Allied troops to be pulled from Lebanon

UNITED STATES, N.Y. (AP) — Secretary-General Dag Hammarskjold said today the United States and Britain had agreed conditionally to complete the withdrawal of their troops from Lebanon and Jordan by the end of October.

The condition is that tension in the Middle East is further relaxed and that the Arab countries carry out their promises to work together in a neighborly way.

Hammarskjold made his announcement in a 30-page report to the General Assembly on his special peace mission to the Middle East.

Sect asks extension of deadline

VANCOUVER (CP)—A Sons of Freedom Doukhobor delegation from British Columbia was to attempt to see Justice Minister Davie Fulton in Ottawa today to request extension of the Sept. 30th deadline for signing forms renouncing Canadian citizenship.

The move follows refusal by B.C. Attorney-General Robert Bonner to grant the sect's request for more time to hand in the forms. Another Freedomite delegation saw Mr. Bonner in Victoria Monday.

BLACKWOOD on BRIDGE

By EASLEY BLACKWOOD

Mr. Muzzy was kibitzing Mr. Dale on this deal and his manner expressed strong disapproval of the defense the old master put up against the three no trump contract.

But Mr. Dale knew what he was doing and his sensational play on the first round of clubs turned out to be the only successful defense.

He won the opening spade lead with the ace and returned the suit. On winning the second trick in dummy, Mr. Abel counted his winners and saw he had one in spades, three in hearts and two in diamonds. Obviously some trick had to be garnered in the club suit. So he entered his hand with a heart and led the nine of clubs, playing low from dummy when the trey appeared on his left.

Without undue hesitation Mr. Dale followed suit with the deuce. Mr. Muzzy felt sorry for the old boy. It looked like he was cracking at last. Probably hadn't seen the queen in his hand. Actually it was Mr. Abel who should have received this sympathy.

The contract could have been made easily if Mr. Dale had won the first club with the queen. He had no more spades to lead. On a heart or a diamond return Mr. Abel could win in his own hand and pound away at clubs until the ace was knocked out. Then the ace of diamonds would put him back in dummy to cash the rest of the clubs.

Mr. Abel was delighted when the nine of clubs won. He led another club and confidently finessed dummy's jack. His smile faded when Mr. Dale won this trick with the queen.

The contract was now hopeless. Mr. Abel had no more clubs to lead and the one entry left on the board was not enough to enable him to establish the clubs and then return to the dummy to cash the remainder of the suit.

U.S. to give Nationalists landing craft

TAIPEI, Formosa (AP) — The United States plans to give the Chinese Nationalists C-119 Flying Boxcars and big new landing ships to increase supplies to blockaded Quemoy.

A spokesman for the U.S. Taiwan (Formosa) defence command disclosed today that the equipment is on the way. The ships are LSDs (landing ships, dock) which can carry up to six times as much cargo as the LSTs (landing ships, tank) which the Nationalists are using now.

Shuttlemen start season

Civic Centre badminton club will open seasonal play 7 p.m. tomorrow in the Civic Centre, president Steve King reported today.

Mr. King said that there will also be instruction classes for beginners at tomorrow night's opening. All members and persons interested are urged to attend.

Reds claim U.S. aid at Quemoy

TOKYO (AP)—Communist China claimed today that the Chinese Nationalists are using U.S. Sidewinder guided missiles against its planes.

Peiping charged that this was "a premeditated step in the U.S. plan of war of aggression" and threatened "punitive blows on Chiang Kai-shek's air force for his criminal action."

Death sentence for Negro commuted

MONTGOMERY, Ala. (AP)—The Jimmy Wilson case may not have ended, although the Negro's death sentence was commuted Monday to life imprisonment.

A lawyer for Wilson has hinted at new legal moves aimed at reducing the life sentence that still stands against the 55-year-old handyman for his $1.95 robbery.

"I still feel that the life imprisonment is extreme and harsh punishment for what Jimmy Wilson did," said Fred Gray, a Montgomery Negro lawyer who represented Wilson.

Wilson had been sentenced to die in the electric chair for robbing an 82-year-old white woman.
