Water Reveals
Whisky's true flavour

Water (plain or sparkling) is your most reliable guide to the whole truth about any whisky. Water adds nothing, detracts nothing, but reveals a whisky's true natural flavour and bouquet. Put Seagram's "83" to the water test and you'll agree — to be that good with water, it must be a superb whisky and a more satisfying drink with any man's favourite mixer.

More Attacks

CAIRO (AP) — Yemen's minister to Egypt says British forces have resumed attacks on the south Yemen town of Kabaaza. Abdel Rahman Abu Taleb said Tuesday many on both sides were killed and injured in border fighting that began in that area last Friday.

Mount Royal in Montreal was so named by Jacques Cartier after he climbed it in September, 1535.

Firm Suspended As B.C. Brokers

VANCOUVER (CP) — Stewart Smith, B.C. superintendent of brokers, said Wednesday the registration as brokers in B.C. of R. S. Weston and Co. Ltd. has been suspended until April 30.

As a result the Vancouver Stock Exchange suspended the firm's membership on the exchange.

Mr. Smith said the suspensions followed action taken in Calgary where shares in Canadian Scotia, an oil and mining company, were suspended from trading by the Calgary exchange.

The Calgary exchange also suspended Shaw Investments Ltd. in which R. S. Weston and Co. own controlling interest.

Mr. Smith said the action followed irregular trading which had taken place recently in the shares of Canadian Scotia. These shares are not listed on the Vancouver exchange.
