Otherwise unfavorable weather over the continent prevented Royal Air Force operations over Germany overnight.

NEW YORK YANKEES TAKE ANOTHER WORLD SERIES WITH 3 TO 1 WIN TODAY

Ernie Bomham Winning Pitcher Although Whitlow Wyatt Gave Fine Performance—Henrich Hits Home Run.

BROOKLYN, Oct. 6:—New York Yankees, with timely hitting to back up a fine pitching performance by Ernie Bomham, scored a 3—1 victory over Brooklyn Dodgers today to take the 1941 World Series four games to one. Whitlow Wyatt made a great pitching effort for Brooklyn but the Dodgers just did not have the batting steam that might have made things different. The Dodgers may have had some bad breaks in the series but, all in all, the Yanks were superior in their batting power and deserved to win. At that, it was one of the most dramatic World Series in the history of the game.

The Dodgers weakened in the sixth and it was then that the Yankees took advantage of the situation to take the win. Tommy Henrich's home run was the batting feature of the game.

Joe DiMaggio, not as skookum at the bat as might have been expected, set up a new World Series record by bringing down nineteen flies.

Manager Joe McCarthy set up a record of six for winning World Series, taking the honor from old Connie Mack who sat in the stands watching the younger men do so. Mack has won four series with the Philadelphia Athletics.

It was the eighth straight World Series victory for the Yankees, making it 32 they have won with four lost.

The last play in the ninth was when DiMaggio pulled down Pinch Hitter Jimmy Wasdell's high fly into centre.

The score:

	R.	H.	E.
New York	3	6	0
Brooklyn	1	4	1

Whitlow fanned nine New York batters and Bomham two.

INVASION ESSENTIAL

But Great Britain Is Not Yet In Position To Carry It Out, Declares Halifax

WAHINGTON, October 6:— Returning to the United States from a visit to England, Lord Halifax, the British ambassador, expresses the opinion that there must be an invasion of the continent before victory can be won over Germany. Meantime, he does not believe that the invasion can be successfully undertaken at present.

Calling upon United States for more and more heavy bombers, Halifax said that only by air attack could a situation be brought about in Germany whereby peace could be restored in a reasonable time.

An invasion of the continent now would present most formidable difficulties. It might be possible to land troops but the problem was not so much one of getting them across but of maintaining them once they were there. No more Dunkerques or Cretes were desired.

REVOLT IS WIDESPREAD

All Europe Is Seething in Resentment at Nazi Control—Executions Increase.

LONDON, Oct. 6:—A state of virtual full-scale warfare continues in Jugo Slavia with Nazi panzer units and dive bombers being pressed into service to put down widespread revolts against the German control.

Jugo Slavia guerrillas have captured 385 German soldiers, including 30 officers and threaten to put them to death if Nazis continue the practice of executing hostages. One million and a half Serbs have been bluntly warned by the Germans that they must comply with the new order or die.

Elsewhere throughout Nazi-occupied Europe from Norway through to Greece there is extensive revolt.

One hundred and sixty-five persons have been executed in Czecho Slovakia within a week, and 117 in France since the beginning of Communist agitation.

In Bulgaria Communist sympathizers are causing much trouble to the Nazi control.

Norwegians have been warned that Germany will not consider herself responsible for feeding the nation if its people continue their anti-Nazi activities.

TRANSFER TOMORROW

Request Of Hess Said To Have Held Up Repatriation Move Between Britain And Germany

BERLIN SATISFIED

LONDON, October 6:— Germany advised Britain today that she was now satisfied with arrangements for the repatriation of 1500 German prisoners of war from Britain in return for a like number to be sent home from Germany to Britain. Two hospital ships which will handle the movement across the English Channel are expected to leave New Haven for Dieppe tomorrow. There will be a suspension of war activities in that area while the transfer is being carried out. The War Office announced that Germany had advised Britain that the hospital ships bearing the German prisoners of war and German civilians for transfer to the Continent might leave New Haven harbor tomorrow. The way for exchange of the prisoners was paved by a radio broadcast from Calais asking the British to indicate departure time and details.

