SHRUNKEN HEADROOM — Surprised motorists may slam on the brakes when they see this sign over an automobile tunnel at Leavenworth, Kan. The sign apparently reads "Clearance 3 feet, 6 inches" — harly crawling room. The heavy growth of vines covered the "1" to the left of the "3", "shrinking" the clearance height by 10 feet.

EARLY RAILWAY

First railway in the Maritime Provinces in 1839 ran five miles between New Glasgow, N.S. and the Albion coal mines.

PEDAL PUSHER — The traditional diplocatic limousine takes a back seat to the bicycle as far as new U.S. envoy to Denmark Val Peterson is concerned. He's getting off to a flying start on a jaunt near Copenhagen. There are more than a million bikes in Copenhagen alone, and the new Ambassador, former Civil Deefnse Administrator is making a hit with the Danes by choosing this means of transportation. Concentrating on the road, Peterson seems oblivious of the charming cyclists behind him. Is that what they mean by diplomatic immunity?

Patterson Fighter Of Month

NEW YORK (AP)—Heavy-weight champion Floyd Patterson today was named "fighter of the month" again by Ring magazine. It was the first time in the two years the boxing magazine has been releasing monthly ratings that one fighter has been awarded the honor for two successive months.

The 22-year-old champion captured the July award for his 10th-round technical knockout of Hurricane Jackson, July 29. He received the August prize for his sixth-round destruction of Olympic champion Pete Rademacher at Seattle, Aug. 22.

Jackson was dropped to third among the heavyweight contenders and Zora Folley of Chandler, Ariz., was promoted from third to second. Eddie Machen of Redding, Calif., retains his top contender's berth.

Miss Profit's payoff in the first was also the largest for a $2 ticket in local racing annals.
