Red athletes edge U.S. despite Johnson's feat

MOSCOW (AP)—Rafer Johnson of Los Angeles gave one of the greatest all-around athletic performances of modern times in winning the rugged 10-sport decathlon which featured the two-day track and field meet between the United States and the Soviet Union.

Johnson scored a world record 8,302 points to 7,897 for his top Russian rival, Vasily Kuznetsov, in the competition which wound up Monday. But it wasn't enough to give the U.S. the unofficial championship, which went to the home athletes, 172 to 170 points.

U.S. track officials claimed afterwards that they had been crossed up by the Russians on the scoring system. They said they had understood this would not be one dual meet, but two competitions, for men and women. They claimed the men's title, 126 to 109. The Russian women were superior, 63-44.

Johnson won five of the 10 events in the decathlon—the 100 metre dash, 400-metre run, discus, shot put and javelin.

He finished second in the broad jump, and 110-metre hurdles, third in the high jump and pole vault and fourth in the 1,500-metre metric mile run, last event on the card.

Decathlon points are figured by comparing performances with a fixed standard in each event.

Sharing individual honors with Johnson on the American team was Glenn Davis, who figured in four victories.

Besides winning the 400-metre run and the 400-metre hurdles, Davis shared in the triumphs of the 400-metre and 1,600-metre relay teams.

LABOR COUNCIL

tained many years will elapse before its completion."

One of the prime reasons for construction of the cannery road was to permit children from the Inverness area to attend school in Port Edward and "it is regrettable that these children should be denied an education for the lack of seven miles of road." The brief noted that approximately 100 children were affected.

MORE MEN NEEDED

The brief said that at the present time 12 men were working on the propect and recommended that the crew be increased to enable completion of the road this year.

The brief also urged establishment of Rainbow Lake as a picnic and camping site; protested that employers in the Pulp and Paper Industry were exempted from the "Hours of Work Act"; suggested bi-monthly visits be arranged for Department of Labor inspectors to receive complaints and re-establishment of visits to Prince Rupert of the Workmen's Compensation Board's travelling medical board.

LA GONDOLA HOST

At 12:30 p.m. today the premier and the cabinet ministers were guests of the Terrace and Kitimat Chambers of Commerce at La Gondola Cafe.

At 2:30 this afternoon Mr. Bennett and Highways Minister P. A. Gaglardi received a delegation from the Prince Rupert Chamber of Commerce. Health Minister Eric Martin visited Prince Rupert General hospital.

At 3:30 p.m. Labor Minister Lyle Wicks received a delegation from the Kitimat-Kemano and District Labor Council.

Mines Minister W. K. Kiernan met with the Chamber of Commerce this afternoon to discuss the Stewart-Cassiar highway and Works Minister W. N. Chant received a delegation from the Kitimat Chamber of Commerce. Also at 3 p.m. Education Minister L. R. Peterson received a delegation from District 52 school board.

Tonight at 7 o'clock a public dinner is being held for the cabinet at the Civic Centre at which Premier Bennett will be guest speaker.

Yesterday evening the cabinet was taken on a tour of Prince Rupert airport as the guests of the Chamber of Commerce, the Department of Transport and General Kiewit Construction Co. Following the trip the cabinet and chamber were treated to a construction camp meal provided by General Kiewit.

Highways Minister Gaglardi, Education Minister Peterson and Labor Minister Wicks did not arrive until 9:30. Later the premier, Mr. Gaglardi and Recreation Minister Earle C. Westwood were taken out to Columbia Cellulose Company Limited's Kloiya Bay picnic site and to inspect Highway 16.

Centennial flag stolen from laundry

A reward of $25 has been offered by Rupert Cleaners and Laundry for information leading to arrest and conviction of the persons responsible for stealing that firm's B.C. Centennial flag.

Hugo Kraupner, president of the firm said that over the weekend someone went to the trouble to cut the lanyard, haul down the flag and take it away with them. He said that at this late date it was almost impossible to get a new flag. He said he had reported the theft to the RCMP.

The laundry firm was one of the first establishments to fly a Centennial flag in the city.

of South Burnaby; Pat Cull of Trail; Rosemary Adams of South Burnaby; Denise Dorman of Vancouver (last year's Miss Mount Pleasant winner). Judy Leatherdale of Vancouver and Margaret Sampson of Langley were well received in their tap-dancing of "Pretty Baby" and the dance "Cake walk."

A local added attraction and one of the show's highlights was the canoe tilting contest in the water tank between Dick Ayers and Denny Light of the Rotarians and Emil Blain and Hector MacDonald of the Gyro Club.

The idea of contest was for each team to try and upset their opponents by knocking them into the water with long poles that had rubber balls on the ends.

The match consisted of three official rounds. Ayres and Light lost the first round but managed to put their strategy together to upset the Gyro Canoe in the remaining two rounds and win the match.

The "Flying Wendts" provided a first rate trapeze aerial act as they performed from a suspended bar and rope high above the two feet deep water tank. The crowd was dazzled as Mr. Wendt spun Mrs. Wendt around in circles in what was called the "Helicopter Spin."

An official of the Centurama Committee said today that the tank in front of the stage will be raised to a higher level in order to enable people to see the show without any obstructions.

The show will continue tonight and tomorrow night at 8:30.

Tonight's Canoe tilting contest will be between the Elk's lodge and the Kinsmen. Winners of this match will challenge the Rotarians, Wednesday night.

Twenty-two year old Yarnell born and raised in Hollywood, California, received his vocal training from the famed Metropolitan Opera singing teacher Mebane Beasley.

Mr. Yarnell had just played in the stage show "South Pacific with Mary Martin, before joining the Centurama Show. He also played in the stage show "Annie Get Your Gun."

Parade entries to be judged at Algoma Park

The giant children's parade on Youth Day, August 1, will be judged at Algoma Park, organizer Ernie Novakowski said today.

The parade, beginning from the Civic Centre where children will line up at 10 a.m. will proceed up Second Avenue to Fourth Street, then to Third Avenue turning left going down to McBride Street and from there to Algoma Park.

Prizes will be given for first second and third in each category.

Nearly anything that can be seen in a parade, such as bicycles, wagons, pets and costumes, will entitle a boy or girl to enter the parade, Mr. Novakowski said.

MONKEY BUSINESS

MONCTON, N.B. (AP) A monkey mystified city police and works department workers when it was found dead outside a restaurant and had to be buried. No owner could be found and the animal had no identification tag.

The Oshawa, currently on an oceanographic survey, has a compliment of six scientists, five officers and 75 men, it was reported by R. A. Orton, staff officer, HMCS Chatham naval reserve division.

Douks warned to obey B.C. laws