LONDON, October 6:— London buzzed with reports at the week-end that Germany desires to have Rudolf Hess, No. 3 Nazi, included in the German prisoners of war to be repatriated under the transfer which was to have been affected this week-end. It now appears that the Reich does not want wounded prisoners sent home but able-bodied ones.

Among the Germans to have been sent home are fifty nurses who had been interned on the Isle of Man.

Great Britain has advised Germany of willigness to effect mutual repriation of all British and German civilian war prisoners except men of fighting age and proposes that the United States act as intermediary "in order that repatriation of civilians may be carried out with the least possible delay."

Russians Hitting Back—

NAZIS HAVE HARD TIME IN RUSSIA

Big Red Counter-Offensive Either Driving Germans Back Or Holding Them

NEW NAZI OFFENSIVE

LONDON, October 6:— With Moscow, the Soviet capital, itself possibly the main objective to be aimed at, the Germans have launched a new major eastern front offensive in the war with Russia and are advancing against obstinate Red resistance, it was reported in authoritative military sources here today. A substantial movement, it amounts to what may be considered almost an entirely new campaign on the central front. The drive was described as being "on very considerable scale." These sources assumed it was the "gigantic new development" which Hitler mentioned in his Berlin speech Friday, saying it was even then under way.

MOSCOW, October 6: — Full powered Russian counter-attacks one after another continue to keep the Nazi forces busy in Russia, holding them at bay and, at some points, driving them back long distances with severe losses. In one sector the Nazis have retreated twelve miles in a week while at one point in the Ukraine they were driven back eighteen miles in a single day.

One German division and one regiment have been put out of action after a seven-day battle on an unnamed section of the front, the Red Army claimed today.

Three transport ships attempting to reach Murmansk on the north have been sunk. A new German effort to capture the far northern Russian port has been smashed with the destruction of two Nazi regiments.

A large scale Nazi drive into the Donetz River basin has been smashed, the Germans falling back as much as twenty miles.

It appears now that the Nazis are embarking upon a new drive against Kharkov on the middle front. The ultimate aim may be an all out attack on Moscow but Leningrad will have to be captured or its defenders brought under control before a pincers move toward the Soviet capital can be successfully carried out.

A major battle on the neck of the Crimean Isthmus appears to be developing.

Proposed Civic Centre . . .

The Civic Centre committee headed by Dr. R. G. Large is asking the people of Prince Rupert to subscribe the sum of fifteen thousand dollars to complete the sum necessary to pay for a proposed civic centre. It is a considerable sum but the building is badly needed and may well be considered part of our war effort. The city is providing a site, offering freedom from taxation and returning to the Gyro Club the sum of $1,000 loaned to it during the depression days. As for the site it is really only an exchange for the site paid for by the Rotary Club so that the city might have the use of $3,000 it had on hand during depression days. That money was earmarked for community centre purpose. The provincial government is giving the committee the services of the provincial architect, which means a great saving to the committees.

On the whole an excellent start has been made and the remainder of the money should be forthcoming if a thorough canvass is made. We strongly commend this cause to the people of Prince Rupert and to those who do business in Prince Rupert.

LARGEST CROWD OF SPECTATORS

Thirty-Four Thousand Gather at Ebbets Field to See Finest Game of Series.

NEW YORK, Oct. 6:—The New York Yankees won the World Series today four games to one as they defeated the luckless Dodgers 3—1 in a tense struggle marked by a near free for all fight between rival players in the fifth inning.

Tiny Bomham, 200-pound Yankee mound star, subdued the Dodgers with four hits to best Whitlow Wyatt in a stirring pitching duel before the largest crowd of the three games at Ebbett's Field, 34,072.

