Kitimat XI Trims Locals 4-1

Soccer All-Stars Stuck in Mudfield

The Pacific Steel eleven from Kitimat needed only 35 minutes to build up an insurmountable 4-0 lead and leave a Prince Rupert All-Star team scrambling to avert a whitewash in an exhibition soccer match here Saturday afternoon.

At the final whistle, blown six minutes before time, the Alcan city team was ahead 4-1 on the strength of a hat-trick by centre forward Fred Bundschuk and a penalty kick by left back Adolf Fabricius.

Rupert's lone goal was headed in by team captain Louis Boltong halfway through the second stanza.

The Kitimat attack, producing eight corner kicks to Rupert's three, completely outclassed their opponents during the first frame but loosened up when a steady drizzle made the field heavy and hard to play on.

The local All-Stars, selected from four Prince Rupert teams, acted like pieces of four different jig-saw puzzles that couldn't be fitted into a unit, while the Kitimat eleven, with a five-month season of at least three games a week behind them, outshot and outhustled the local team through most of the game.

Kitimat opened strong, carrying the ball over to the wings time and again before the Rupert goal, with only goalie Joseph Nagy as last obstacle.

Fred Bundschuk put his team on the score sheet with a sizzling low drive that left Nagy no chance.

At the 25- and 26-minute marks, Bundschuk again left the Rupert defence standing still with sudden break-throughs that netted a goal each.

Fabricius scored his penalty kick 10 minutes before halftime after Adrian Tambourini fouled a Kitimat forward within the 16-yard zone.

Centre half Boltong got Rupert's counter 20 minutes before the end when he headed Kadragavich's corner ball over the Kitimat goalie.

Not long afterwards, increasing rain forced the end of the game.

Ti-Cats End Alouettes' Monopoly

By The Canadian Press

Montreal Alouettes have found out that some days you can't make a nickel.

They were spilled off their perch as Big Four football champions Saturday by Hamilton Tiger-Cats in a bruising battle and Sunday the 'Cats followed with a committee-room victory.

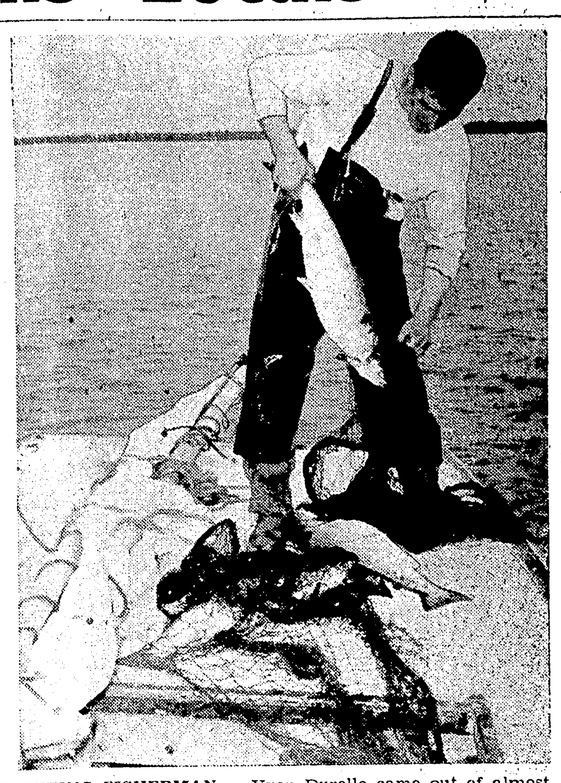
Tiger-Cats now are assured of at least a first-place tie in the race while Als can finish no better than second.

Tiger-Cats edged Alouettes 19-17 at Montreal and 24 hours later at Toronto the league executive tossed out a Montreal protest over an 18-15 Tiger-Cat victory the previous week.

Everything, in fact, went as expected in weekend Big Four action. The Rough Riders walloped the hapless Toronto Argonauts 25-7 at Ottawa Saturday before the season's smallest Big Four crowd—12,440. The victory gave Riders sole possession of second place, four points behind Hamilton and two up on Montreal with two games remaining in the 14-game schedule.

Tiger-Cats' victory was their first in Montreal since 1953 and it was well deserved.

Rough Riders jumped into a 7-0 first-quarter lead over Toronto on an 81-yard pass-and-run touchdown play by George Brancato, made it 15-7 at halftime and then won as they pleased. Bobby Judd scored two Ottawa touchdowns and Gary Schreider kicked three converts, a single on an attempted field goal and three more points on a third-quarter field goal.



