RAILWAYMEN WITHDRAW FROM THE TRADES AND LABOR COUNCIL AT VANCOUVER; CHARTERS REVOKED

Railway Shop Workers Object to Persistent Efforts to Compel Them to Join Sympathetic Strike; Some Winnipeg and Edmonton Locals are Being Cut Off from International.

(Special to The News via G. T. P. Telegraphs.)

Vancouver, June 9.—The Federated Trades Union, embracing all the railway shop workers with the exception of the blacksmiths, has voted to withdraw from the Vancouver Trades and Labor Council.

It is stated that this action was decided upon owing to the persistent efforts of the Trades and Labor Council to have the shopmen join the sympathetic strike.

Victoria, June 9.—The Victoria unions will hold a meeting tonight or Tuesday for the purpose of deciding whether they will go on strike. E. S. Woodward, president of the Trades and Labor Council, who has been to Vancouver to investigate strike conditions, is to address the gathering.

Washington, June 9.—Martin F. Ryan, president of the Brotherhood of Railway Carmen, has revoked the charters of two local unions of the order at Winnipeg and a third at Edmonton on the ground that action in appropriating money for organizing the One Big Union which has led to the strikes now progressing in Western Canada is in disregard of the union law. Other heads of international unions are said to be preparing similar orders.

ALLIES WILL GIVE GERMANY INFORMATION

(Special via G. T. P. Telegraphs.)

Paris, June 8.—It is probable the Allies will comply with the German demand for information as to the full amount of the indemnity demanded of them. The amount is said to be two hundred billion francs. This is about forty billion dollars.

The Grand Trunk tug Lorne which returned from the Islands on Friday with a scow load of lumber is now on drydock undergoing slight repairs.

MARGIN OF TWO ON STRIKE VOTE TAKEN YESTERDAY BY THE UNION WORKERS HERE

SEVERAL UNIONS WILL REFUSE TO OBEY MANDATE; MOST OF THOSE IN FAVOR OF IDLENESS ARE ALREADY OUT

The union men of the city by a two-thirds vote decided yesterday in favor of a general strike here. The total vote allowed was 515, of which two-thirds would be 343, so that the strike carried by two-thirds.

The Longshoremen who are already out on strike voted 74 to 0 in favor of bringing the rest out, and the B. C. Loggers, which are mostly laborers working at Morgan's, voted 98 to 4 for a strike. These men are already out. The retail clerks who voted 44 to 3 against a strike have decided not to go out, and the Typographical Union which was the only union solid against the strike, voted 7 to 0 for staying at work. They have wired their headquarters for instructions, which of course will be that they stay at work. The following is the complete list of votes taken:

	For	Against
Engineers	11	16
Longshoremen	74	0
Fish Packers	39	5
Typographical Union	0	7
Fishermen	21	2
Carpenters	19	43
Mine, Mill and Smelter	12	3
Carmen	14	3
Machinists	15	11
Retail Clerks	3	44
Electrical Workers	2	11
Boilermakers	8	5
Transit Workers	13	14
B. C. Loggers	98	4
Canadian Brotherhood	15	3
Total	345	170

A number of new men were enrolled and an attempt was made to vote them directly the cards were issued, but over forty of these were disallowed.

The carpenters are meeting tonight at 7 to decide whether they will strike or remain at work. The electricians, it is understood, will ignore the call.

A meeting of the Trades and Labor Council will take place tonight to decide when the strike is to commence.

EUGENE DEBS REPUDIATED BY UNION MEN

Resolution Asking for Clemency Precipitates Storm in Federation Meeting.

(Special via G. T. P. Telegraphs.)

Atlantic City, June 9.—Organized labor repudiated Eugene V. Debs and all other agitators convicted of efforts to embarass the Government in carrying into effect the selective draft law.

A resolution appealing for clemency for Debs precipitated a storm in the convention of the metal trades department of the American Federation of Labor. The overwhelming vote registered proved the hopelessness of reviving the controversy.

It is understood that a similar defeat awaits the plans of the radicals who propose to bring up the question in general convention next week.

STRIKE CAUSES CITY TO LOSE FISH SALES

Few Boats Sold Catches Yesterday At Ten and a Half Cents.

The following boats arrived in port on Saturday and discharged their fish yesterday: The Canadian boats were, Kinmont, 4,000 lbs.; Viola, 4,000; N. & S., 12,000; Tramp, 7,000; Tulip, 1,800 lbs. The American boats were, Woodrow, 10,000 lbs., and Bartalome, 5,000 pounds.

The selling price was 10.5c per pound.