Wyatt allowed only six safeties and struck out nine batters, but lost the battle in the second inning when he issued a walk to Charlie Keller and was nicked for singles by Dickey and Joe Gordon. The Dodgers gained a lone run in the third which Wyatt opened with a double. He reached third on an infield hit and scored on Pete Reiser's outfield play. From there until the final out of the series they got only one more blow off Bomham, a single by Walker in the eighth.

GAME WAS SENSATION

Catcher Mickey Owen's Pass Gives Yankees Unearned Victory

BROOKLYN, October 6—In as sensational and dramatic a game as has been known in World Series history, New York Yankees, with an unearned victory, defeated Brooklyn Dodgers by a score of 7 to 4 yesterday afternoon. As a result, the Yankees went up three to one on the game count. If there was ever a heart-breaking game to lose, it was that of the Dodgers.

Ahead 4 to 3 and with two down in the ninth, disaster befel the Brooklyn team when Catcher Mickey Owen let Tommy Henrich get to first by passing the ball. The count had been three and two on Henrich and he had swung on the ball. It was the only error of the game. Joe DiMaggio then got on bases with a line drive to left field and Charlie Keller's two-bagger brought in Henrich and DiMaggio. Another two-bagger by Joe Gordon brought in two more runs. Heart-broken, Hugh Casey, who had hurled a wonderful relief game, was charged with the loss—his second in two successive days for a unique World Series record—and Johnny Murphy was credited with the win. The Yanks made twelve hits and the Dodgers nine.

Pete Reiser, Brooklyn centre fielders, made a home run in the fifth with two on board. The other two Dodger runs came in the fourth when Pinch Hitter Jimmy Wasdell's double scored Owens and Cartwright. The Yankees had also scored twice in the fourth and once in the first.

The Dodgers used four pitchers and the Yankees two.

BALL TITLE IS DECIDED

Watts & Nickerson Take Intermediate Championship By Outslugging Co-ops

In a sudden death game on Sunday afternoon Watts & Nickerson baseball team outslugged the Co-operatives for the city intermediate baseball championship by the decisive score of 21 to 5. Supporting the three-hit pitching of Alek Bill, who won his tenth successive game, the Watts & Nickerson powerhouse slugged the Co-op moundsmen, Macdonald and Hetherington for a total of eleven hits.

Both Co-op hurlers tried hard but the team behind them was not up to the usual standard, allowing cinch outs to go as safeties and later as runs.

On the other hand the Watts and Nickerson sluggers had a field day, hitting anything thrown their way and giving Bill fine support in the field. They made only three errors. Every Watts & Nickerson player played so well that no one player was outstanding. For the Co-operatives Hingston was best with a double to his credit.

Although the weather was not perfect from the spectators' point of view there was a good sized crowd to witness the game.

The two teams will stage an exhibition game on Thanksgiving Day, weather permitting.

J. Gillis umpired balls and strikes and M. Montesano the bases.

Batteries:

Watts & Nickerson — Bill and Postuk.

Co-operatives — Macdonald, Hetherington, Zbura, and Simundsen and Zbura.

Peter: "I do. Every penny we put into War Savings Certificates brings peace and victory nearer."

Joan: "And how we shall enjoy *spending* all that money—and the interest it will have earned—when the world gets back to normal!"

The help of every Canadian is needed for Victory. In these days of war the thoughtless selfish spender is a traitor to our war effort. A reduction in personal spending is now a vital necessity to relieve the pressure for goods, to enable more and more labour and materials to be diverted to winning the war. The all-out effort, which Canada must make, demands this self-denial of each of us.

INDUCTION OF PASTOR

Reception at First United Church Following Evening Service.

There were large congregations yesterday at both services in the First United Church. In the morning the sacrament of the Lord's Supper was observed with the local minister, Rev. J. A. Donnell officiating. In the evening the induction of Mr. Donnell as pastor was carried out by members of the Presbytery. Rev. T. C. Colwell of Port Simpson, was chairman. The lesson was read by Rv. J. A. Findlay of Hartley Bay, prayer was offered by Rev. W. H. Pierce and the induction sermon given by Rev. Peter Kelly.

