3,000 see Caravan

More than 3,000 adults and children visited the B.C. Centennial Caravan while it was here during its official tour of Northern British Columbia.

Remarking on the driver courtesy displayed during the caravan's stay here and before leaving last night for Terrace, that the reception he received here was enthusiastic.

Here Monday night Tuesday and Wednesday, the caravan was on loan from the B.C. Provincial Archives and Museum and featured historic museum exhibits of B.C. from 1858 to the present day.

The Caravan has been on tour since April 7.

Aussie runners on the way to new feats

DUBLIN (AP)—Australians Herb Elliott and Albert Thomas packed their record-breaking cleats for Edinburgh today, leaving behind shattered world records for the mile and two-mile runs.

Elliott set a great mark of 3:54.5 for the mile Wednesday. Thomas established the world's best time for the two miles with an 8:32 clocking Thursday night.

"Now we go to Edinburgh and Scotland," the 23-year-old Thomas said. "On Saturday we'll compete in the Highland Games."

Elliott said: "I'm looking forward to Edinburgh and it's probably the mile for me."

6. That serious consideration be given to the appointment of special constables representing the various native groups to work with the RCMP in policing this section of town, and further that the Indian Department should be requested to have a departmental constable stationed in Prince Rupert.

7. That the Council appoint a Select Committee under the authority of Section 179(1) of the Municipal Act, to inquire into all the circumstances involved in, and aspects of, the recent riot, and to make recommendations for future relations with the native population of this area, as your Committee is of the opinion that only through long range planning can this problem be successfully solved.

This proposed select committee will have the power to summon witnesses for examination on oath, and shall have the same power to enforce the attendance of such witnesses and compel them to give evidence as is vested in any Court of law in civil cases.

Your committee recommends that if the Council agrees with the appointment of this select committee, that the committee consist of one member and that the appointee be one well aware of the native problem particularly as it concerns the City.

8. The Committee feels that the Council's policy should be two fold, firstly to cause to be investigated the underlying reasons which erupted into mob violence, the consequences of which could have been extremely serious. Once these causes are found they must be corrected. Secondly, under our democratic system "mob action" should never be necessary, and such flagrant defiance of the law cannot and will not be permitted.

Respectfully submitted,
MAYOR P. J. LESTER,
ALDERMAN N. BELLIS,
R. W. LONG.

Outboard races postponed to August 24

Outboard races scheduled for Sunday have been postponed until August 24, Dave Yule, an official of the Prince Rupert Outboard association, reported today.

Mr. Yule said the association did not want to run the race too close to the Port Day races that were held Saturday. He said also that many of the Outboard Association members will be leaving to attend the Kelowna Regatta and the Gold Cup races in Seattle.

Three new hydroplanes owned by Ron Stuart, Norm Kinslor, and Lucien Langlois will make their debut at the races on August 24.
