Iranian Situation Near Climax

CENTRAL B. C. MUNICIPALITIES WILL SUPPORT PRINCE RUPERT PROJECTS

Support Fuller Use of Elevator, Shipment of Coal Through Here, Highway Improvement, Oriental Markets Move

SMITHERS (Special to Daily News)—Representations of the Prince Rupert Industrial Development Committee that the government elevator at Prince Rupert be fully utilized, that the Prince Rupert-Prince George Highway be developed into a first-class thoroughfare and that the provincial government assist in the development of markets in the Orient for products of northern and central British Columbia received support by resolutions passed on Friday at the first meeting here of the Central British Columbia Municipalities Association. Establishment of coal bunkerage facilities at Prince Rupert were also advocated.

Some of the more important resolutions passed at the meeting were as follows:

That the federal government be requested to take the necessary steps to the end that the Pacific communication system be maintained and operated in such a manner that all communities and municipalities through which it passes may have adequate telephone facilities.

That the provincial government be requested to conduct an immediate survey of the Telkwa coal fields and assist in having adequate bunkerage facilities provided for shipment of coal through Prince Rupert immediately.

That the representations made by the Prince Rupert Industrial Development Committee to the federal and provincial governments for the full utilization and operation of the government elevator at Prince Rupert be endorsed and supported.

That the request of the Prince Rupert Industrial Development Committee to the provincial government that the jurisdiction be settled on that portion of the Prince Rupert to Prince George highway which encroaches on the Canadian National right-of-way and that they keep and maintain this highway open at all seasons and that they be further requested that definite plans be formulated to improve

L.P.P. LEADER ARRESTED

MONTREAL—Three men, including the Quebec Labor-Progressive leader, were arrested in Montreal last night. Police made the arrests near a St. Lawrence Boulevard Hall where a sympathy meeting was scheduled on behalf of Labor-Progressive Fred Rose, the M.P. who is charged with communicating secret information to Russia.

URGE DRAFT RENEWAL

WASHINGTON—Members of the United States House Military Committee indicate that failure to renew the draft would greatly weaken the U.S. Army. Unless the law is extended the Army will have only 570,000 men on July 1 of 1947. This is half a million men less than General Eisenhower told the committee he would need on that date. The draft law is scheduled to expire on May 15.

PINS HOPES ON UNO

NEW YORK—At a St. Patrick Day's dinner Saturday night, Secretary of State Byrnes declared that the United States bases it hopes for security on the United Nations Organization. Byrnes said that the United States needs military strength to support, if necessary, the purposes and principles of the United Nations charter.

DREADFUL PROBLEMS

LONDON — Secretary General of the United Nations Organization Trygve Lie, declares that the world is confronted by new and dreadful problems. In a radio broadcast, Lie urged everyone to devote all his intelligence and energy to helping his fellow men. Lie is scheduled to arrive in Washington by plane today.

EXECUTION OF NAZIS

LONDON—The Budapest radio says that three more ministers of the pro-Nazi cabinet of former Hungarian Premier Ferebe Szakasi will be executed as war criminals on Tuesday. Szakasi and three others of his collaborationist government already have been executed.

REDS ATTACHING

CHUNGKING — Communist troops have attacked four cities on the Manchurian-Changshu Railway in Manchuria but the Nationalists are still firmly in control of Mukden. Bubonic plague is reported to have broken out.

ROSE TAKES SEAT

OTTAWA—Fred Rose, Labor-Progressive member for Montreal-Cartier, who stands charged with espionage conspiracy, quietly slipped into his seat as Parliament convened this afternoon for a sitting which is to be featured by a statement by Prime Minister King on the espionage case.

ATHLONES IN WASHINGTON

WASHINGTON—The Earl of Athlone and Princess Alice arrived here yesterday to spend a few days before proceeding to the Bahamas for a visit before returning to England.

LEGION IS GROWING

VANCOUVER—At the opening session of the British Columbia Command, Canadian Legion, convention here today, it was reported that membership of the Legion in the province during the past year had increased by 10,000.

