GT. BRITAIN HOPES FOR EMPIRE SUPPORT IN TARIFF WAR

Dominions, of Course, Have Full Say As To Japanese Restriction

Formal Protest Against Newly Imposed Adverse Quotas Will be First Gun Fired by Tokyo, it is Indicated in High Government Quarters

LONDON, May 9: (CP)—While the British government would like to see the great Dominions follow its lead in imposing restrictions on Japanese exports to the colonies and British Isles, the government fully realizes that any such step would be purely a matter for the initiative of the Dominion governments. It was intimated that the home government does not definitely expect any such action.

Protest By Japan

TOKYO, May 9: (CP)—Formal protest against Great Britain's newly imposed quotas on Japanese imports will likely be the first gun fired by Japan in the trade war, it was indicated in high government quarters today.

JUDGMENT IS GIVEN

P. J. McGettigan Awarded $915 From Canadian National Railways in Supreme Court

Mr. Justice Harold B. Robertson, in Supreme Court here today, allowed a total of $915 to P. J. McGettigan of Savory against the Canadian National Railways in a suit involving the running over of cattle belonging to plaintiff by engines and trains of the defendant company. The plaintiff sued originally for approximately $2000, about $300 of which was abandoned before the suit was heard. Thirty animals were involved, these, it being claimed, having been killed over a period of about two years. The $915 allowed was in respect of seventeen animals. Costs were ordered set off between the two parties in accordance with the amount recovered.

L. W. Patmore acted as counsel for the plaintiff and J. T. Harvey for defendant.

The hearing of this case concluded the spring session of the Supreme Court here. In a second civil case which was on the list Charles Biggart vs. J. A. Johansen and John Iverson in which $1500 is claimed by plaintiff on a promissory note, the suit as far as Iverson is concerned has been dropped while the action against Johansen is stood over until next court. A divorce petition of Joseph Paulis vs. Evelyn Paulis has also been set over until next court.

Famous Topley-Richfield Mine Being Re-Opened at Once With Vancouver Interests Backing

Reporting that he had made arrangements for the immediate re-opening of the Topley-Richfield mine for development and mining and for the financing of this season's development program on the Jessie Gold Mines Ltd. property, L. S. McGill, well known Smithers barrister and mining man, arrived in the city on the Prince George this morning from Vancouver after having spent the past eight weeks in the south on mining business.

The announcement in regard to the Topley-Richfield is of particular interest as this well known property, which was at one time considered one of the most promising in the central interior, has been idle for some years following the death of its original owner, the late Frank H. Taylor. Last year Mr. McGill, L. B. Warner and a syndicate including other Smithers men acquired the property and, during his trip south, Mr. McGill was successful in making arrangements whereby Vancouver interests will reopen it, probably within the coming week. Representatives of these Vancouver interests are already travelling north by motor and expect to be on the ground by the end of this week to get work started. Equipment is also being brought north at once. Operating on a small scale this year, the intention is to carry on actual mining of ore on hand and development work simultaneously.

The financing arrangements for the Jessie mine will provide for a development program this season including the driving of two tunnels, the continuing of the present one and the commencement of another lower one. The work will start in the near future and the plan is to instal compressor and equipment which will greatly expedite operations.

INDICTMENT IS REFUSED

PITTSBURG, May 9: (CP)—A federal grand jury yesterday freed Andrew W. Mellon, former Secretary of the Treasury and United States ambassador to London, when it returned "no bill" to government charges of violation of the federal income tax laws. It was claimed that Mellon owed the treasury almost $2,000,000 in back income tax for 1931. Mellon asserted that he does not owe a penny but that, if anything, he had overpaid.

READY FOR UNION

It is suggested that the proposal of an adjustment of the present over-capitalization of the Canadian National Railways is a step leading up to the amalgamation of the two big Canadian systems. No amalgamation could possibly take place on the present basis and the National system is loaded with old debts which would have to be wiped out. Once the C. N. R. is relieved of the burden of about half a billion dollars it is claimed that no obstacle would then be in the way of the unification of the railways under one active head except the will of the people and that may change at any time.

