# Disarm Talks Hit Bomb Tests

By JOHN EARLE

LONDON (Reuters) — Diplomatic observers speculated today on the possibility of a compromise agreement emerging this week from the disarmament sub-committee.

The agreement could call for a suspension of nuclear tests for 18 months.

The United States has proposed a 10-month halt to the tests while the Soviet Union has been plugging for a test ban of two to three years.

No progress was made last week in subcommittee negotiations on the length of suspension of such tests. Other nations on the subcommittee are Canada, Britain and France.

**CHARGED ULTIMATUM**

Harold Stassen, United States disarmament delegate, said at one point that the choice was between 10 months or no suspension of tests at all. Valerian Zorin of the Soviet Union retorted that the United States was issuing an ultimatum which no self-respecting nation could accept.

Despite this unproductive atmosphere, observers noted two little-publicized passages of speeches by Stassen and Zorin, which gave ground for speculation, that a compromise might after all be achieved.

U.S. delegation sources emphasized that Stassen also said that 10 months was not a "magic number," incapable of being amended.

**COMPROMISE POSSIBLE**

The implication was, observers said, that the Americans might be prepared to lengthen the period up to about 18 months.

Zorin told the last meeting of the subcommittee that his proposal of two or three years was presented, not in a "take it or leave it" spirit, but as a basis for negotiation.

This was interpreted as a sign that he might be willing to come down to a period of about 18 months.

However, the attitude of East and West on the suspension of tests still is far apart.

The West insists that test suspension be coupled with agreement to negotiate a suspension of nuclear weapons production. The Soviet Union rejects this link.

**SHIP NABS WHALE**

CORK, Ireland (AP)—The Greek liner New York impaled a whale on its bow in mid-Atlantic, Capt. George Georgioux reported Sunday on arrival in Cork. The skipper managed to shake the carcass off his 16,991-ton ship by steaming astern. The vessel was undamaged.

# Lew Foote, Photographer Dies at 84

WINNIPEG (CP)—Lew Foote, sometimes called the "dean of Canadian newspaper photographers," died here Saturday. He was 84.

Born in Burin, Nfld., in 1873, the son of a sea captain, he came to Western Canada in 1901. For 45 years he used his camera to record Western history.

He had been active until he entered hospital several weeks ago. Mr. Foote got his first camera in Halifax in 1889 and began to roam the Maritime provinces. When he came to the west he set up a shop in Winnipeg.

He had taken photographs of every governor-general of Canada since the Duke of Connaught, many British prime ministers and of the Duke of Windsor when he toured Canada as the Prince of Wales.

He is survived by two sons, Eric of Winnipeg and Frederick of Dearborn, Mich., and two brothers, William of Winnipeg and Mac of Lumby, B.C. His wife died 12 years ago.

Funeral service will be held here Tuesday.

# Sea Kings Trim Stars

Sea Kings exploded for seven runs in the top of the sixth to crush North Stars 17-5 at Algoma Park last night in a Little League fixture called after five and a half innings because of rain.

went the distance and allowed eight hits, struck out six and walked only one as his teammates hammered North Star pitcher Jim Colussi for 17 runs on 11 hits, six errors and seven walks.

Big gun for the winners was M. Mah, batting in three runs at five times at bat.

# Flu Spreads In India

NEW DELHI (AP)—India's health minister warned today a new influenza epidemic may sweep over Asia.

The second wave may be more violent than the first which killed at least 511 persons in India alone.

Health Minister D. P. Karmarkar told the Lower House of Parliament past experience shows a second epidemic follows in the path of many major influenza epidemics.

This spring's Asia-wide flu epidemic struck 1,672,252 Indians through July 5, the health minister said.

# First Yacht Back Home From Race

HONOLULU (AP)— The 83-foot cutter Barlovento, skippered by Frank Hooykaas, sailed past the Diamond Head finish line Monday night, the first official entry to complete the grueling transpacific yacht race after 11½ days at sea. The winner will be determined on a handicap basis.

The Class A Barlovento picked up speed after being stymied earlier by a calm and crossed the finish line in an elapsed time for the 2,225-mile race of 11 days, 13 hours, 2 minutes and 46 seconds.

The record for the Los Angeles-Honolulu race, set in 1955 by the Morning Star, is nine days, 15 hours and five minutes.

The Nam Sang, a 66-foot cutter, was reported about seven hours behind the Barlovento. The Orient was third.

# Rough Riders Guard, Hayes Joins Club

OTTAWA (CP)— Ottawa Rough Riders learned Monday guard Larry Hayes, former Vanderbilt University and Big Four all-star will be able to rejoin the club this season after all.

Coach Frank Clair said Hayes, 22, 6-3 and 215 pounds, phoned him to say that he's taking a new service program in the U.S. and is on leave until some time next winter. It was feared earlier Hayes would be in the armed forces this year.