PORTLAND WINS

PORTLAND — Portland defeated Vancouver 5 to 3 here Sunday night, giving Portland a two-games-to-one lead in the best-of-five final in the northern division of the Pacific Coast Hockey League.

ILE DE FRANCE DOCKS

HALIFAX—The liner Ile de France docked at 8 o'clock this morning in Halifax. She carried 5500 Army men and 1500 R.C.A.F. personnel.

Russians Putting More Pressure on Tehran To Surrender to Demands

Persian Premier Is Warned Against Appeal to UNO—American Ultimatum Denied by State Department

NOT SEIZING FOREIGN TERRITORY

MOSCOW—It was stated in an official announcement today that Russia had no intention of seizing foreign territory.

WASHINGTON—American officials declare the Iranian situation is heading toward a climax within the next few days. The Russians are said to be putting increasing pressure on the Tehran government to give way to their demands.

Associated Press Diplomatic Editor John Hightower says a report has reached Washington that a Russian diplomat delivered a warning to Premier Ahmed Qavam of Iran. The reported warning tells the premier to refrain from pressing any charges involving Iran against Russia in the United Nations security council. This comes at a time when the Russians have a large concentration of troops 20 miles from Tehran.

The British radio carried a report last night that the United States has given Iran 24 hours in which to answer whether it will file charges against Russia with the security council. Later the London radio broadcast a denial of the report by a spokesman for the American state department.

In Washington it was felt that interntionalization of Iran's oil resources would be the only solution for present difficulties but Russian forces would have to move out before negotiations along these lines could be started.

In Moscow the Communist party newspaper Pravda, only morning newspaper published in Moscow todaly, reflected none of the tenseness shown in other capitals of the world concerning the present international situation. Pravda's main editorial, headed "Stalin plan will be put into effect," was an optimistic commentary predicting success of the Premier's new industrial program designed to boost production to record high levels. There was no mention of the Iranian situation in respect to the United Nations Organization.

Iran Aids Monopoly

Moscow Declares it is Being Denied Oil Concessions

MOSCOW, (AP) — Moscow radio Saturday said the Iranian government was "defending the monopolist possession of British oil concessions in Iran" by refused to grant Russia similar concessions in Iran's northern provinces. Iran had been hostile to Russia for 25 years in oil concessions.

The broadcast said the assertion was made by Alexeev, writing for the government newspaper Izvestia. It quoted Alexeev as saying under the 1921 Soviet-Iran treaty Iran was pledged not to transfer to any third power mining, oil, railway or other concessions given up by Russia but said the treaty had been broken on numerous occasions by the Iranian government.

FRONTIER CLOSING

Reports Persist That Border Between Bulgaria and Turkey To be Sealed

ISTANBUL — Reports kept mounting yesterday in Istanbul that Bulgaria soon would close its frontier adjoining Turkey. One high diplomatic source in Sofia told a newsman that the border may be closed within two weeks. The Bulgarian Turkish border allegedly is the scene of Russian troop concentrations.

It was stated without confirmation that Soviet Marshal Tolbukhin toured the region several weeks ago.

ZEBALLOS TO START AGAIN

West Coast of Vancouver Island Mine Reopening After Four Years

VICTORIA, (AP)—James Mowat, speaking in the budget debate Friday, said Zeballos mines, which produced $12,000,000 worth of gold in five years up to 1942, are starting up again and will employ several hundred men in the spring.

GERMAN CONDEMNED

MEDICINE HAT — The defendant Kratz, German prisoner of war, was found guilty Saturday of murder of a fellow prisoner and was sentenced to hang June 25.

LOYAL TO HITLER

NUERNBERG — Hermann Goering, at the war crimes tribunal today, declared that he had always been loyal to Adolf Hitler even though the Fuhrer may have suspected him. He denied that he had betrayed Hitler or negotiated secretly with foreign countries. When he had come to know Hitler, he had given him his hand and pledged support "for better or for worse." Now his "neck was at stake."

LOOTING BY AMERICANS

Russian Newspaper Charges Yanks With Getting Away With Booty From Japan

MOSCOW (AP) — Pravda, in a dispatch from Vladivostock, said that the United States is removing highly valuable property from Japan to the United States.

