# DISASTROUS FIRE AT PREMIER MINE

# CANADIAN RAIL EMPLOYEES GET PART OF CUT RESTORED

## Power House Burned At Northern Camp--- Operations Continue

**Loss is Placed at $200,000—Production is Expected to Be Only Temporarily Disrupted Following Conflagration**

STEWART, Nov. 3:—No. 1 power house of the Premier mine here was burned to the ground last night with damage estimated at $200,000 covered by insurance. As a result the entire mining operation of the company will be temporarily tied up. Two hundred and fifty men are employed at the well known property.

It is not known as yet, of course, what effect the fire may have on the company's policy with respect to future operation here although it is expected the power plant will be rebuilt and operations continued.

The assistant general manager of the company, B. F. Smith, is at present in Vancouver, having left for the south on Thursday, accompanied by Mrs. Smith.

The fire originated from the exhaust igniting the walls. Within three minutes it enveloped the whole buildin gin a mass of flames. The time was 6 p.m.

Equipment lost included six diesel engines and one Pelton wheel developing some 2280 horsepower.

Only desperate efforts of everyone available saved the loss of No. 2 power house with the hydro plant having capacity of some six hundred horsepower, five hundred feet distant and connected by covered walk.

A general alarm was sounded immediately and all men were pulled off shifts to fight fire.

Community lights came on again at 1 o'clock this morning. The hydro plant was saved plus two deisels at the mine developing three hundred horsepower. This makes available some nine hundred horsepower for carrying on until the destroyed plant can be replaced.

It is understood that production will be maintained at maximum possible with efforts to operate at last part of the concentrator.

In the absence of the manager no official statement is available locally.

## DELEGATE THANKED

**Work of M. P. McCaffery at Victoria Recently, Acknowledged by Chamber of Commerce**

At the meeting of the Chamber of Commerce last night a vote of thanks was extended to M. P. McCaffery for his excellent work at Victoria recently in connection with securing the concession to export hemlock logs from Prince Rupert and also in connection with securing the exemption from the gas tax and other regulations for the local fishing boats and other matters.

Mr. McCaffery, in acknowledging the vote, spoke of the question of the gasoline tax. He had discussed the matter at length with the minister of finance and one of his best talking points was the competition with Ketchikan where fuel could be purchased on the way to the fishing grounds. This argument did not apply to trolling boats.

## OBSERVING ARMISTICE

**Vancouver to Have Ceremonies on Sunday—To Have Non-Religious Observance**

VANCOUVER, Nov. 3:—Armistice Day will be observed on Sunday, November 11 here. On the Monday stores will remain open and business will be carried on as usual.

Archbishop A. U. DePencier of the Anglican archdiocese of New Westminster announced yesterday that he would not attend the Armistice Day proceedings at the cenotaph here this year and also that he had resigned from the committee on arrangements following the decision to make a non-religious observance of the occasion.

Ex-service men's organizations in Vancouver yesterday took control of plans for observing Remembrance Day at the cenotaph and decided to delete all religious references from the program and to follow the model used in Ottawa.

Archbishop DePencier protested at deleting the religious references and, when overruled, resigned chairmanship of the sub-committee in charge of arrangements. "I will not attend the services. They have practically asked me not to," the Archbishop stated.

The veterans took Friday's action after receiving an announcement from Archbishop William Duke of the Roman Catholic archdiocese of Vancouver that the Roman Catholics could take no part in the ceremonies unless the committee rescinded its religious arrangements.

The membership committee of the Chamber of Commerce, headed by Paul Armour, seems to have started out pretty well for, at last night's meeting of the chamber six new applications for membership were accepted, these being from Fred Wesch, Robert Gordon, Tony Christian, C. C. Mills, Charles Currie and George Arnold.

## Timbermen To Handle Effort Log Shipments

At the meeting of the Prince Rupert Chamber of Commerce last night, Weldon McAfee reported progress in connection with the log export efforts. The matter was now being handled by the local Timbermen's Association, the members being Olof Hanson, M. P. McCaffery, G. W. Nickerson, J. R. Morgan and himself, with two or three interior operators. A further meeting would be held next week when the association would elect officers and try to organize the work.

It was pointed out by President John Dybhavn that the Chamber of Commerce had to approve any shipments made. This was part of the order and was for the purpose of safeguarding local interests.