FIGHTING FISHERMAN — Yvon Durelle came out of almost semi-retirement this year to fight his way into contention for a shot at Archie Moore's world light-heavyweight boxing title. Durelle, from Baie Ste. Anne, N.B., says he would rather tend to his fishing than fight but now that he holds the Canadian and British Empire light-heavyweight crowns he wouldn't mind a chance to meet Moore. If the 27-year-old Durelle does meet and defeat Moore he would become the first Canadian world boxing champion since Vancouver's welterweight Jimmy McLarnin in 1935. Durelle, who grosses $20,000 a year from his three-boat fishing fleet, says "everything I make boxing I throw into fishing". He started boxing when he was 15 but says if he had to make a choice he'd stick to fishing. BLACKWOOD on BRIDGE

Four Spade Contract Goes Down; Mr. Muzzy In Too Much Hurry to Play

"It can't be made," said Mr. Muzzy heatedly after his partner had accused him of blowing his four spade contract.

"I had five losers in the hand," Mr. Muzzy continued—"a spade, a heart, two diamonds and a club. I held it to down one so I picked up one trick, but I'm not a magician."

"You don't have to be a magician—just a bridge player," replied Mr. Champion cruelly. "As I've told you before, you're in too big a hurry to win your tricks. It counts just as much to win the last ten as the first ten."

Here's the way the play went. Miss Brash led the trey of diamonds, an obvious singleton. Dummy played low, Mr. Dale put in the nine and Mr. Muzzy won with the ace.

He cashed the ace of spades and learned the bad news when Mr. Dale discarded a low club. Now he did very well up to a point. He played the king of spades, cashed the ace and king of clubs and the ace of hearts, then put Miss Brash on lead with a third lead of spades.

Miss Brash took the king of hearts and everybody followed suit. Next came the queen of hearts and apparently this was what Mr. Muzzy had been waiting for. With a cry of triumph he ruffed in dummy and discarded his last club. But he soon realized that he still had to lose two diamond tricks to Mr. Dale.

True, this is a situation which comes up very seldom. But Mr. Champion was right. Mr. Muzzy could have made the hand if he had gone a little more slowly. On the lead of the queen of hearts he should have discarded a loser from the dummy as well as from his own hand. This would leave the lead with Miss Brash.

Suppose he had discarded a diamond from the board and the last club from his hand. Miss Brash would have had no choice but to continue with another heart and this was the spot for the ruff and ruff. Mr. Muzzy could have ruffed in his hand, discarded the last diamond from the board and claimed the rest of the tricks.

Cougars Still Winless, Use Flu Wave as Alibi

By The Canadian Press

Flu and the Seattle Americans were responsible for the unfortunate Victoria Cougars' seventh and eighth defeats in as many starts in weekend Western Hockey League play.

So bad had things become that WHL president Al Leader announced Sunday, that the Cougars' scheduled Tuesday night game against Vancouver Canucks would be postponed.

In Seattle Sunday night, Victoria took the ice with only 11 men, three less than Seattle, and went down to a 5-2 defeat.

Four other games during the weekend left Vancouver with 11 points out in the clear above the three other coast clubs while Winnipeg, Saskatoon and Edmonton were all bunched at the top of the Prairie Division standings with six points each.

Saturday night Seattle defeated Victoria by an identical 5-2 margin, Vancouver pulled from behind to whip New Westminster 5-3, Edmonton eased past Winnipeg 2-1 and Calgary made the best of Saskatoon-St. Paul 4-1.

In the Sunday game, Val Fonteyne and Don Chiupka both scored a pair for Seattle and Alex Kuzma had one. This put the Americans two points behind Vancouver.

Victoria's points came in the third period when Eddie Dorohoy and Frank Milne reduced their team's arrears.

In their Saturday meeting, Chiupka and Rudy Filion each scored two and Ray Kinasewich one for the Americans. Blinky Boyce and Doug Macauley scored for Victoria.

That encounter, too, was dogged by flu. Gordie Wilson, Larry Leach and Don Matheson all failed to skate for the Cougars.

Vancouver came brom behind a 2-0 deficit to defeat New Westminster 5-3 and stretch their record of five games without defeat before 5,000 fans. New Westminster took a 2-1 lead in the second after a scoreless first period, but were outscored 4-1 in the third.

Captain Phil Maloney with two goals and an assist and newcomer Ed McQueen with two goals paced the Vancouver attack. The Canucks' other scorer was Bob Robinson.

For New Westminster, rookie Art Jones scored twice with Dick Van Impe notching the third, Hugh Barlow counted two assists.

Metro Prystai scored an unassisted third-period goal to give Edmonton Flyers their hardfought 2-1 victory over Winnipeg.

Billy McNeil tied the count at 1-1 only 27 seconds before Prystai scored from a face-off.

The only Winnipeg goal came when Howie Glover slid a low shot to the left corner of the net, after two bruising scoreless periods.

Calgary registered its second victory in seven games so far with their defeat of Saskatoon-St. Paul. They had earlier defeated the Regals for their first win.

Dusty Blair, Fred Hucul, Merv Kuryluk and Mid Houghton scored for the Cowboys. Bob Chorley was the lone Regal scorer.

The league is idle tonight. Calgary plays at Edmonton and New Westminister will be in Winnipeg Tuesday night.