A Tass correspondent said his story was based on reports in the Tokyo edition of "Stars and Stripes." He said the loot reported to have been seized included platinum, gold and silver jewelry and other property from a German warehouse.

"PROTECTOR" IS CHARGED

Alleged Perpetrator of Lidice on Trial as War Criminal

PRAGUE—The one-time Nazi protector of Bohemia-Moravia, Karl Herman Frank, has just learned that many of his former Nazi colleagues are facing trial at Nuernberg as war criminals. Frank, who is accused of perpetrating the Lidice massacre, has been held incommunicado in Prague.

Allied authorities were unable to question Frank about the Nuernberg defendants until Friday when charges were presented against him formally.

The date chosen was the seventh anniversary of the German march into Prague.

Canada To Help Needy

Food Conservation Program To Be Embarked Upon, Prime Minister Announces

OTTAWA—Canadian will embark on a food conservation program in an effort to bolster production and feed the hungry people across the ocean. Prime Minister Mackenzie King announced the plan in Ottawa yesterday. Mr. King said it is a nine-point program by which Canada hopes to maintain this country's large food production and at the same time provide larger amounts of wheat for export to the needy countries.

The prime minister said Canadian farmers would be asked to plan production so as to obtain the maximum yield over the next four years. Home gardens and saving of wheat and wheat products will also be urged and the reduction of inventories of wheat and wheat products will be encouraged. It is also planned to modify regulations concerning bulk shipments of flour and feed.

The prime minister's statement also said that priorities for rail transport of wheat and for export have been established. Wheat available for domestic milling is being reduced by ten percent on the basis of the 1945 purchases. Wheat for distilling is being reduced by 50 percent on the basis of amounts used in 1945. Special arrangements are being made to encourage immedate marketing of wheat stored on farms.

Three juveniles were apprehended at 4:30 this morning while joyriding in a jeep by Constable Eernest Zorn. Charges may arise out of the episode.

TOO POWERFUL TO OVERCOME

Russia, Under Latest Plan, Need Fear No Enemy, Says Minister

MOSCOW—A Russian minister has told the council of the Union of the Supreme Soviet that, by achieving production figures outlined for the new five-year plan, Russia will be too powerful for any enemy to overcome. The official, Machinery Minister A. E. Yefremov, added that this will be true even if the attack should come by surprise.

ESPIONAGE STATEMENT

Further Word from Premier King Is Being Awaited Today

OTTAWA — Canadians are waiting for another statement Prime Minister King is expected to make—on espionage activities. Mr. King's statement is expected to come during the debate on the address in reply to the throne speech in the House of Commons today.

The Progressive Conservative leader, John Bracken, is also expected to make a lengthy reference to the spy ring during the debate.

Fred Rose, the Labor-Progressive member for Montreal Cartier, is expected to be in his seat during the debate. Mr. Rose is the member who is charged with providing secret and confidential information to Russia. He has been released on bail.

LIQUOR STORE ROBBED

Vancouver — A safe was cracked in the Penticton liquor store and $3000 taken but no liquor was removed.

John Bracken—

Wants to Stay with Britain, Not Become 49th State

OTTAWA (AP)—John Bracken, Progressive Conservative leader, today urged the Canadian government to adopt a foreign policy which would help preserve and strengthen the British Commonwealth of Nations.

Pointing to a strong commonwealth as the best hope of permanent peace in the world, Mr. Bracken said he is one who does not think Canada can achieve her "highest destiny by weakening the family of British nations only to become eventually a 49th state in the American Union."

The leader made the statement while participating in the throne speech debate.

PRINCE RUPERT TAKES OVER CIVIC CENTRE AT CEREMONY ON SUNDAY

Prince Rupert's Y.M.C.A. War Service building and its equipment was formally turned over for use of the citizens of Prince Rupert at ceremonies held in the building's auditorium at 2:30 Sunday. As indicated on a sign above the doorway, the vast structure is now known as the "Civic Centre."

Executives of the Civic Centre Association, Civic Recreation Board, the City Council, Rup-Rec staff and the clergy, numbering more than 20, sat on the stage facing an audience of about 500 during the ceremony.

