SYNDICATE TO HANDLE HEAVYWEIGHT WILLARD

Chicago, Jan. 8.—Jesse Willard, heavyweight, the only man who ever earned and received a popular decision over Luther McCarty, now recognized as the white heavyweight champion of the world, is to be handled by a syndicate here, according to plans under way here today.

Chas. Cutler, who rules Willard's destinies at present, was offered \$10,000 for his interest. The syndicate is composed of Chicago business men.

WOLGAST REFUSES TO MEET SECOND RATERS

Will Not Fight Anyone But Ritchie or Rivers on Washington's Birthday

Los Angeles, Jan. 8.—Back from a hunting trip with Happy Hogan, Tom Jones, manager of Ad Wolgast, declared today that Ad will not meet Tommy Murphy or any other pugilist, except Ritchie or Rivers, in San Francisco February 22.

Ritchie or Rivers are the only ones who would help Ad draw a house and we will loaf before we take on a bout like the Murphy affair Cofforth proposes," said Jones.

MAY MATCH M'GOORTY AND MIKE GIBBONS

Jimmy Cofforth Would Stage Return Match Between the Two Middleweights

Chicago, Jan. 8.—That Eddie McGoorty of Oshkosh and Mike Gibbons of St. Paul will meet soon on the Pacific coast, provided Gibbons is willing, is the report here today following the announcement that Promoter James Cofforth of San Francisco has offered to stage a 20-round battle between them.

The men are to weigh 158 lbs. ringside, it is understood, and the scrap will be termed a championship bout.

PROSPECTS BRIGHT FOR PORTLAND CANAL

Steamer Prince John Left for Stewart Yesterday with a Good Passenger List.

The G. T. P. steamer Prince John left for Stewart yesterday afternoon at 3 o'clock with several passengers for the little mining metropolis. This is the first regular passenger boat that has made the trip there for the last three weeks. Although but a small community at present, the Stewartites feel somewhat aggrieved at the poor service accorded them this winter in regard to mail and passenger boats.

High hopes are expressed by the residents of the northern mining town for good times ahead the coming summer, there being practically an assurance that the first hundred miles of the railroad into the Groundhog Mountain district will be proceeded with. The mining outlook on the Salmon River never was more promising, and altogether there is every indication of a distinct revival of interest in things generally taking place in the Portland Canal district this coming summer.

Amongst the well known Stewartites leaving on the Prince Albert were Jim Mowat, George Hartley, Henry Avison, sanitary inspector; Max Wade, government road foreman, and Mrs. William Bunting, who, with her husband, holds a large interest in the Cascade Falls mining group on the Salmon River.

SUEPOENA IS FINALLY SERVED ON WILLIAM G.

New York, Jan. 8.—Although William Rockefeller, through his counsel, has accepted service of the subpoena requiring him to testify before the Pujo committee, his whereabouts today is as much a matter of speculation as it has been at any time during the forty-five days employees of the House of Representatives have been trying to reach him. Whether Mr. Rockefeller will be able to testify before the committee, notwithstanding the acceptance of service, was still regarded as problematical today.

His physician, Dr. Walter Chapel, asserts that the strain of testifying might result seriously.

EDISON PRODUCES ANOTHER INVENTION

Kinetophone Is New Amusement Device—Combination Moving Picture and Phonograph Machine.

New York, Jan. 8.—Thomas A. Edison gave the first demonstration of his most recent invention, the kinetophone yesterday in his laboratory at West Orange, N. J. The kinetophone is a combination of moving picture machine and phonograph, with a synchronizing device that is a marvel of mechanical ingenuity. The machine will be put on the market in about 30 days.

Seven films were shown, some of them dramatic and some comic, and the auditors were impressed with the perfect illusions. When actors walked down the stage their voices increased in volume as their figures came nearer the beholders.

"This will put the finest operas and best dramas within reach of the poorest man," said Mr. Edison. "For a nickel he will be able to see just as good performances as are now reserved for the rich man only. It will be a big agency for the uplift of the poor."

ROGER GRESNAHAN'S CASE IS SETTLED

St. Louis, Jan. 8.—Attorneys for Roger Bresnahan, the recent manager of the Cardinals, and for Mrs. H. H. Britton, owner of the club, have come to an understanding by which Bresnahan gets a money settlement that is satisfactory both to him and to the club.

Bresnahan can now sign wherever he pleases. He gained his contention that the Cardinals should come to bat with a suitable amount of money while he himself can attach a signature to a contract with whatever club he wishes. The terms of the settlement were private.
