## Metcalf Wins Spectator Cup

HAMILTON (CP) — A rink from the Toronto Royal Canadian Curling Club skipped by Bob Metcalf and staffed by three of Saskatchewan's famous curling Campbells, Friday night won the Spectator Trophy at the Hamilton Thistle Club bonspiel.

Metcalf, who was supported by Glen, Gord and Garnet Campbell, yearly Saskatchewan representatives at the Dominion Bonspiel, defeated Bill Currie's Toronto Granite rink 16-6.

Tonight, in Toronto at the Royal Canadian, Metcalf will have to face the three brothers, skipped by a fourth, Don, in the first round of the Labatt Trophy bonspiel.

QUEBEC (CP) — Miss P. St. Hilaire's foursome from Quebec Etchemin Friday night defeated Edmonton's Mrs. M. McLoy 12-8 in semi-final curling play for the Omega Trophy.

The other semi-final contest in the Quebec City Ladies' Granite Bonspiel saw Mrs. A. W. Ahearn of Quebec Winter club advance over Mrs. C. Monks of Quebec Jacques Cartier 8-5.

## Cost Of 'Flu

RED DEER, Alta. (CP) — The public school board in this central Alberta city of 13,000 has a $1,000 bill to pay for substitute teachers, called in when regular staff members came down with influenza.

# Canadian Markets Show Decline, Dull Trading

By RON ANDREWS
Canadian Press Staff Writer

Canadian stock markets this week drifted lower on index in dull, narrow-range trading.

A lack of influencing news left traders in a cautious frame of mind. The markets acted accordingly, going up one day and down the next.

The leadership of Wall Street was evident in Canada but not to the extent of previous weeks. New York markets were also experiencing light volumes and narrow-range trading.

Brokers said one reason behind the caution was the uncertainty of the political situation in the United States. However, this factor did not have the impact it had in the previous five sessions when President Eisenhower's slight stroke sent the market down.

Uraniums drifted lower on the Toronto Stock Exchange, sparked by a sudden drop Wednesday in the price of Consolidated Denison. Rumors said Denison was experiencing difficulties at its mine in Blind River, Ont.

The reports were denied by Denison President Stephen B. Roman, who said the company is meeting its schedules.

**BANKS, STEELS LOWER**

Banks, steels and some utilities edged lower among industrials but the section as a whole was mixed at week's end. Union Gas was a feature, climbing $6 to $71.

High-priced mines, including uraniums, moved down in a $1 range. Most lower-priced issues were moderately easier. Western oils moved in a similar range.

Trading was slower than in the previous week with a volume of $8,183,000 shares compared with 8,870,000. Of 764 issues traded, 242 advanced, 371 declined and 151 were unchanged.

Index changes at Toronto: Industrials off .59 to 410.73; golds off .39 to 69.73; base metals off 1.71 to 152.59; western oils off 2.79 to 134.27.

Index changes at Montreal: Banks off 1.17 to 44.87; utilities off 2.5 to 132.3; industrials off 2.2 to 234.0; combines off 2.3 to 200.1; papers off 7.89 to 1,090.77; golds up 2.40 to 68.90.

Week's volumes: 246,472 industrials and 1,409,331 mines compared with 240,922 industrials and 1,382,461 mines the previous week. Of 359 issues traded, 116 advanced, 124 declined and 119 were unchanged.

## Toll Set at 93

LONDON (Reuters) — Final list of the dead in the Wednesday's south London train disaster stand at 93, a railroad spokesman said today.

Officials on the spot, he said, now are "absolutely sure" there are no more bodies to be recovered from the wreckage.

The figure 93 includes four bodies taken from the wreckage during the night. At that time it was stated that the death toll had risen to 97, but the spokesman explained that earlier counts had been found to be incorrect through double listing and difficulties brought about by multilation of the bodies.

Daily Planet: Was it a serious wound?

Glibb: I'm glad you asked that question. I'll answer this way. The doctors are no longer worried about the president's condition.

Morning Star: Never mind the doctors, Mac. What is the president's condition?

Glibb: Can I trust you to keep his off he record?

Glibb: I hope you will play ball wih me, gentlemen. I'm laying my cards on the table. The truth is that the president, to put it blunly—well, he's dead. Ouch! You don't have to push me aside so rudely and stampede out of here like that. Now you rush into print with a wild story like that, and cotton goes down five dollars overnight—before I nave a chance to sell any of my crop, too.