The transfer was made by H. P. Collins, Y.M.C.A. War Services supervisor for the area, who handed over the keys of the building to Mayor H. M. Daggett. Mayor Daggett, in turn, passed them on to Alderman T. N. Youngs, president of the Civic Centre Association.

Alderman Youngs introduced Don Forward, executive director of the Civic Centre, who presented George McGregor and Mrs. Margaret Homer Dixon, recreational directors.

Felicitations and best wishes for the work of the Civic Centre were delivered in behalf of the Catholic Church by Bishop Anthony Jordan, and in behalf of the Ministerial Association by Rev. A. F. MacSween of First Presbyterian Church.

Musical interludes were provided during the half hour program by the band of the Prince Rupert Regiment (MG) under leadership of Sgt Peter Lien.

At the conclusion of the ceremonies, the public was invited to inspect the buildin, which several speakers had informed them they should look on as their own.

In turning over the building on behalf of Y.M.C.A. War Services, Mr. Collins said that the building could stand either "as a memorial to the inadequacy of the citizens or of their desire to develop the best in the youth of the city."

He reminded his listeners that the building was still owned by the Crown and the equipment by the Y.M.C.A., but suggested that, whatever basis for purchase of the building by the citizens was arrived at by the board of arbitration, the same basis would be used for sale of the equipment by the Y.M.C.A.

Cardena's Stranding

Well Known Coastal Vessel Went Ashore in Massett Inlet And Stayed There For Almost Day

Leaking slightly near the forward fuel tanks, the Union steamer Cardena, Capt. Alex McLennan, was safely moored alongside the wharf at Port Clements, Queen Charlotte Islands, last night after having been aground for almost a day on Cook's Point in Massett Inlet. A diver's inspection was made and it was decided that the vessel could come on today to Prince Rupert and thence light direct to Vancouver after discharging cargo. Fourteen passengers who were aboard at the time of the stranding were being put up at the Port Clements Hotel. They will not make the crossing on the damaged vessel.

No word was available up to early afternoon as to when the vessel would arrive in Prince Rupert.

The diver's inspection was made by Rayner Montgomery of Prince Rupert.

While steaming from Massett to Port Clements, the Cardena went ashore at 5 o'clock Saturday afternoon. Soon the Armour Salvage Co.'s power tug Kanawaka was dispatched to the scene. At 2 o'clock yesterday afternoon the Cardena was freed and proceeded to Port Clements.

The Cardena was relieving on the Vancouver-Queen Charlotte Islands-Prince Rupert run and was northbound. Normally, she would have arrived in Prince Rupert on Sunday.

CONSPIRACY ON HITLER

British Foreign Secretary Reserved When Approached Regarding Commitments

NEW YORK (AP)—The New York Times said today in a Berlin dispatch that the July, 1944, attempt on Adolf Hitler's life was a conspiracy which included not only some of Germany's leading men, such as prominent army and navy officers, but also important diplomats and leaders of the Roman Catholic and Protestant churches.

The dispatch said that the plotters established contact with Allied officials, including a former British foreign secretary, "but they were inevitably told no commitments would be made in advance and they were left to crystallize their own determination to overthrow their own government."

CAR STOLEN

John Brentzen reported to the city police Sunday that his car had been stolen from his residence at 1234 Park Ave. Saturday night. The vehicle had not been recovered this morning.

Allying Out of Germany

Russians Are Withdrawing from Eastern Portion of Country—Leaving Small Police Force

LONDON (AP)—Russian troops reported today being withdrawn from eastern Germany which they have occupied since V-Day. The report came from the Berlin correspondent of the London Sunday Observer quoted "well informed Allied and German sources" as saying that 75 per cent of the original Russian occupation force has been withdrawn and the remainder would be replaced by a small force of military police.

Victoria Postal Service Boosted

VICTORIA, (AP) — Beginning early in April there will be four mail deliveries in Victoria business district and two daily in residential sections, the Colonist said. Labor shortage caused a reduction in delivery service during the war. The new set-up may foreshadow a general improvement in service.