Sir Henry Thornton when in charge of the National Railways, advocated a change in the nominal capitalization because, if he showed a profit, the percentage on so large a capitalization was very small.

VISITING ARTISTS

Prince Rupert people have had the opportunity recently of hearing two splendid artists, one a pianist and the other a vocalist. Their visit has been an inspiration to the young musicians of the city, some of whom aspire to great things. To hear and see the performers is quite different from listening to them over the radio although the latter is a good substitute.

Become Runners-Up in National League—Senators in American Second Place

PITTSBURG, May 9: (CP)—Runners-up honors in both the National and American Leagues changed hands yesterday.

The Pirates defeated the Brooklyn Dodgers here to take second place in the senior circuit, half a game behind the leading New York Giants who lost to the Reds at Cincinnati and ahead of the Cubs who lost a heavy-scoring engagement to the Phillies at Chicago. The Senators continued their winning streak at Washington by defeating the lowly Chicago White Sox by the odd run to take second place in the American League from the Cleveland Indians who were shut out by the Philadelphia Athletics at Shibe Park.

The Detroit Tigers won over the Red Sox at Boston to advance to fourth place in the American League, the Sox dropping into fifth place tied with the Athletics.

Yesterday's Big League scores:

National League

Brooklyn 2, Pittsburg 5.
New York 3, Cincinnati 7.
Philadelphia 13, Chicago 6.
Boston 4, St. Louis 5.

American League

Cleveland 0, Philadelphia 2.
St. Louis 3, New York 8.
Detroit 5, Boston 1.
Chicago 6, Washington 7.

SPORT CHAT

Washington Senators continued their upward swing in the American League Monday by defeating the Chicago White Sox to move into third place ahead of the Boston Red Sox who were losing a close decision to the Detroit Tigers at Boston. The St. Louis Cardinals won over the Boston Braves at Sportsman's Field to displace the Bostonians from fourth place in the National League.

New York continued supreme in both circuits, the Giants retaining a half game margin in the National League by winning over the Reds by the odd run at Cincinnati while the Chicago Cubs kept pace in second place by blanking the Phillies at Wrigley Field. In the American League, the Yankees' lead was increased to two and a half games as a result of their heavy victory over St. Louis Browns at Yankee Stadium while the Cleveland Indians were losing to the Philadelphia Athletics at Shibe Park.

FINAL ON LIBRARY FUND

Editor, Daily News:—

Once again, through the medium of your valuable paper, I wish to express my deepest appreciation to the citizens of Prince Rupert who contributed to the success of the Library Patron's Fund.

The committe was successful in raising the nice sum of $744.40 which far exceeded our expectations and it is hoped that it will aid materially in assisting the library board in its good work.

It is rather impossible to thank every one who assisted in this campaign, but special mention is due the members of the Patron's Committee, more especially W. Cruickshank, the representatives of organizations who distributed tickets, as well as those who sold them.

I wish also to thank the basketball teams, Tommy Morgan and all those who took part in boxing and wrestling matches, the Moose Lodge for assistin gin renting us the Hall at a special rate for both the basketball games and the smoker and all the organizations who made cash donations, also Silversides Bros. for making and donating the thermometer placed in front of the library.

My thanks are due to all who donated the use of their home and those who participated in the telephone bridge on Monday, April 16.

Last but not least I wish to thank you Mr. Editor for your valuable assistance in allowing us freely of your valuable space.

Library Patron's Committee,
S. J. JABOUR,
Chairman.

"NEWS FLASHES"

Production of General Motors of Canada during March set a new high mark for the year to date and shattered all monthly production records for the past thirty-four months. The output for the month was 70% ahead of 1933.

Domestic and export production for the period January 1st to April 10th, 1934 was 46.8% in excess of the same period during 1933.

Retail sales of General Motors products in Canada during the period January 1st to April 10th, 1934 were 31.6% ahead of the same period in 1933.

Orders on file greatly exceed those of any similar period since 1929.

Business is excellent, and our management are doing everything that is humanly possible to meet the unprecedented demand for General Motors products.