## No Trace is Found Of Missing Indian

## PROTECTION OF HEALTH

The Canadian Social Hygiene Council is making a big bid for the prevention of the spread of disease and is asking for the spending of more money on preventive measures. It points out that, while ill-health costs the people of the Dominion $300,000,000 a year, only $3,000,000 a year is expended on preventive measures. A pamphlet issued by the council says in part:

"We are accustomed to being told that this is a machine age. If people would only learn that their bodies are marvellous flesh-and-blood machines, and would give those machines the same care and attention that expensive machinery receives in an up-to-date factory, there would be less sickness and lower death-rates."

What the writer of this pamphlet misses is the point that man is more than a machine. He is mental or spiritual as well as physical and the mental attitude has a great effect on the physical well being. While it is a good thing to keep the machine in good running order by means of proper food and general living conditions, it is also a good thing not to think too much about sickness and its possibility. Some doctors are said to make their patients ill by suggesting possibilities of illness to them. Other doctors make their patients well without treating them, the health vibrations and spirit of good cheer they bring into a room being sufficient to make the patient better.

## GOOD FOOD AND GOOD THINKING

Good food and good thinking undoubtedly have a great effect on the body and, if the body is strong and healthy, it is likely to be impervious to communicable disease. The body also affects the mind as much as the mind affects the body. Much good can be done by providing healthy environment and, in such diseases as tuberculosis, in giving nature a chance to effect a cure. Venereal diseases also require medical treatment.

Most of us, when we are sick, look to the doctor to set us right. We think that is his business and he should be able to do it. That is what he is paid for. Complaint is sometimes made that people wait until it is too late before consulting them and, possibly, that is right. The danger is that in getting in touch with a member of the medical profession we are making a public admission that we are ill and need help whereas in some cases all that is needed is to let the health idea replace the sickness idea. Eliminate all thought of sickness and get the health habit and the incomes of the doctors will be considerably curtailed but it is difficult to think of health when the tooth is jumping or the appendix is making an attempt to function.

# LOCAL NEWS

Richard L. Pelton, agent for the Yukon and White Pass Route at Atlin, was a passenger aboard the Princess Norah yesterday afternoon going through to Vancouver. He will spend the winter in the south.

Miss Jessie McLenaghan, director of home economics for the Department of Education, Victoria, who is on one of her periodical northern inspection trips, has been at Ocean Falls this week and is returning south from there without coming on to Prince Rupert this trip.

Robert W. J. Reed, who has retired from the United States customs service after having been stationed for years at Wrangell, and Mrs. Reed were passengers aboard the Princess Norah yesterday afternoon going south. After making a trip to California, they plan on taking up residence in Seattle.

George N. Corkle, formerly prominent in local sporting circles during shipbuilding days, was a passenger aboard the ss. Princess Norah yesterday afternoon going through to his home at Victoria for the winter. He has been in the employ of the Yukon and White Pass Route at Whitehorse during the past summer.

The fisheries committee of the Prince Rupert Chamber of Commerce will continue its efforts to try to secure the elimination of the two-cent tax on gasoline used by fishermen. At the meeting last night it was pointed out that the tax did not apply to those boats clearing for the deep sea but that others had to pay.

The Peace River Committee of the Prince Rupert Chamber of Commerce in conjunction with the finance committee will deal with the question of co-operation in presenting Prince Rupert's case to Ottawa in regard to building the railward westward. This was decided upon at a meeting of the Chamber of Commerce last night following the reading of a letter from C. M. F. Planta M.L.A. in regard to printing a bulletin.

## MRS. NYHOLM PASSES AWAY

**Resident of Prince Rupert For Sixteen Years Succumbs After Long Illness**

Mrs. Margaret Nyholm, widow of the late John Nyholm, who died in March of last year, passed away last night in the Prince Rupert General Hospital after an illness of two years from which it had been realized recently there was no hope of recovery. She had only recently returned from Vancouver where she went to receive treatment at the hands of specialists which, however, was ineffectual.

The late Mrs. Nyholm, who resided at 340 Sixth Avenue West, was born in Ottawa forty-eight years ago of Scottish descent. She had resided in Prince Rupert for sixteen years.

Deceased leaves to mourn her loss a son, William John Richards, to whom the sympathy of many friends will be extended.