The Canadian fishing boat Alliance with 25,000 lbs. and the American boats Edsvold, 10,000 and the Baralome, 5,000 lbs., sailed for Seattle on Sunday and will dispose of their catches there. The trawler James Carruthers returned from the banks on Sunday with 70,000 lbs. of halibut for the Canadian Fish and Cold Storage Co.

The salmon catches have been very small for the past few days and minor sales were made during the week end.

It is generally thought in waterfront circles that the smaller fishing boats now out will sell their fish at Ketchikan, the larger ones going to Seattle.

BIG PLOT TO DEFRAUD U.S. GOVERNMENT

Munitions From Detroit Were to Be Shipped to Mexico and Thence to Germany.

(Special via G. T. P. Telegraphs.)

Detroit, June 9.—Department of Justice officials have nipped in the bud an alleged plot to defraud the Government of the United States out of $30,000,000 worth of munitions and supplies.

It is charged that the supplies were to be sold to the militarist group in Germany.

Four men, including the financial manager of the U.S. Ordnance Department have been arrested for complicity in the plot.

It was agreed that bids be made on munitions which the Government was to salvage in Detroit and that all bids except those sent in by the alleged clique would be rejected.

Last week the bids were submitted on $300,000 worth of munitions which the alleged plotters intended to ship to Mexico and thence to Germany.

RESENT BEING DRIVEN TO STRIKE BY ALIENS

Some of the local union workers are becoming dissatisfied at the way in which they are being railroaded into a strike. They claim that there were nearly one hundred aliens voting on the strike proposal yesterday and that practically everyone of them voted to go out.

Another objection taken is to the fact that almost all those already out should have been disqualified from voting.

(Special via G. T. P. Telegraphs.)

Plymouth, England, June 9.—Fifteen hundred British troops in General Allenby's force in Egypt and Palestine, who returned here after having served at Gallipoli and in Mesopotamia, Palestine and the Balkans refused to entrain for isolation camps. The order was given because six cases of smallpox had been discovered during the voyage to England.

The soldiers who had entrained left the cars and others refused to enter.

The authorities finally gave way and the men went to the demobilization centres instead of the isolation camps.

(Special via G. T. P. Telegraphs.)

YOUNG HERO OF ZEEBRUGGE IS RECOGNIZED

Banquet and Presentation to Lieut. Alex. McB. Young on Saturday Evening.

A large number of the friends of Lieut. Alex McB. Young, R. N., gathered at the Prince Rupert Hotel on Saturday evening where they entertained him at a banquet and presented him with a fine gold watch as a mark of appreciation of his services overseas.

C. H. Orme presided and the majority of the business and professional men of the city were present.

The presentation was made by Art. Noble who read the address which recounted some of the services which had been rendered by the young officer and expressed appreciation of those services and good wishes for his future welfare. The address was printed in gold and was signed by all those present.

The Reply.

In replying Lieut. Young spoke of the many friends that he had found since his return, and there were no friends like the old friends. He told a number of humorous anecdotes and thanked them all for the kind expression of their confidence. He was not able offhand to give an account of the strenuous times at Zeebrugge but at some future time he would be willing to tell them all about it.

Canon Rix.

Canon Rix told what a pleasure it was to see so many of the boys come back. He liked to see that button on a man's coat. There were no better citizens than those who had gone overseas to fight for their country. Not many had gone to the navy, but it was nice to have some. The navy was the only part of the Empire that was prepared when war broke out.

Canon Rix gave an interesting resume of the war developments, dealing particularly with the navy and the work of the submarines. He told of the various actions which made the people anxious and then came the Zeebrugge affair in which a man from Prince Rupert had volunteered and it was to his eternal credit that he did it. It was one of the most heroic deeds ever performed by the British navy. One of their great joys today was to feel that the manhood of the nation was not one whit less manly than it was a thousand years ago. The war had proved that we were not a decadent nation.

Becoming more personal in his remarks the canon expressed the opinion that Lieut. Young had much to be thankful for in his father. He hoped he would reside here and be among the leaders of the place.

American Consul.

The American Consul, Mr. Wakefield, gave an eloquent address in which he spoke of the experiences of those who went overseas and he felt it was up to him to express the appreciation his country felt for the services of the British navy. The Americans could never have landed troops in France if it had not been for the navy. He spoke of the spirit of brotherhood between the two nations.

In connection with the present parlous time he advised that all approach the questions of the day in the spirit of justice in order that a just solution may be arrived at.

Mr. Collart, Belgian vice-consul, also made a neat speech of appreciation.

In reply Lieut. Young thanked them all. He said that the Zeebrugge raid followed a well defined and fully matured plan. All knew what to do and each man carried out his instructions.

The gathering then broke up with the cheers for the young hero of Zeebrugge.

SWIMMING AT SALT LAKES

Season Opened Yesterday With a Good Crowd of People Present.

