WIDE VARIETY

# Host of New Activities Planned at Civic Centre

By CATHERINE LAURIE
Civic Centre Business Manager

A large number of new activities are planned for the Civic Centre and they cater to a wide variety of the membership.

Here is a list of some of them:

**For the Adults**

Saturday will be square dancing time at the centre. If you haven't already registered for the Square Dancing club which is going to be formed, do so now by calling 4326 or by going to the dance, Saturday at 8:30 p.m. Mr. and Mrs. Douglas Cake have undertaken to form the club—they're the callers you've been hearing about.

The Adult Flowercraft course for beginners got underway on Monday night under the direction of Marie Wozney. Marie says that she will be glad to take registrations up until next Monday—after that, it will be a closed class.

All those women who are interested in a "keep fit" class will be pleased to learn that a class is being formed. Classes will be from 8 to 9 p.m. every Friday starting February 15. Connie Chastney will be the instructress.

Here's good news for rifle fans. An adult rifle club for men and women will start this Friday and the instructors are: Dick Paul, Ray Montgomery, John Jenkins and John Clibbett. It may be a couple of weeks before the club is actually formed, but all those wishing to join should be on deck this Friday to get all the details. Yes, there will be a shoot.

**For the Boys**

Saturday is the day our Little League Basketball gets under way. More than 100 future basketball players have registered. Gordon McCutcheon, Civic Centre Recreational Director, will have plenty of instructors on hand and it looks like a busy and wonderful time is in store for boys in the 6 to 8, 8 to 10, 10 to 12, and 12 to 14 age groups. More details about this will appear in a later issue of the Daily News.

**For the Children**

Children between the ages of 6 to 10 years who are interested in learning how to roller skate are asked to be at the Civic Centre at 10:30 Saturday morning. This class is for **beginners only**.

The two woodworking classes for boys from 8 to 10 and 10 to 12 are proving successful. Credit for the formation of this class goes to John Westhead. Eddie Yager is his assistant. Boys interested in woodworking are asked to leave their names at the Civic Centre desk.

**For the Girls**

Marjorie Beach has two new programs lined up—one will be the needlecraft-handicraft. This program is for the 8 to 12 age group and will be held on Wednesday of each week for one hour starting at 3:45 p.m. The other is a variety program for Young Teens. This program will be held every Saturday from 2 to 4 p.m. and will cover a variety of things, such as treasure hunts, musical games, parlor games and record playing.

**For the Boys and Girls**

With the Drama Festival approaching, all those in the Junior Drama Group (under the directio of Marjorie Beach) are asked to come to the Centre on Monday night at 6:30. Plans are being made to enter a play and as time is short, it is important that all members of this group be on hand next Monday night.

**They're Coaching Fun Outa Hockey**

Remember the fun you had on the old mill pond—everybody played where he wanted, as long as he wanted!

Today the kids frequently have to rise at 4 a.m. for their turn on the ice and they're rigidly coached to play positions. They learn to get rid of the puck, not keep it.
