Thom Advance By Trimming The Leaders

By JOHN LA PORTE

The playoff picture in A division of the Men's Five Pin Bowling League is just about set.

Monday, Cooks Jewellers and Philpott-Evitt, tied for last place, gave up hope of reaching the playoffs when they both came out on the short end of their matches.

Howe and McNulty improved their standings by breaking the Jewellers' backs in a clean sweep and Thom Sheet Metal moved up five points ahead of the cellared twosome when they laced league leaders Grotto Cigar Store for three points.

Hills and Williams moved to within three points of Grotto after trimming Philpott-Evitt. With only three weeks left of regular play, his Monday's session could decide positions in the playoff berths.

In individual honors for the evening, Gordon Freeman, lead-off man for Grotto Cigar Store rolled high single game of 291 and went the distance to take high triple with 729.

Both team high single and team high three went to Howe and McNulty for totals of 1086 and 2981.

In B division, Skeena Beverages came back after a poor showing last week to rewrite the record book. Skeena joined hands with Royal Fisheries to challenge the Esso Fuel Service hold on first place and trail just one point behind.

Showing surprising strength, Skeena rolled 1178 for high single game breaking the previous record held by Esso Fuel Service with 1165. Not content with this, the Skeena gang rolled on to take team high three with 3239 which broke their own high of 3164 set last month.

Skeena also cleaned up in the individual honors when lead-off man Ron Tubb captured high single game of 316 while teammate Bruce Simundson racked up 742 for high triple.

Results:

A League

Howe and McNulty 4, Cooks Jewellers 0; Hills and Williams 3, Philpott-Evitt 1; Thom Sheet Metal 3, Grotto Cigar Store 1.

B League

Skeena Beverages 4, Auxiliary Firemen 0; Electricians 4, Dustcaters 0; Royal Fisheris 4, Legion 0; Esso Fuel Service 3, Babcock Fisheries 1.

Standings:

A Division

At The CURLING CLUB

By BOB RUDDERHAM

With Bonspiel time only a scant two weeks away, and many jobs still to do around the club rooms, a work party will be needed for Sunday Morning at 10 a.m. to clean up the yard, club rooms, and rink. A good turnout makes it a simple job and most of the time it turns out to be a lot of fun besides.

AT THE CURLING CLUB ..P 5

One rink got away last night for the Prince George Bonspiel. Joe Scott, Jack Lindsay, Bert Field and Joe McKay make up a pretty strong squad and should be able to give some of the Prince George curlers plenty of fits. I hope that they bring back lots of silverware and have a good time.

You know, in Prince George, there is a very rare disease which afflicts curlers about this time. The microbe was discovered by Harry Kennedy, formerly of Prince Rupert, and the sickness is called Bonspielitis. Harry, who should know, claims the microbe is formed by the dust off the brooms, the frost off th ice and chips off the rocks. It affects the larnyx and it was formerly believed that staying up all night singing the "Muskrat Ramble' in Harry's house with "Fingers" Joe Scott at the ivories, was the cause for the hoarseness in ones throat the next day.

I had a chat with Sonny Matthewsen from Terrace the other night and he informs me that there will be approximately seven or eight rinks down to our 'spiel from Terrace. Apparently our bonspiels of the past and our posters for this year's Bonspiel has made many friends who should be shown a good time while they visit us. Don't forget that if you have a spare moment or two and have a car or boat, go out of your way to show these visitors a good time. They will appreciate it. Most of these interior rinks come down here with colourful outfits and are easily spotted. Make sure you meet them for they are the salt of the earth.

I made four hits the other night on a bet with young Brian Kellough. His follow-through slide was carrying him up over the first hog line so I told him that he was committing an infraction of the rules set up by the Dominion Curling Association. He claimed that he was letting the rock go before he went over which was true but the new rule says that it is an infraction if the foot on which you are sliding goes over the nearest hog-line. So if you are a long slider, and someone kicks your rock off to one side as it is going down the ice, take a look down at your foot first before demanding the old whatfor and don't call the other side a poor sport for doing such a trick. Rules are made for both sides and real long slides like that are more for show than for accuracy. As a matter of fact, Brian started to play a much better game when he shortened up his slide to a more natural length and concentrating more on his shots.

Canadian Markets Given Moderate Boost During Week

By RON ANDREWS
Canadian Press Staff Writer

Canadian stock market traders this week found that some news was a little more to their liking and, as a result, provided enough buying to lift the markets to a moderate advance.

For the last several weeks there were few encouraging developments but this week uranium offered some bullish notes.

Uraniums began their climb Monday following news that the Atomic Energy Commission is ready to support a stock-piling program.

They were given a further boost when a geologist said the industry would not die in 1962 after the Canadian government purchase contracts expire.

VOLUME HEAVY

Volume in the higher-priced issues was heavy. Gains ranging to $2 were evidenced. Gunnar advanced $2 to $21.25. Algom was up and Consolidated Denison held level.

Lower-priced issues also made good spurts.

The activity in uraniums spilled over into other mining specialties but gains were not as large. Advocate jumped $1.05 to $7.05 but other than that, there were few gains of more than 45 cents. International Nickel was $3.50-winner at $100.

Western oils began to move ahead, sparked by an important oil strike by Home Oil in the Swan Hills area of Alberta. Home B gained $4.12½ cents to close at $16.50.

Industrials offered few noteable changes. McColl gained $4.50 at $63.50 and Aluminium added $2.75 at $117.75 but other gains were generally less than $2.

The week's volume on the Toronto Stock Exchange was one of the heaviest of the year. A total of 28,797,000 shares were exchanged, compared with 25,953,000 the previous week.

Index changes at Toronto: Industrials up 1.84 to 451.92; golds off .448 to 75.66; base metals up 2.00 to 208.70; western oils up 2.38 to 158.84.

Index changes at Montreal: Banks off 0.03 to 50.54; utilities up 0.5 to 141.3; industrials up .36 to 270.0; combined up 2.6 to 233.1; papers up 13.28 to 1309.45; golds up 0.11 to 72.89.

Volumes at Montreal: 341,037 industrials and 3,075436 mines compared with 320,446 industrials and 3,194,834 mines the previous week.

CHRISTIAN PINEAU, French Foreign Minister, will be concerned in Paris talks this weekend with British Prime Minister Harold Macmillan and Foreign Minister Selwyn Lloyd. It will be the first top-level Anglo - French meeting since October.

Visit Sawmill

D. J. Doswell, Carl Andren, Norman Stables, Archibald Garland and Robert Kelsey of the Columbia Cellulose Company Ltd., paid a brief visit to the Ketchikan Pulp Company at Ward Cove, Alaska yesterday. They flew up yesterday morning by Ellis Airlines and returned last night on the Queen of the North.