The swimming season opened yesterday at the Salt Lakes with several hundred people present. The warm sunshine proved most inviting and the water, while not yet what might be termed comfortably warm, was sufficiently attractive for most of the visitors to bathe. Among those present were a number of the city aldermen who were anxious to see how the Swimming Club was spending the money which they had voted.

The expressions of appreciation of the work of the club were general. The cleaning up which had been done, the building of the dam, the beach for the younger folks and all the other improvements were subjects of comment. The water is not yet raised to its full level but even as it is, the improvement is very considerable.

"THE SOUL OF BUDDHA" AT THE WESTHOLME

Theda Bara in Characteristic Role Is Star in Splendid Photoplay.

One of the greatest favorites on the screen, Theda Bara, the great exponent of the "vampire" role, is billed to appear at the Westholme Theatre this evening in "The Soul of Buddha." This is a photoplay with a particular attraction, first of all because of the star, and also because of the play itself. It is one in which Theda Bara has an opportunity of the finest kind of displaying her talent.

There is as well a Fox Comedy, which is worth seeing.

SPARKLING COMEDY AT EMPRESS THEATRE

One of the most sparkling, spontaneous comedies of the year is to be screened at the Empress Theatre this evening, when the world famous romantic stars, Francis X. Bushman and Beverley Bayne are cast in the leading roles in "The Brass Check."

Mistaken identity, which is becoming popular in comedies, is made the crux of this play, and for real lively comedy this one is hard to beat. There is as well a fine Sidney Drew comedy, and a Ford monthly gazette.

SECOND BASEBALL GAME ON TUESDAY

The second ball game of the season will be played tomorrow evening at the exhibition grounds starting at 7 o'clock sharp. The Colts feel confident that they can come back with a win, having been defeated by the Sons of Canada in last Friday's game. Day will start the twirling for the Sons of Canada, with Rich receiving, and Lauder and Astoria will be the battery for the Colts.

Harvey Frazer, the peppery manager of the Colts, has strengthened his team, but there have been changes also in the Sons of Canada line-up, so a good fast ball game is assured.

DR. S. F. TOLMIE MAY SUCCEED T. A. CRERAR

Member for Victoria Spoken of At Ottawa as Possible Minister of Agriculture.

STRIKING P. O. CLERKS PERMANENTLY RETIRED

Dr. Simon Fraser Tolmie, M. P. of Victoria, is spoken of strongly as a successor to T. A. Crerar whose resignation was accepted at the week end as minister of agriculture.

In his statement to the House of Commons, Sir Robert Borden said that Mr. Crerar resigned solely on account of the budget which he could not support.

D. D. MacKenzie asked regarding the striking post office clerks and Sir Robert replied that the employees had been distinctly warned and must regard themselves as permanently retired from the public service.

Dr. Tolmie is a successful farmer in the neighborhood of Victoria and was for many years Dominion Live Stock Commissioner. He never took any part in politics until he was chosen by the Unionist convention to contest the constituency at the last election. He is claimed by both Liberals and Conservatives, but has no particular interest in either. On his return to Victoria after the first session he addressed the Saanich Liberal Association, giving an account of the work of the session.

(Special via G. T. P. Telegraphs.)

Toronto, June 9.—Before the Canadian Club here, Major-General A. D. McRae advocated getting all undesirable aliens out of Canada. If there was no adequate legislation now, he said, they should lose no time in enacting it.

The General suggested restoring the law of banishment as France had done, providing three weeks in which to leave the country or go to prison.

Munich, Bavaria, June 9.—Levine Nisson, Bolshevik agitator and one of the leaders of the Munich communist soviet regime, was executed here. The Bavarian cabinet refused to commute the sentence, maintaining that he was the cause of the civil war in Bavaria and deserved no mercy.

TINY TIMS CARRY OFF BASEBALL HONORS

The Tiny Tims added another rose to their chaplet Saturday morning when they beat the Prince Rupert Nationals at a ball game in the market square by a score of 7 to 3. The game was strongly fought throughout and although there were no home runs, there was some very good ball.

The batteries for the Tiny Tims were Mitchell and Black and for the Nationals Morrison and Lambie. Good work was done at the bat by W. Mitchell, Lee Gordon, Eddie Clapp, Halvarson, Crossley and H. Frizzell.

Mrs. Siwell Says Use Water

Mrs. Thos. Siwell says that it took her a long time to learn to use enough water in diluting Pacific Milk for cooking.

She mentions it to us because she thinks others might be using too great a proportion of milk.

In all recipes calling for milk she uses equal parts of Pacific Milk and water—sometimes a little more water and less than half milk.

This is quite the correct way and we give it mention in case you use more than necessary.
