BURNING BRIGHT—Like some creation from the erector set of an imaginative giant, the Atomium, symbol of the Atomic Age World's Fair in Brussels, Belgium, gleams brightly in the night. Designed to simulate a molecule of metal, the giant structure houses a restaurant, bar, and exhibits inside its shiny spheres, which are connected by elevators and escalators.

DR. P. L. BUILDER, veterinary surgeon who arrived in the city this week with his mobile trailer clinic for dogs and cats is shown above, fixing up the injured foot of a family pet. Assisting him is Miss J. F. Allman. Dr. Builders mobile hospital is stationed at the corner of Second Street and Second Avenue.
