Francois Lake News

By AGNES H. NEAVE
Daily News Correspondent

On Tuesday evening a hurried trip was taken to Burns Lake by car with Sandra Lynne Remanda who had badly cut her finger on a sharp rock. At first it was thought that the end was severed but the Doctor was able to save the finger. Sandra is eight years old and was very brave about it all.

James Jeffery has another grandchild as Doris and Everett have a baby daughter, Deborah, and small Lorraine has a baby sister.

Walter and Huck Smith with their wives and families called in for a chat on Thursday morning. Walter and Huck left this district 25 years ago, and still own a farm just this side of Burns Lake although they now live in the Fraser Valley. Both went to school in Burns Lake, where Mrs. Wallie Jeffrey taught them and used to bring the mail here to Francois Lake before Andy Anderson took over, as well as doing transfer work, and owned an electrical business in Burns Lake. During the time that they brought the mail, Mrs. Prosser was the postmaster here.

Mr. and Mrs. D. J. Light and their two little boys Denny and Billy of Prince Rupert are camping on Tchesinkut Lake and drove down to the Landing for groceries. With them is their Labrador "Mike" who has his own quarters at the back of the car. He has thoroughly enjoyed his holidays and has been spending a good deal of the time in the lake with just his head out of the water.

Mr. Allen, owner-manager of the Prince George bakery is in the district on business and stayed in one of our cottages overnight. With him was his daughter Janice and her girl friend from Engen.

Two of our good friends, Mr. L. C. Eby and Thomas Beatty paid us a visit the other day. Mr. Eby told us that he has lived for 46 years in Prince Rupert. He laughingly told us that as for fishing he tried Davies Game but it didn't work—his friends who enjoy a card game once in a while with him will understand what this alludes to!