Yours very truly,

Arrangement has been made by Dr. J. T. Mandy, resident mining engineer, for an exhibition in the City Hall Friday evening of moving pictures of the Unuk River mining activities and scenery. These will be explained by S. L. Coulter, mining engineer for the Premier Company, who is at present in the city. Ten reels of films will be shown, commencing at 8 o'clock. The pictures were taken by Thomas MacKay, accountant for the Premier Co. and pioneer boy of Prince Rupert, who visited the Unuk country last year.

DR. MANDY WAS HEARD

Resident Mining Engineer Gives Lecture Before Large Terrace Gathering

TERRACE, May 9:—On Thursday last Dr. J. T. Mandy, resident mining engineer addressed a well attended meeting of the Board of Trade. In order to accommodate the large number who wished to hear the doctor upon the subject of mining, Mr. Willie placed the comfortable Green Room at Terrace Hotel at their disposal. Dr. Mandy made special reference in his lecture to the subject of "intrusions" and pointed out to possible prospectors that there was hope of finding gold-bearing rock in hitherto unprospected ground and within the intrusions themselves.

Altogether, the address was most instructive and people who, previously, had only the haziest notion about the Pacific Coast batholith, alongside which Terrace stands, came away much enlightened.

LOCAL NEWS

Mr. and Mrs. Harry Zeffertt and family of Stewart, who have been on a trip to Vancouver, are passengers aboard the Prince George today returning north.

Garfield McKinley, son of Mr. and Mrs. J. W. McKinley, returned home on the Prince George this morning from his studies at the University of British Columbia in Vancouver.

C. N. R. steamer Prince George, Capt. H. E. Nedden, arrived in port at 10:15 this morning from Vancouver, Powell River and Ocean Falls and will sail at 4 o'clock this afternoon for Anyox and Stewart whence she will return here tomorrow evening southbound.

Union steamer Catala has added Georgetown (Big Bay) to her list of calls north of here, putting in there when cargo offers at the McAfee and Sunbury box factory. Yesterday morning the vessel was there loading boxes for the Canadian Fishing Co.'s cannery and cold storage plant at Butedale.

Dr. and Mrs. H. C. Wrinch arrived in the city on the Prince George this morning after having spent the past few weeks in Vancouver and Victoria. While in the south Dr. Wrinch attended meetings of the newly created provincial economic advisory council of which he is a member. He and Mrs. Wrinch will proceed to their home in Hazelton on this afternoon's train.

SHE ATE ALL-BRAN TWELVE YEARS WITH FINE RESULTS

Delicious Cereal Relieves Constipation

Read this very enthusiastic letter:

"Something like eleven or twelve years ago, I began eating Kellogg's ALL-BRAN. When I started, it was called simply Kellogg's Bran, and I believe it was one of the first products of the kind on the market.

"My friends often laugh at my fondness for ALL-BRAN. It gives such a *clean* taste in the mouth, and I do not feel satisfied until I have had my ALL-BRAN.

"If the Kellogg Company should ever stop manufacturing ALL-BRAN, here is one who would be greatly disappointed."—Miss Amy Person (address furnished upon request).

Science says that ALL-BRAN provides "bulk" to exercise the intestines, and vitamin B to further aid regularity. Also iron for the blood.

The "bulk" in ALL-BRAN is much like that of leafy vegetables. How much safer than taking patent medicines—often harmful. Just eat two tablespoonfuls daily for most types of constipation. For serious cases, try it three times daily. If not relieved this way, see your doctor.

Sold in the red-and-green package. At all grocers. Made by Kellogg in London, Ontario.

Halibut Production Almost Up To Last Year; Seattle Salmon Price; Fish Poisoning at Ketchikan.

According to official figures of the International Fisheries Commission a total of 7,137,829 pounds of halibut have been landed on the Pacific Coast from Area No. 2 up to the end of April this year as compared with 7,294,793 pounds up to the same date last year. From Area No. 3 a total of 5,410,616 pounds has been landed as against 5,249,922 pounds last year. Of the total taken from Area No. 2 this season so far the United States fleet was responsible for 4,119,778 pounds as compared with 5,116,022 pounds in 1933 to the corresponding date while the Canadian fleet this year so far had taken 3,018,051 pounds in comparison with 2,178,771 pounds. As for Area No. 3 the American fleet, as usual, has taken the large bulk of the total, namely 5,279,029 pounds as compared with 5,107,567 pounds last year while the Canadian fleet has brought in but 131,587 pounds from the westwards in comparison with 142,355 pounds last year. During the month of April this year a total of 4,022,517 pounds was landed from Area No. 2 of which 2,281,252 pounds was by American boats and 1,741,265 by Canadian. Area No. 3 in April yielded 2,260,864 pounds, 2,224,359 pounds of which was brought in by the United States fleet and 36,505 pounds by the Canadian.