## Girl Guides Holding Tea and Sale Today

The Sixty-Eighth Company of Girl Guides of the Imperial Order, Daughters of the Empire, is holding a tea and sale of home cooking and candy this afternoon in the vacant store on Third Avenue next to McLaren's music store. Mrs. H. L. Landry is receiving the guests and Mrs. C. Brewerton is assisting the girls in connection with the affair.

Why at 40 You Think You're "GROWING OLD"

*It's Frequently Just an "Idea." Not "Old Age." And According to Scientists, May be Something No More Alarming Than A Touch Of Acid Stomach*

At about 40, many people think they're "growing old." They're tired a lot. Have headaches. Stomach upsets. Dizziness. Nausea.

Well, scientists say the cause, in a great many cases, is merely an *acid condition* of the stomach. The thing to do is simply to *neutralize* the excess stomach acidity.

When you have one of these acid stomach upsets, all you do is take Phillips' Milk of Magnesia after meals and before going to bed.

Try this. You'll feel like another person! Take either the familiar liquid "PHILLIPS'", or the convenient new Phillips' Milk of Magnesia *Tablets*. Made in Canada.

**Also in Tablet Form:**

Phillips' Milk of Magnesia Tablets are now on sale at all drug stores everywhere. Each tiny tablet is the equivalent of a teaspoonful of Genuine Phillips' Milk of Magnesia.

## Moose Hallowe'en Dance Draws Many

**Particular Interest Taken Last Night in Drawing of Prizes In Grand Raffle**

There were some 225 persons present at a highly enjoyable Hallowe'en dance last night in the Moose Hall, the affair being under Moose Lodge auspices. The hall was appropriately decorated for the occasion, excellent music was furnished by Mrs. J. S. Black's Orchestra, Gillis Royer was a genial master of ceremonies and a splendid time was enjoyed by all. At midnight, delicious refreshments were served with Mrs. Ole Stegavig and Mrs. Peter Wingham in charge.

Particular interest was taken in the drawing for the grand raffle, the lucky tickets being drawn by Miss Swanson. First prize went to Ernest Exley, second to Miss Martin and third to Hans Christiansen.

The committee in charge consisted of Ted Rorvik, William Gray, F. Morrison, W. Noble, A. K. Nelson, C. R. Biggart, R. Morrison and L. Parks. Presiding at the door were Jack Ratchford and B. J. Bacon.

## Danskin House Is Destroyed by Fire

**Residence of Sampson McGregor And Most of Contents Consumed by Flames**

The residence of Sampson McGregor at Danskin in the Lakes district, together with most of its contents, was destroyed by fire on October 29, according to word received at divisional headquarters of the provincial police. Mr. and Mrs. McGregor were away at the time in Ontario, Joseph White being in charge of the house. With the assistance of Arthur Halleran, formerly of Prince Rupert, who is the school teacher at Danskin, White was able to save from the burning house trophies belonging to the Danskin Farmers' Institute as well as a few other articles.

## BANQUET IS HELD

**Sixty Present at Annual Affair Of Canadian National Recreation Association**

The annual banquet of the local Canadian National Recreation Association was held last night in the Commodore Cafe and was an event of much pleasure and enjoyment for the sixty or so persons in attendance under chairmanship of W. H. Tobey, divisional superintendent and president of the association. After full justice had been done to a splendid banquet spread, a delightful program was offered. A feature of the evening's proceedings was the presentation to the various winners of awards in the several athletic competitions of the past summer season. Robert E. James was chairman of the general committee responsible for the arrangement of the banquet.

The program included piano duets by Misses Ruth Gillies and Margaret McCaffery, address of welcome by Mr. Tobey, vocal solos by Miss Betty Cameron, exhibition of scenic moving pictures by Joseph Wickett, car dtricks by M. J. Dougherty, vocal solos by J. A. Teng and address by M. A. Burbank. Miss Margaret McCaffery was piano accompanist for the evening.

The Sir Henry Thornton Shield was presented by M. A. Burbank, the other presentations being made by Mr. Tobey.

## Hallowe'en Dance By Sons of Norway

**Forty Couples in Attendance at Enjoyable Affair in I. O. O. F. Hall Thursday Night**

Following a regular meeting Thursday night, there was an enjoyable Hallowe'en dance for members of the Sons of Norway Lodge. Music was by Julius Welle's Orchestra and dancing kept up in full swing from 10 p.m. until 3 a.m. The hall was tastefully decorated with Hallowe'en colors and emblems. At midnight delicious refreshments were served. Some forty couples were in attendance and Hans Peterson was master of ceremonies.

