FAX BREAK

NEW DELHI (AP)—The Indian finance ministry says it plans to introduce legislation to exempt foreign banks and firms from income taxes on interest paid them by the Indian government for long-term loans and deferred payment on capital goods.

In The Parks

By SHANNON PALLANT

Last Wednesday about 30 children enjoyed an afternoon visiting our local museum. The children seemed greatly impressed with the stuffed animals, foreign money, and of course our wonderful Indian display. Today the children were taken to other historical points in our interesting city.

Wednesday we had the adult swimming classes. About ten adults turned up last week, so don't be shy.—If you wished you'd learned to swim when you were younger, but didn't you still have a chance—come along and join us. Also there's the life saving classes. Another handy "know-how."

As usual, the children's free swim classes are held Thursday and Friday. We've decided to hold classes any day the weather seems fine and there's enough willing children. This plan will permit many more children to take advantage of our classes. The children are coming along very well. I believe we'll have some regular "pros" by the end of summer. The swimmers are working hard toward the swimming awards which are given when they attain the standard of the various degrees in which the cards run.

Our "Outdoor Theatre" hasn't been received with much ambition. We're still trying to promote this activity, if you like reading stories or being in school plays—you will like this so remember—Mondays, Wednesdays, and Fridays at 10:30 a.m.

On Friday afternoons we will be teaching the children various crafts in the park. We also have story hour for the youngsters on Tuesdays and Fridays—and whenever they want to be read to!

That's all for now—be seeing you in the parks!

Softball Meeting Set Tonight

A special meeting of all Prince Rupert Softball league managers and coaches has been called for tonight by league prexy Joe Pagiot.

The meeting to be held at the Court House at 7:30 p.m. is a most important one, Mr. Pagiot said, and it is necessary that heads of all six teams attend.

Results of two games, Savoy and Army and Navy and Local 708 versus CYO will be decided by the commissioners at tonight's meeting.

The president also reminded softball fans that there are only two more days to send in "Most Valuable Player" award ballots to Box 114, in Prince Rupert.

Rock Slide Cleared In Canyon

NORTH BEND (CP)—Working under the glare of floodlights, construction crews Wednesday night cleared the CPR main line of a rock slide.

They continued working on the Trans-Canada Highway, pushing back the thousands of tons of rock which crashed down near this Fraser Canyon settlement Monday. They hoped to have the road open again by midnight.

Trains had been routed over CNR lines through the narrow canyon with some minor delays. CPR officials in Vancouver said that trains which left there Wednesday night and which were due in today would be on time.

The rail line is above the highway at the point where the slide came down. More than 4,000 pounds of dynamite was used to help clear the block. Mail and food shipments to points east of the slide were delayed but no serious shortages were reported.

Pool, Parks Program

FRIDAY

10:30 to 11:30 a.m. "Outdoor Theatre.

1 to 3:30 p.m. Swimming classes; non-swimmers under 7, 1 to 1:30; 8 to 15 years, 1:30 to 2 p.m., beginners 2 to 2:30; advanced 2:30 to 3:30.

4 to 5 p.m. Crafts.

Essondale Employees Quit Talks

NEW WESTMINSTER (CP) — Members of Essondale and Woodlands branches of the B.C. Government Employees Association walked out of a meeting here Wednesday night in protest against the association's acceptance of a wage increase offer from the B.C. government, a spokesman said.

The meeting was closed to the press.

A spokesman for the group said the Essondale and Woodlands employees wanted the meeting open but the association executive stepped in and closed it.

He said that the 400 members attending indicated a "strong feeling of dissension."

Many questions were ruled out of order.

"The meeting ended in chaos," he said.

Two members of the bargaining committee which accepted an average wage increase offer of 7½ per cent attended. They were president George Horridge and research director Jack Maguire.

A threatened strike of 11,000 civil servants was averted a week ago Wednesday when the association agreed to a cabinet offer of a 7½ per cent wage increase and the formation of an inquiry board to look into the requests of the association to be recognized as bargaining agent for the civil servants.

Mrs. Meraw To Try Again

PENTICTON (CP)—Ann Meraw, 37-year-old Vancouver housewife who battled Lake Okanagan for 25 hours in a swim attempt last year, says she will try again.

Mrs. Meraw said she will try to swim the 36 miles from Kelowna to Penticton during the 10th annual Peace Festival here Aug. 15-17.

She hopes to make the swim in 22 hours. Last summer she was in the water 25 hours and one minute but it took her eight hours to go four miles at one point because of head winds.

SUN GODDESS—With a radiant smile, lovely Linda Wilson provides the photographer at the Ambassador Hotel in New York with many of the reasons why she was crowned this year's "Sun Goddess."

Rogers Pass Tenders Called

VICTORIA (CP)— First tenders for construction work on the Rogers Pass route of the Trans-Canada Highway in the Interior have been called by the provincial government.

They are for an 18-mile stretch of reconstruction from Golden to Donald on the east side of the pass, and a 4½-mile piece from Greeley to Butte on the west side.

Bids on a third five-mile section from Revelstoke to Greeley will be called within a few days. Work is expected to start early next month. Bids on the first two sections will be opened July 25 and 26.

The Rogers Pass route through the Selkirk Mountains is the last major uncompleted section of the Trans-Canada highway in B.C.

"Touchy" Talks on Diversion Of Lake Michigan Concluded

WASHINGTON (AP)—State department talks with Canada about the touchy subject of diverting more water from Lake Michigan have been concluded, a department spokesman said today.

Ordinarily, that would clear the decks for Senate action on a house-passed measure to permit increased Lake Michigan diversion by Chicago.

But the bill, vigorously sought by Illinois members of Congress and just as vigorously opposed by legislators from other Great Lakes states, appears to be caught in logjam caused by the protracted senate civil rights debate.

The U.S.-Canadian water diversion talks began here March 11 at the urging of Illinois congressmen. Water diversion bills were vetoed by President Eisenhower in 1954 and 1956, and he stressed Canadian objections in last year's veto message.

The discussions were climaxed last week by a full-scale conference in Ottawa.
