# Changed.

Volkswagen's engineers make three major improvements to the World's most successful small car.

You can't tell the new VW just by looking. You have to drive it. All the changes have been made within the car, for example: More powerful angine: Engine power's up 10%. Now the Volkswagen loaps away from lights. You scool up hills, scuttle round bonds and fly down highways faster than before. And overtaking is safer because there's more reserve power li

The engine itself, although increased to 40 horse power, still retains its famous economy. A pleasant thought. Synchronized first gears Now you can't shift down to first gear without stopping the car. At low speeds you change straight down with a flick of the wrist and zoom

Charles and the second and a se

away. This eliminates a lot of stop-andstart driving, four synchronized speeds is a luxury rarely found even in the more expensive cars. But to have it in a car of Volkswagen's size and price is quite. amazing. The ratios of all four gears have been changed too so you can use every ounce of extra power developed by the new engine, the new VW is as nimble as a needle in traffic and more fun than a fair."

Increased luggage space: Volkswagen's luggage space is now an ample 10 cubic. font, 5 behind the back seat and 5 up front (VW's engine is in the rear of course). Now the Volkswagen goes to market and runs all the way home with your groceries. under the hood. Or takes a long vacation with all kinds of luggage neatly;

The VW is constantly being improved: Since 1948, no less than nine hundred Improvements have been made to the Volkswagen. Yet it still remains basically the same car with the same styling. That's why a VW may grow old but never obsolete—and why it retains its value. The Volkswagen is an honest product. While there are other improvements in the way were the new VW, it is Volkswagen's philosophy not to change for the sake of change but to search continually for new ways to Improve a great Idea, Some of these improvements in the De Luxe Volkswagen are also in the Custom model. Whichever you buy, we think you get the best car value in the world.

The new Volkswagen is a lot more fur to drive. Why not find out for yourself. today at your nearest VW dealer.