In his sermon Mr. Kelly spoke of the duty of the congregation. The responsibility of the success of the church rested on the members of the congregation as much as on the shoulders of the minister. The minister needed the support of the congregation in attendance, in social activities and above all, in their prayers. To the minister, Mr. Kelly emphasized the need for close fellowship with God as a daily requisite for the carrying out of the grave responsibilities of the charge and the great opportunities of service. He knew of no other calling that made such demands on a person.

Special musical numbers were provided. At the morning service the junior choir sang an anthem "Come At Times," while at the evening service the unaccompanied quartette "Come Unto Me," by Mrs. R. G. Large, Mrs. H. T. Lock, Mr. J. S. Wilson and Dr. Large, was effectively sung, and Mrs. H. T. Dixon gave a very impressive and, musical interpretation of "I Heard the Voice of Jesus Say."

Reception Held

Following the evening service a social was held at which many members of the congregation and visitors met the newly inducted minister and Mrs. Donnell. The program included a vocal solo by Seaman Joe Morrison, duet by Rev. and Mrs. Peter Kelly and a reading by Mrs. J. T. Mandy.

Mr. and Mrs. Donnell were formally welcomed by the chairman, J. S. Wilson. He assured Mr. Donnell of the desire of the congregation to co-operate very fully in the work of the church. Leadership and service would be looked for.

Mr. Donnell said that already they had felt warmly welcomed. From the day of his arrival he had appreciated the kind consideration of many members.

In a few words Mrs. Donnell also thanked the people for their friendly greetings.

Refreshments were served by the women of the church and during this period those in attendance were able to meet their new minister and his wife.

Rev. W. H. Pierce assured the minister of the desire of the native people to be included in the welcome given to him. Mr. Donnell thanked Mr. Pierce for this expression of goodwill. asking him to take to the native peoples his words of appreciation.

"SHEPHERD OF HILLS"

Great Story Is Filmed in Technicolor at Capitol Theatre First of This Week.

Picturization in technicolor of "The Shepherd of the Hills," famous Harold Bell Wright novel, comes to the screen of the Capitol Theatre here at the first of this week—Monday and Tuesday—with John Wayne, Betty Field and Harry Carey in the starring roles.

Read by millions of people and regarded as one of the classics of American fiction, the story of "The Shepherd of the Hills" concerns the love of a young mountain girl for a reckless rifle-toting young Ozark stalwart. She is hesitant about giving her heart to him completely for fear that it might be stained with the blood of a man people said he was sure to kill some day.

John Wayne is said to give a splendid portrayal of the hot-blooded, reckless character of Young Matt. Betty Field is the half wild, loveable little mountain girl who can fight and live like a wild cat. Harry Carey is the shepherd himself, while James Barton enacts Old Matt. Other major characters in the story are acted out by a cast which includes Beulah Bondi, Marjorie Main, Samuel S. Hinds and Marc Lawrence.

ROOSEVELT TO DECIDE

Confers With Congressional Leaders as to What Should Be Done in Regard Neutrality Act.

WASHINGTON, Oct. 6: — President Franklin D. Roosevelt held conferences with congressional leaders at the week-end prior to deciding, possibly on Tuesday, whether he will call for repeal or revision of the Neutrality Act, whether he will ask for authority merely to arm United States merchant vessels or also a free hand to send them through to Europe with war materials to aid the fighting democracies. Mr. Roosevelt conferred with Secretary of State Cordell Hull yesterday.

It was announced Saturday night by the United States Maritime Commission that Panama registered vessels of American ownership operating in Atlantic service had already been armed for their own defence in view of recent deliberate torpedo attacks upon them. Guns had been mounted on twelve of twenty such ships.
