvon into a brisk shadow-boxing workout during the evening. Durelle took off two pounds and weighed 174.

Durelle scarcely ate anything Tuesday. At night he asked Shaban to get him poached egg and toast. He refused a steak.

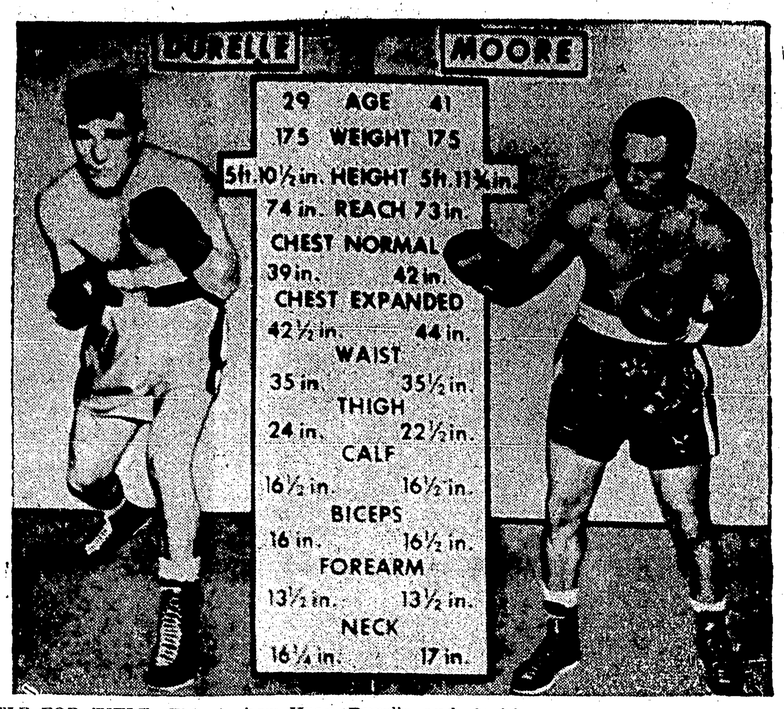
"Just wait until after the weigh-in, then I'll really eat," said Durelle in his hotel room. "Cows had better stay out of my way."

With his wife and sister sitting nearby, Durelle exuded confidence. He wants to get the fight over and then "go home to my four kids—I'm lonesome and sick for them."

"This fellow Durelle is a rugged fighter, a backwoodsman type," said Kearns. "He's strong and we can't fool around with him. Archie has the experience to box or punch him and to find his weakness early."

Promoter Eddie Quinn predicted the attendance will be between 11,000 and 13,000 and that the gross gate will be from $100,000 to $125,000.

The figures would fall short of the 16,913 record attendance and gate of $148,500 at Maple Leaf Stadium in Toronto July 25, 1956, when Moore belted out James J. Parker, an easy victim, in a non-title bout.



BATTLE FOR TITLE—This is how Yvon Durelle and Archie Moore compare for their world light heavyweight boxing title match in Montreal Dec. 10. Durelle, the Canadian and British Empire title-holder from Baie Ste. Anne, N.B., is the younger man but Moore, the ring-wise world champion has a wide edge in experience. Former heavyweight great Joe Louis has picked Durelle to win, saying his younger years will give him the advantage. —CP from AP.

CYO, Fraser and Payne fight for leadership

It almost appears to be a toss-up between Fraser and Payne and CYO as to which team can hold down the first place position in the Senior Men's Basketball league as the Clothiers downed the Catholic crew 50-40 last night to move back on top.

The two squads have been tieing and moving up and down from first to second place in the league since the start of play in October.

Fraser and Payne downed Old Empress Hotel Luckies 51-43 Saturday night to move into a tie for first place with CYO.

Terry Shenton was the Clothiers top scorer with 17 points while Mike Young dropped in five baskets and one free throw to lead the CYO boys.

It was CYO's game until the final period when F and P put on a heavy checking barrier and also rallied with 22 points.

CYO outscored the Clothiers 10-5 in the first period, were leading 17-8 at the end of the second and had the Fraser and Payne boys by one point at the three quarter mark.

Referees Don Hartwig and Bill Morrison spread the personal fouls out closely for each team giving CYO 11 and the Clothiers 13.

Fraser and Payne marked up 10 of their 17 tries at the free throw line while CYO made 6 of 19 penalty throws count.

In the women's game, Fashion defeated Frostys 15-14.

Marjorie Howe led the Fashion girls with six points and Carol Valentin was high scorer for Frostys with six points also.

Fashion took the slight 2-1 lead in the first period, led by four points at halftime and tied with the Frostys crew 13-13 by the end of the third period.

Frostys were penalized only three times while Fashion received six personal fouls.

At the foul line, Frostys scored two of eight free shots while the shoe store crew counted one of three foul shots.

Lineups:

Moor gets shutout for Packers

KELOWNA (CP) — Kelowna Packers threw up an airtight defensive web in front of replacement goalie Don Moor Tuesday night, earning him his first shutout in Okanagan Senior Hockey League play this year in a 9-0 route of Penticton Vs.

Moor, playing in the nets for Dave Gatherum, absent on a business trip, earned his shutout by sparkling play.

New referee Bernie Bathgate, former professional now living in Penticton, had to break up a battle between Kelowna's Jim Middleton and Penticton's Dave Gordichuk. He handed a game misconduct to Middleton for pushing the referee as Middleton left the ice for repairs to his scalp.

VANCOUVER (CP)—Wayne Robinson arrived here Tuesday to begin his task as head coach of British Columbia Lions, last-place finishers in the Western Interprovincial Football Union last season.

He made no promises, but expressed considerable hope for 1959.

"My being here speaks for itself as to what I think the possibilities are for football in Vancouver," he said without elaboration.