Having made an exceptionally speedy voyage north, C. N. R. steamer Prince John, Capt. Edward Mabbs, arrived in port at 11 o'clock last night from Vancouver via the Queen Charlotte Islands, bringing passengers, mail and freight. She will remain here until 10 o'clock Friday night when she will sail on her return south over the same route.

The first two trollers of the season to sell their catches at Seattle were the Astrid II with 1400 pounds and the Julie with 2700 pounds. For large reds 15c. per pound was paid, for small reds 13c. and for whites 9c. The Alaska trolling fleet is still tied up owing to failure of the fishermen and companies to agree on price but it was reported that there had been informal conversations yesterday between representatives of the fishermen and companies at Ketchikan.

Halibut business was light at Ketchikan Monday, only two small boats being in with a total of 1800 pounds which they sold to the Haricastle Fish Co. for 7c. and 4¼c.

There are five patients at present in the Ketchikan hospita suffering from blood poisoning as a result of handling fish. This is a very easy form of infection to contract and is common at all fish handling ports including Prince Rupert.

INJURED IN BUS SMASH

Party of Hotel Greeters, Enroute From Vancouver to Harrison Lake, Has Mishap

VANCOUVER, May 9: (CP)—Six persons are in hospital here following a motor bus accident near Mission.

A broken spring caused the bus to run into a telephone pole and 18 out of 35 passengers were injured, the three most seriously hurt being Lee Smith, manager of the hotel at North Bend, B.C., suffering from broken ribs, cuts, bruises and shock; Mrs. J. C. Labelle, wife of the manager of the Dunsmuir Hotel, Vancouver, and Mrs. A. Drage of Armstrong, cuts, laceration and shock.

The party consisted of members of the Hotel Greeters of America enroute from Vancouver to Harrison Hot Springs.

FILM PLOT DRAMATIC

Fredric March, Miriam Hopkins, Helen Mack and George Raft Starred in "All of Me"

With Fredric March and Miriam Hopkins as products of the Park Avenue social world and George Raft and Helen Mack as graduates of the slum sidewalks, "All of Me," the mid-week feature picture on the screen of the Capitol Theatre here, is a forceful romantic drama of an odd and interesting type.

Miss Hopkins, as a young debutante, wants love and finally learns the difference between her kind of romance and real love. March has the part of a college professor-engineer who is in love with Miss Hopkins and wants her to go West with him on an engineering project. She, however, rebels at life in a small town. In the meantime, they become interested in a pair of demi-monde lovers, Raft and Miss Mack, who are railroaded into prison and whom they endeavor to assist. A dramatic climax is unfolded which, after exciting complications are cleared up, sends Miss Hopkins hurrying to March's arms and heart.

Other well known members of the cast include William Collier sr., Blanche Frederici, Laura La Marr and Jason Robards.

Angus Gillis, son of Mr. and Mrs. J. J. Gillis, has assumed duties as messenger for the Government Telegraphs here. He succeeds Max Larkin who resigned recently.

CHILDAR AT ESQUIMALT

Norwegian Motorship, Which Was Stranded Off Columbia, to Be Docked There

VICTORIA, May 9: (CP)—The Norwegian motorship Childar, which stranded last week at the mouth of the Columbia River in a storm, four members of her crew losing their lives, has been towed into Esquimalt by the United States coastguard cutter Red Wing. The vessel is badly damaged, her hull being buckled and cracked across the shelter deck and top sides swept clean.

All cargo, consisting largely of British Columbia lumber which was destined for South Africa, is being unloaded preparatory to the vessel being dry docked for survey.
