Prince George Road Paved By 1960

PRINCE GEORGE—Highways Minister P. A. Gaglardi said here that paving of the Northern Trans-provincial Highway between Prince George and Prince Rupert will be completed by the fall of 1960.

Paving from Prince George to Quesnel will be laid next year.

A major program will be undertaken on the John Hart Highway as soon as the West Coast Transmission pipeline, which parallels the route, is completed and if no major reconstruction of the roadbed is necessary. Meanwhile, pulvamix paving will be laid for a distance of 20 miles this year between Mile 28 and 48.

Mr. Gaglardi said that the missing 90 mile link on Highway 16 between Prince George and Edmonton will not be completed for at least another five years, unless completion becomes "absolutely necessary."

The missing stretch of road is between Sinclair Mills, about 55 miles west of here, and McBride.

Mr. Gaglardi also said he has to concentrate a major portion of his engineering facilities and appropriation on the Trans-Canada Highway because it must be completed by 1960.

"I am not making anyone else, or any other district, suffer however," he added. The minister pointed out that expenditures in the Prince George region will total $7,000,000 this year.

Perry Named Aviation Chief Of Oil Firm

VANCOUVER— The appointment of A. M. Parry as aviation manager of Shell Oil Company of Canada's western division has been announced by G. E. MacKinnon, division manager.

Mr. Parry has been with Shell 23 years. He started with the company in Toronto as a service station salesman, later moving into the advertising and sales-promotion department where he rose to assistant to the manager. In 1955 he was named Shell's central division aviation representative and the following year was promoted to assistant aviation manager located at the company's head office in Toronto. In his new appointment, made necessary by Shell's rapidly increasing aviation business in the West, Mr. Parry will be responsible for the company's aviation activities in British Columbia, Alberta and Saskatchewan. He will make his headquarters in Vancouver.

During the Second World war, Mr. Parry served for five years in the RCAF, and at the time of his discharge in 1945, held the rank of flight lieutenant.

'Moth' Plane Explosion Kills Two

BUCKINGHAM, Que. (CP)— Two men were killed when their two-seater Tiger Moth plane crashed in dense bush two miles northeast of here Sunday night.

The victims were identified as Jean Guy Joyce, 33, of Buckingham and Ronald Wholstensen, 26, of Toronto, a Trans-Canada Airlines pilot.
