Rupert All Stars Win Second Tourney Game

Special To The Daily News

KETCHIKAN—Prince Rupert All-Stars staged a final half rally this morning against Ketchikan Rockets to win their second game of the International Basketball Tournament series at Ketchikan, Alaska, 56-41.

Last night All-Stars lost to Metlakatla and yesterday afternoon were downed 62-53 by Ketchikan.

All-Stars won their first game, 80-50 over Petersburg in the tourney opener Thursday night.

All-Stars tangle with Metlakatla again this afternoon and the winner plays against Sitka tonight in the finals. Last night Sitka edged Ketchikan in a 77-75 thriller.

Yesterday afternoon Rockets defeated All-Stars in a game marked by speedy floor work in the first half and marred by Rupert's inability to hit the Ketchikan hoop.

Ketchikan led 34-20 at half time after the ball had swished from one end of the court to the other almost continuously for two quarters. All Stars' failure to locate the hoop accounted for their loss as their floor plays and interceptions matched those of Ketchikan's.

Twenty-three personal fouls were called on the Rupert team compared to 18 on Ketchikan.

Terry Shenton led the scoring for All-Stars with 19 points collecting 10 on fouls, Doug Sankey scored 17, Ray Spring 9, Mike Young 4, Darrel Young, Jim Johnson and John Newton scored one point each.

For Rockets, high scorer was Hulse with 17 points followed by Hunskor 12, Johansen 11, Atiger 7, James 5, Erickson 5, Johnson 4, Markuson 1.

THIS SPRING, wearing luscious fruit piled atop your head will not be as daffy as it sounds . . . not if it is designed by William J. on a net disk piled high with artificial fruit. The colors of oranges, apricots, lemons, plums, strawberries, green peppers and even that dash of spice from the lowly scallion create a tasty milliner's whimsy for a lady's head.

POLICE AND USHERS surround President Clarence Campbell (wearing vest) of the National Hockey League during a wild demonstration following a hotly contested Montreal Canadiens-Toronto Maple Leafs game at Montreal Forum. Campbell and his wife were pelted with rubbers and other objects. The fans were in an uproar when Maurice Richard of Canadiens was given a misconduct penalty. Montreal won 2-1. (CP Photo).

At The CURLING CLUB

By BOB RUDDERHAM

Elsewhere on the sports page today, you will note of the opening of the rink tonight, at 8 p.m. sharp so I won't bore you with all the details of the program which will be written up by the press in a much nicer fashion than I would be able to do.

However, I feel that now is a good time to hand out a few bouquets to those members who have given their time so unselfishly to see this job to the point where we can get started curling.

Regardless of the efforts of members of the past in the old club, I think that a real hearty pat on the back should go to my friend, **Joe Scott**. Joe has been going around for the last three or four days with his fingers crossed and avoiding every black cat, he comes to, and he still breaks into a cold sweat at the mention of "pipeline." As the chairman of the building committee and as a member of the executive, he has continually offered good and sound ideas and suggestons, and then pitched in on the manual work with vigor he never shows around his place of business.

Ev Shier, our ice and house committee chairman, is one of those fellows who get a big job done with the least amount of fuss and there is many who don't even know he is on the Executive. Ev can always be found rooting into some problem with the tenacity of a stubborn bulldog but with a cheerful and happy attitude. He is a real asset to the club.

Our treasurer, **Bert Field**, is another who's efforts are often overlooked but I would venture to say that there isn't a job in the club that is more capably filled than Bert's.

Others who have given much time to the Prince Rupert Curling Club since it first started to the present date are: **Gordon Bateman, Percy Berg, Dom Dominato, Lindsay Eby, Jim Georgeson, Darrow Gomez, Mitch Greene, Art Kristmanson, Jack Laurie, George Murray, Angus McDonald, Bill McKenzie, Wilf and Bill McLean, Sandy Newton, Ted Parker, Warnie Petersen, Al Simundsen, and Bill Vance.**

There are also some former members who did a very good job in making the club operate in a successful manner. **Nelly Moore**, our first President, was always a hard worker and a lover of the slippery game. **Bill Baxter**, our draw master for some years, used to slip in and out of the curling club and post the draws with scarcely a murmur and always could be counted upon to do a good job. His successor, **George Morgan**, also did a good job on the draws and did a good bit of hard work as well. **Roy Brown**, our secretary for a few years, did more curling club business out of C. M. and S. offices on some days than he did for his company. Of course, Necly Moore, his boss, didn't mind too much and probably gave a hand.

Good Luck and Good Curling.
