Car stunt show proves disappointing

More than 1,000 Prince Rupert people crammed Roosevelt Park Saturday night to watch Ken Hurtley's "Carnival of Thrills" automobile stunt show.

A show that could have been a huge success was full of disappointments for the hell-drivers and spectators as ramps continually broke, automobiles would not start and the motorcycle feature was cancelled due to motor trouble.

Mr. Hurtley said that "Nothing seemed to go right." He said that the "Hell drivers" just finished putting on a very successful show in Quesnel before coming to Prince Rupert.

Tough test set tonight for champ

By JACK STEVENSON

LOS ANGELES (AP)—Undefeated Roy Harris from the picturesque community of Cut and Shoot, Tex., tonight takes aim at the world heavyweight boxing championship against heavily favored titlist Floyd Patterson.

The 25-year-old schoolteacher battles Patterson for 15 rounds or less at Wrigley Field starting at 9 p.m. MDT.

Odds favoring the champion for this third title defence were quoted at about 6 to 1 to win and 3 to 1 to score a knockout, but little wagering was evident. Patterson could defend himself against his toughest foe to date, a rugged opponent with 22 straight victories.

MYSTERY MAN

Harris hails from the woodsy Big Thicket country. He remains a mystery man to most since all his bouts have been in his home state and he's never appeared on television.

The challenger was expected to weigh in today at 192 pounds. Patterson, from New York, was expected to weigh 186.

Until the weigh-in both remained secluded at hotels here. Both voiced confidence.

"If I didn't think I could beat him, I wouldn't want to fight him," drawled Harris, a graduate of Sam Houston State Teachers College who considers returning to the books for a master's degree.

On the other hand, career boxer Patterson, who won the title by stopping Archie Moore in five rounds Nov. 30, 1956, says he wants to earn a reputation as "a great champion."

ONLY TWO DEFENCES

His only two defences have been against the easily hit Tommy (Hurricane) Jackson and Pete Rademacher, whose claim to fame was victory in the 1956 Olympics. Patterson stopped Jackson in 10 round July 29 last year and blasted the clumsy Rademacher out in six.

Remember When

By THE CANADIAN PRESS

Marlene Stewart won her third straight Canadian women's open golf championship with a sensational pitch that landed a foot from the cup on the first tie-breaking hole of a 36-hole final two years ago today. Her opponent, Pat Lesser of Seattle, overcame a two-hole deficit to force the extra play.

U.S. squad blanks Canada

LAKE PLACID, N.Y. (AP) — A United States senior men's tennis team blanked Canada 8-0 Saturday to win the Gordon Cup for the 10th straight year.

A doubles team composed of Harry Wolf of Shrewsburg, Mass. and Dr. Irving Bricker of New York City defeated Dr. George LeClerrc of Montreal and William Duff of Vancouver, 3-6, 6-4, 6-4.

Religious group visits in port

The Motor Vessel "Lower Light" a ship belonging to the religious group of the Apostolic Faith, with headquarters in Portland, Oregon, was in port last night en route to Alaska.

Docked at the Prince Rupert Yacht club, the Lower Light carried a crew not only capable of manning the vessel, but also of conducting evangelistic services anywhere.

The ship carries ministers, laymen, musicians and singers, who hold services in towns, villages, canneries, mills and camps and aboard the ship.

CIVILIZED RACES

At least two civilized races, the Mayas and the Toltecs, preceded the Aztec empire in Mexico conquered by the Spanish.
