Racing fever grips States on eve of Kentucky Derby

LOUISVILLE, Ky. (AP)— Racing fever, sharpened by one of the most colorful horses in United States turf history, gripped Louisville today with 16 of the country's best three-year-olds ready for the 84th running of the Kentucky Derby.

Although 16 were entered not more than 14 or 15 are expected to be in the starting gate at 3:30 p.m. MDT Saturday at Churchill Downs. The race will be televised and broadcast by CBS.

On the basis of 16 starters the 1¼-mile race before an expected crowd of some 100,000 will gross $163,000. A net of $118,900 goes to the winner. Scratches will reduce the purses by $1,250 for each withdrawal.

Until a few weeks ago this derby figured to be a mediocre race. Then along came Silky Sullivan, California chestnut owned by lumberman Tom Ross and retired cattleman Phil Klipstein, both of San Francisco.

COME FROM BEHIND

Silky Sullivan, author of a dazzling come-from-behind style, doesn't always win. He lost his last two starts at a mile and at seven furlongs. But at the end he was rolling over most of his opposition after shifting into high about a quarter-mile from the finish line.

The favorite is expected to be Tim Tam, son of the great Tom Fool. He is owned by Mrs. Gene Markey's Calumet Farm, winner of six derby runs.

Five killed in bombing

SINGAPORE (Reuters) — A five-death bombing attack on an Indonesian ship was reported today as the embattled Jakarta central government said it was prepared to give the United States a confidential report on Americans participating in the revolt.

Jakarta also said its rebel opponents in Sumatra and the Celebes had received $10,000,000 in war materials, although they had no such sum of money.

Seafood salad tops for lunch

A seafood salad served in pineapple shells makes a delicious main course for a ladies' luncheon. However, the men will not complain if you serve it to them for a spring supper. To make this elegant dish for eight, slice 2 pineapples in half lengthwise through the tops, leaving the greenery intact. With the aid of a sharp knife, scoop out the fruit leaving ¼" to ½" shell. Dice pineapple and measure out 4 cups of it. To the measured amount add the drained contents of either 2 (5 oz.) cans lobster or 2 (6½ oz) can crab, broken into bite-size chunks. Also add ½ cup of chopped walnuts, 2/3 cup of chopped celery, and ½ cup salad dressing. Toss ingredients together lightly, pile high in pineapple shells, and serve.

Quick sauce for fish: Blend 1 (10 oz.) can condensed tomato soup with 2 tablespoons lemon juice and 2 teaspoons of pre?
