Boa outshoots rifle champ

HAMILTON (CP)— Gil Boa of Toronto topped Olympic small-bore rifle champion Gerry Ouellette fo Windsor in world championship shooting trials here during the weekend.

The two-day shoot, sponsored by the eastern division of the Canadian Civilian Association of Marksmen, coupled with a similar weekend shoot by the western division, will decide the personnel of Canada's entry in the August world championships in Moscow.

Boa's 3,080 aggregate and Ouellette's 3,075 of 3,200 possible are considered well up to international shooting standards.

In the pistol division William van Ginkel of Hamilton totalled 1,541 of 1,800 and was 40 points under the western division's top shot, Jim Zavitz of Vancouver.

Since the team will have only one shooter in the pistol division, Zavitz entry is assured.

tion of the highway from Prince Rhpert at Galloway Rapids to Tyee.

In reply to qrestions from Mr. C. Shelford, MLA from the Prince George area regarding figures of $100,000 for the "Houston River Bridge" and "Topley East —3½ miles," Mr. Gaglardi said: "Let me have a memo of this, and I will investigate it." Mr. Shelford claimed that he was unable to determine which Houston Bridge the estimates included. About the Topley East matter, he said that it concerned gravelling. "This work was not yet started . . . as a matter of fact . . . the right of way was not yet cleared of trees," said Mr. Shelford.

The meeting, attended by William Murray, MLA for Prince Rupert, Mayor Peter J. Lester, Ald. T. Norton Youngs and William Long, Prince Rupert city clerk, was under the chairmanship of Jack Leyland, chairman of the Prince George board of trade's highways committee. G. P. Woodside was the official voting representative from the Prince Rupert Chamber of Commerce.

Francois Lake News

Mr. and Mrs. Bob Cormier came unexpectedly on Sunday evening to stay one night in the Ferry Cottage. They drove home to Prince Rupert the following morning. They had been visiting in Fort St. James for a few days.

Mr. and Mrs. Wallie Jeffrey entertained on Sunday in honor of Ray and Tommy who are leaving on Friday for a three month's visit to England, Scotland, Ireland, Belgium and France. They will attend the World's Fair at Brussels.

At the gathering were 19 of the Jeffrey clan, and six close friends. Before lunch was served on the lawn, Wallie Jeffrey played the pipes and the guests all paraded to the table behind him. Afterwards two little nieces, Pamela and Loraine, brought a prettily decorated box with a photograph album to be presented to Ray and Tommy. It is hoped that in it will be placed photographs of places and folk met when on their trip. The guests of honor were asked for a speech, after which there was community singing and more bagpipe music.

Mrs. John Keefe and Mrs. Reginald Partington are home again after attending the Women's Institute Conference in Vancouver. They found it overpoweringly hot there, but had an interesting and pleasant time.

After the hot spell without rain the gardens and crops were drying up, so that a long steady rain on Wednesday which lasted all night has cheered the growing things up tremendously. Maybe it's wishful thinking that it has drowned the cutworms, but at least it will curb their activities.

The whole district was stunned on Monday to hear of the tragic drowning accident in Ootsa Lake of Neil Talbot and Bill Michovenko, and sympathy is extended to their families. What has made it doubly hard for the Talbot family is that Neil's sister Joy's husband was drowned only a few years ago in Babine Lake in a logging accident.

One evening last week we had an interesting visit with Bill Cunningham and Jim Muir of Telkwa who drove in for a little fishing. Bill Cunningham lost his leg five years ago, but is able to drive a Model A car, and enjoys touring the country. He went to Saskatoon in 1902 and was in and about Battleford at the time the Barr Colonists were being setled there.

Virginia O'Meara was just leaving the Landing for home with the three children when her car skidded off the highway and turned completely over once and took one more half turn in the trees, and landed on its side. She managed to get out through the window and the children crawled out from underneath. Not much damage was done to the car, a broken windshield and dented top. With the help of a tractor and many willing neighbors the car was turned over and hauled back to the road and driven off.

The Earl Deeders now have the phone installed in their home at Echo Valley Ranch. The telephone crew is working between here and Colleymount now, slashing mostly.

There was a meeting of Sunday School teachers in the Club House here on Wednesday afternoon at 2 o'clock. Mrs. Hugh Cowan, Mrs. Fred Tolhurst and Mrs. Ralph Johnson came from Colleymount, and Mrs. William Collison, Mrs. Keddy, Mrs. George Reynolds and Mrs. Richard Robinson from Burns Lake, and Mrs. Jack O'Meara and Mrs. Reg Partington and Hugh Neave from Francois Lake. Rev. John Frame was chairman of the meeting, and its was decided to combine the Sunday Schools and have similar lessons.

On Thursday evening there was a meeting in the Club House when fourteen gathered to start a Shooting Club to be sponsored by the Recreation Commission.

Althea Gibson wants revenge at Wimbledon

WIMBLEDON, England (AP) — "Make no mistake," said Althea Gibson of New York, "I shall win the next time I play Christine Truman. That's all I've got to say. I shall win."

Miss Gibson was giving a post-time message as the stars lined up for the world's biggest tennis show — the 72nd Wimbledon championship opening today.

The 1957 Wimbledon women's champion appeared completely unshaken by her Wightman Cup defeat nine days ago at the hands of the gangling Miss Truman, who at 17 is Britain's brightest tennis prospect.

Today's opening program consisted of 64 men's singles matches.

Australia's Ashley Cooper, favorite for the men's title, had the honor of opening the tournament on the ivy-clad centre court against Geoff Owen, a little-known English player.

WEEKEND FIGHTS

Brooklyn, N.Y. (AP)—Jose Torres, 164, Puerto, Rico, knocked out Joey Salvato, 166, Yonkers, N.Y., (4).

Detroit (AP) — Joe Hemphill, 188¼ Chicago, outpointed Osee Groom, 204, Detroit, (6).

Syracuse, N.Y. (AP)— Mike DeJohn, 201½, Syracuse, outpointed Bob Baker, 218, Pittsburgh, (10).

Melbourne, (AP)— Al Williams, 183¼, Australia, stopped Sandy Assogna, 184½, Rome, (13).

Asians ask immigration equalization

OTTAWA (CP)— Canadians of Chinese and Japanese extraction have joined hands in a request to the federal government that restrictions on immigration of their relatives be removed.

Immigration minister Fairclough, who received representatives of the Chinese Canadian Association and the National Japanese Canadian Citizens Association, was reported to have said she would consider the request "sympathetically."

A brief filed with the minister asked specifically that Japanese and Chinese be placed on the same footing as Canadians of Israeli, Lebanese, Syrian and Turkish extraction.

LIMITED TO FIVE

Such Canadians may "claim" or sponsor the entry into Canada of 16 classes of relatives. Asian - extracted Canadians, however, are limited to five categories: Mother over 60 years of age, father over 65, husband, wife and unmarried children if under 21.

Douglas Jung (PC-Vancouver Centre), Canada's first Chinese-Canadian member of Parliament, said the resulting immigration would be relatively small

Canada's 40,000 Chinese had approximately 6,000 relatives abroad who would be eligible to emigrate under relaxed rules, while her 20,000 Japanese would have an estimated 3,000.

"We feel that if Canada can show generosity to many thousands of Hungarian refugees — and we have no quarrel with that—then possibly we could benefit to a degree from the same generosity," he said.

Aussie sets swim record

TOWNSVILLE, Australia (Reuters)—Terry Gathercole broke his own world swim record for the 110 yards breaststroke today. The Australian swam the distance in one minute 13.0 seconds to beat his previous time of 1:35.5 set earlier this month.
