SOUPER BURGERS - GO FAST - ARE FANCY

Long hours of summer fun—mealtimes come too quickly—and Mom has to stop and prepare the food. You can save the day and save time—anytime—with Souper Burgers.

Made with meat and with soup, seasoned to suit, these hot sandwiches have hit a new high on the list of "what I like most to eat". Spoon the mixture onto toasted rolls or bread. Top with onion rings, shredded cheese, frizzled bacon, ham strips, sliced tomato or what-have-you. Then if you like, grill for a minute under the broiler, and voilà—a bubbling delicious main course.

With Souper Burgers, serve watercress and garden lettuce salad with vinegar and oil dressing. Tall glasses of iced beverage and chilled melon wedges make a perfect finale.

BEEF SOUPER BURGERS
½ cup finely chopped onion
1 pound ground beef
1 can (10 ounces) condensed beef soup
¼ teaspoon pepper
¼ teaspoon marjoram
¼ teaspoon garlic salt (optional)
Brown onion in ½ tablespoon shortening. Add ground beef—brown. Separate meat particles. Add rest of ingredients. Simmer 5-8 minutes. Serve on toasted hamburg rolls.

For variation, try:

MINESTRONE SOUPER BURGERS
1 pound ground beef
1 can (10 ounces) condensed Minestrone Soup
½ cup grated old Canadian or Swiss cheese
Brown beef in greased frying pan. Separate particles. Add soup and grated cheese. Simmer 5-8 minutes. Serve on toasted rolls.

ONION SOUPER BURGERS
1 pound ground beef
2 tablespoons flour
1 can (10 ounces) condensed onion soup
pickle relish (optional)
Brown ground beef in a heavy skillet. Stir to separate meat particles. Sprinkle flour over the meat; stir until well mixed with the meat. Add 1 can onion soup; cook until thoroughly heated, about 20 minutes, and slightly thickened. Enough filling for 8 bans. Garnish with pickle relish, if desired.

TO THOSE WHO NEED MONEY ... for a useful purpose
There is a time to BORROW and a time to SAVE

And for many a B of M depositor they are *one and the same.*

If you need cash for some useful purpose, it may be good business for you to borrow rather than draw out your savings.

By *borrowing* for some useful purpose, and by making regular repayments on your loan, you are — in reality — *saving* for a useful purpose. Meanwhile, you are keeping your savings programme intact.

This is wise spending, wise borrowing and wise saving.

DO YOU NEED MONEY? If you are in a position to repay without hardship, we are in a position to lend... for the payment of insurance premiums, educational fees, medical, dental and funeral or legal expenses, taxes, etc. You repay by monthly instalments.