Mrs. John Murvold was general convener. Mr. Murvold, who is president of the lodge, officiated at the door.

At the Prince Rupert Chamber of Commerce meeting last night a communication was read from B. T. Chappell, general superintendent of the Canadian National Railways, stating that the company would, whenever possible, give Prince Rupert boys an opportunity to secure positions on the company's coasting vessels.

## Few Minutes Eases Neuritis Pains Now!

DISCOVERY BRINGING QUICK RELIEF FROM PAIN TO MILLIONS

Remember the pictures below when you want *fast* relief from pain. Demand and get the method doctors prescribe—*Aspirin*.

Millions have found that *Aspirin* eases even a bad headache, neuritis or rheumatic pain often in a few minutes!

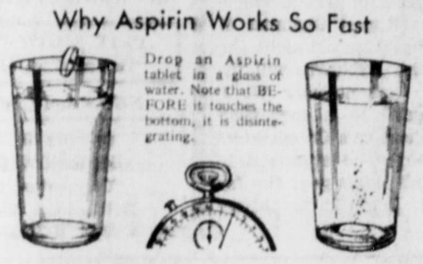
In the stomach as in the glass here, an *Aspirin* tablet starts to dissolve, or disintegrate, almost the instant it touches moisture. It begins "taking hold" of your pain practically as soon as you swallow it.

Equally important, *Aspirin* is safe. For scientific tests show this: *Aspirin does not harm the heart.*

Remember these two points: *Aspirin Speed* and *Aspirin Safety*. And, see that you *get ASPIRIN*. It is made in Canada, and all druggists have it. Look for the name Bayer in the form of a cross on every *Aspirin* tablet.

Get tin of 12 tablets or economical bottle of 24 or 100 at any druggist's.

Why Aspirin Works So Fast



IN 2 SECONDS BY STOP WATCH — An Aspirin tablet starts to disintegrate and go to work.

What happens in these glasses happens in your stomach—ASPIRIN tablets start "taking hold" of pain a few minutes after taking.

Charles Stuart has just received word that he ranked first in the civil service examinations held last August 21. Already he has been given a position in the post office.

At the meeting of the Chamber of Commerce last night the President reported that at the request of the Smithers Chamber and Olof Hanson, he had interviewed Alistan Fraser, vice president of the C.N.R., at the time of his recent visit and secured the continuation of the special low rate on hay shipments south from the Bulkely Valley.

The Chamber of Commerce heard last night at its regular monthly meeting that the Indian Department at Ottawa was taking up the question of Indian police receiving a share of the proceeds of fines against which protests had already been received by the department. Replies came direct from Ottawa and also through Olof Hanson, M.P.

**Trolling Practically Over in This District—Some Boats Still Busy—Next Few Days Will See Final Halibut Landings**

Except for a few boats which have been operating at Skidegate Bar, Queen Charlotte Islands, where a late run of fish was continuing, salmon trolling is now practically over in Prince Rupert district. The fleets of packers have been tied up for the winter, including those of the Canadian Fish & Cold Storage Co., and the camps brought in.

Most of the trolling boats have returned to their winter mooring places. Among the Prince Rupert boats which have been at Skidegate Bar are the Johanna, Capt. John Wick, and Kaien, Capt. Ole Stegavig. They are expected home within a day or so.

Capt. M. H. Macpherson left this week-end with the Impereuse for Naden Harbor, Queen Charlotte Islands, where he will engage in fishing scrapfish bait for use of the crab fishermen of Sam Simpson's crab cannery.

The Unome, Capt. David Ritchie, is continuing to make regular trips once or twice a week for flatfish which are being disposed of to the Bacon Fisheries for sale mostly on the local retail market. The Thresher, Capt. Ted Shrubsall, assisted by William Bagshaw, is taking shrimp and whitefish in the harbor daily also for the Bacon Fisheries.

