SCHOOL BOARD BRIEFS

Parents ask for notification when bus service cancelled

It was agreed to contact the local bus company suggesting that it should announce by radio if it intends to cancel a service on any one day.

R. F. Lucas, principal of Booth Memorial High school, reported that two parents had complained about the bus service from Section Two.

Members tabled the question of selecting a name for the new high school.

K. F. Harding suggested that the Daily News run a contest among its readers.

Mrs. A. L. Bell suggested Prince Rupert Senior High school.

"What does a name mean anyway?" asked Robert Kelsey. "Not a thing."

Mr. Lucas complimented Len Harrington and Mel Thompson on their efforts in producing "Impressions of 1958" at his school.

Mr. Lucas said he was not enthusiastic about the school entering the provincial curling competition at Prince George on January 24.

Regional playoffs would have to be held, also at Prince George, with at least two school days lost.

After some discussion it was agreed that he should inquire further to see if the competition could be held so that less school time was lost.

Consideration of a letter from the Prince Rupert Administrators' Association, urging the appointment of a consultant for advising primary tetachers was deferred until the next meeting.

Writing on behalf of the association, J. H. Steele said there was no substitute for skilled primary teacher, and a consultant would be able to spread her knowledge and skill over a wide area.

Schools Superintendent J. M. Phillipson said he thought the board should consider the whole question of supervisory staff.

He said he would like to study the question in relation to the whole teaching problem in the area.

The board decided to sell the old army building on Seventeenth street which it once planned to turn into a school. It was told that to convert it into a modern school would cost three-quarters the price of a new school; at the same time the building would still be substandard.

Mr. Phillipson reported that Port Edward school, with 97.95 per cent, had the best attendance record in the area.

It was followed by Conrad St., 95.96 per cent; Booth Memorial, 95.47 per cent; and King Edward, 95.4 per cent.

Trailing behind came Roosevelt Park, 94.7 per cent; and Digby Island, 92.05 per cent.

Port Essington school was organized, said Mr. Phillipson, and the teacher, Roderick Harrison, and Mrs. Harrison and their young daughter were making themselves comfortable.

Sunnyside school was reopened in early November, the board was told. B.C. Packers had provided a suitable house, and the teacher, Carlo Bongarzoni, was dealing with a spread of eight grades.

Conrad Parent-Teachers reported that somewhere over 90 per cent of parents attended

UBC extension department has completed its plans for Prince Rupert, and intends to arrange in the area a group development workshop, regional courses of citizenship, sewing course, art exhibits, and a short electronics course for fishermen.

A net staff increase of four is expected at the Booth Memorial High school in September next year, Mr. Phillipsin reported. There are expected to be 23 in the junior school and 16 in the senior school.

The board accepted the resignations from the school staff of Mrs. Bruce Peyman, Mrs. Percy Young, Leonard Galpin and R. M. Russell.

Payment of accounts totalling $61,715 for the entire school district for October was approved. This brings this year's expenditure to date to $532,888.

BIG SEASON

Norway had some 726,000 foreign visitors during June, July and August in 1958.

Dr. Marquis, head of the music department of UBC, will be in Prince Rupert shortly and will discuss the appointment of a music supervisor.

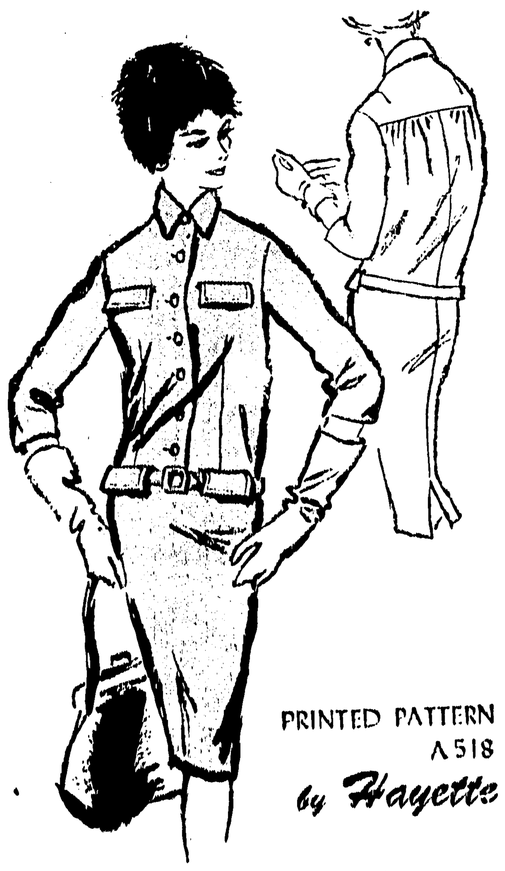
COMFY — Designed by Mr. John, this provocative jumper front with a relaxed back, treated to imported Merino creates the blend of a fitted with split-level panel back [illegible] and adapts easily to the impetus of a busy wearer. The costume blouse of importantly printed paisley wool jersey is a perfect complement for this trim jumper.



PRINTED PATTERN
A518
by Hayette

PROMINENT DESIGNER

This season, the smartest belts are on the move—traveling from a lightly-fitted waist to a sleek hipline as in this Hayette Original. Casual, poised, elegantly narrow is the line and the look you achieve when you use Printed Pattern A518. Top width—the Paris trend—is indicated by stitched tabs and the shape of the shoulder easing into three-quarter sleeves. The collar buttons high or plunges downward—a happy fashion choice either way. Hayette, a division of the renowned house of David Crystal, expresses a fresh, young flair in design and cut—captured for you to copy exactly via our easier Printed Pattern. Choose wool jersey (fabric of the Original), velveteen, satin, four-season cotton or linen for resort wear.

Printed pattern A518 is available in Misses' Sizes 10, 12, 14, 16 and 18. Size 16 requires 3⅝ yards 54-inch fabric.

Send ONE DOLLAR for Printed Pattern A518 to Prince Rupert Daily News Pattern Department, 60 Front Street West, Toronto, Ontario.