With all the boats of the Pacific Coast fleet expected to be accounted for with their final catches within the next few days following the closing of the season last Saturday, the halibut catch at the port of Prince Rupert for the 1934 season up to and including today has reached a total of 14,131,765 pounds as compared with 13,349,200 pounds at a corresponding date last year. Canadian landings for this year to date have reached a total of 5,855,765 pounds as against 5,209,000 pounds last year while the American total is 8,276,000 pounds in comparison with 8,140,000 pounds a year ago. During the past week landings have totalled 225,400 pounds of which 38,000 pounds was from Canadian boats and 187,400 pounds from American. The top price of the week for Canadian fish was 6.5c and 5c which the Teeny Milly, Margaret I and Cape Beale received for catches of 7,000, 10,000 and 13,000 pounds respectively and the low 6c and 5c which the Embla was paid for 8,000 pounds. For American fish the high bid of the week was 9.7c and 6c received by the Majestic for 24,000 pounds and the low 7c and 6c paid the Constitution for 20,000 pounds.

There were 118 passengers arriving here aboard the steamer Princess Norah which was in port from 4 to 5 o'clock yesterday afternoon southbound from Skagway to Vancouver. Five persons disembarked from the vessel here while one boarded here at this port for Vancouver. The southbound list of the vessel included Capt. Robert McDonald and members of the crew of the Atlin Lake steamer Tutschi going outside for the winter.

**Hunting at Port Clements**

Having on board a party of bird hunters consisting of Capt. W. P. Armour, W. M. Blackstock, F. A. MacCallum, W. O. Fulton, S. E. Parker, A. D. Gillies and William Reid, the Armour Salvage Co.'s service boat Salvage Princess sailed last evening for Port Clements. Return to port is expected to be made on Tuesday morning.

While on a cod fishing trip to Capt Flattery waters, the Seattle halibut boat Gloria, well known at Prince Rupert, took fire on Monday of this week and sank after being abandoned by her crew consisting of Capt. George Kilby, owner and skipper, Hans Hartman, Victor Jacobsen, Olof Molnes and a cook. The cause of the fire was not determined. After a vain fight to save the vessel from destruction, the members of the crew took to the lifeboat and made their escape.

At a meeting held at the home of E. C. Stevens at Skidegate with Robert Scharffe acting as chairman and R. G. McKenzie secretary it was decided to write to Olof Hanson, M. P. for Skeena, protesting at the two-cent tax on gas as it affects the fishermen. Mr. Hanson is being asked to take the matter up with the provincial authorities.

A 16 h.p. Regal engine has been received by Edward Lipsett Ltd. for the order of Mike Haapala who will have the motor installed in a 36-foot trolling boat he is having built at one of the Japanese yards in Low Bay. A 16 h.p. Regal engine is also being installed by Alf Hanson in his troller Sea Star while a 14 h.p. Regal is going in Nils Antonsen's Roald, both being replacements of motors of other makes.

Union steamer Cardena, Capt. Ernest Georgeson, arrived in port at 12:15 midnight last night from the south and sailed an hour and a half later on her return to Vancouver and waypoints.

Frank Waterhouse freighter Northolm, Capt. Henry Porritt, arrived in port yesterday afternoon from Vancouver with general cargo.

The only Canadian halibut boats now remaining to report with final catches of the season following the closing of fishing a week ago are the Takla, Capt. Chris Parkvold, Lyscekil, Capt. Al Woie, and Signal, Capt. Paddy Ivarson. They will probably be in by Monday.

The local halibut boat Pair of Jacks, Capt. Axel Peterson, is engaged just now in fishing black cod for the Canadian Fish & Cold Storage Co.

# Scotch Hallowe'en Dance is Enjoyed

**Fair Attendance at Function Held Under Auspices of Oddfellows' Lodge**

A delightful Scottish Hallowe'en dance was held in the Oddfellows' Hall by the Oddfellows' Lodge, there being a fair attendance at the event. Music was by the Scottish Orchestra and James Hadden was master of ceremonies. Dancing was in progress from 10 p.m. until 2 a.m. and delicious refreshments were served at midnight. The committee in charge consisted of James Hadden, J. L. McIntosh and Norman Moorehouse.

At the request of the members of the Prince Rupert Chamber of Commerce in meeting last night, the president, John Dybhavn, will interview City Commissioner W. J. Alder in regard to a suggestion from the Fishermen's Co-operative Association that the approach to the fishermen's floats near the far end of the drydock be better lighted.