CANNOT MAKE WORLD BANK

SAVANNAH, Georgia—Greece has succeeded in blocking the entrance of Italy into the world monetary organization until at least next September. Also, Britain suffered a defeat in seeking lower salaries for directors of the world bank and the international stabilization fund. Secretary of the Treasury Fred Vinson said here that these developments occurred during the meeting at the world monetary conference which lasted until early midnight Saturday.

Vinson said that YugoSlavia and Greece in opposing entry of former enemy countries into the world bank and the international stabilization fund until peace treaties had been signed with them.

Anxious International Scene

The situation in Iran as a result of Russian activity becomes daily more challenging to the United Nations Organization as the collective instrument for the maintenance of international security and consequently world peace.

The Soviet, we must reluctantly admit, seems intent on aggression to obtain its ends in that sphere by the process of power politics, or armed force, or both. Yesterday troops of Russia were within twenty miles of the Iranian capital city of Tehran. Today there are indications that control at Tehran may be achieved by means of a political coup.

The fact of an Iranian capitulation would not remove the necessity of action for the United Nations Organization. It would make it the more complicated and difficult.

As the events of Austria and Czechoslovakia went in prelude to World War II so, if not checked by firm and speedy action, may events in Iran and other countries in that area prelude another conflict of arms.

Signs accumulate that Russia intends to go it alone. For the United Nations Organization the first great test appears fast approaching. The world hopes against darkening omens that UNO may yet survive and that the defection of one of its most powerful partners will not destroy the organization and all it means. These are anxious days and we cannot be blind to their menacing portent.

Haze lton-Whitehorse Road

The Premier and the government of British Columbia is to be reminded of a pledge made by the Premier in a letter to the Prince Rupert Chamber of Commerce of date February 14 1944, that, before any decision is made on the route of a highway to effectively connect the Alaska Highway with the central interior of British Columbia, all routes, especially that from Hazelton to Whitehorse by way of the Kispiox and Bell-Irving Rivers and Telegraph Creek in the valleys immediately east of the Coast Range, would be given the fullest consideration.

This pledge was on various occasions reiterated by the Premier.

While the request for impartial surveys of various routes was initiated as far back as November, 1943, and repeated promises have been made that such a survey would be undertaken, as far as can be ascertained, such surveys have not been made.

Now it is being submitted that conditions are favorable and practicable for such a survey being undertaken.

While Prince Rupert is most directly interested in the furthest west possible route for the highway to connect the northern transprovincial highway with the Alaska Highway, it is, however, content that the highway should be built on the route chosen the most feasible and generally serviceable by competent engineers on a factual basis.

It is for this reason, therefore, deemed fitting that the request for the making of the survey of the route northwest from Hazelton as defined be now undertaken in compliance with the Premier's pledge with as little further delay as necessary.

Prince Rupert rests its advocacy of the route northward from Hazelton as being the most superior of all on the following grounds:

Favorable areas exist along the route for permanent settlement.

It would traverse a recognized mineral producing area with vast coal resources and heavy water-power resources.

Its cost and maintenance would be less than other routes owing to its easy grades and light snowfalls, the last mentioned being a factor which has never been given full consideration.

It would lend itself the most readily to connection with the northern British Columbia coast at Prince Rupert and Stewart (through the Naas valley with its great agricultural areas and mining and timber lands), as well as by lateral roads with the Alaska Panhandle at such centres as Ketchikan and Juneau.

Its endorsation by the Associated Boards of Trade of Central British Columbia.

Help Red Cross Again

In a campaign being commenced this week in Prince Rupert as elsewhere in Canada renewal of membership in the Red Cross is being sought.

For six years of war, membership of every sixth Canadian citizen gave the Red Cross strength to do those things for our armed forces, our prisoners-of-war, and for civilian war sufferers throughout the world which, many times, meant the difference between life and death and always brought comfort and mercy where it was most needed.

Where our membership helped to save lives in war—it can save lives in peace, through the new blood transfusion service, through the outpost hospitals on our isolated frontiers. It can bring mercy and comfort to our gallant and disabled veterans, to our crippled children. It can bring health, happiness and relief to our people generally through the society's many other humanitarian services.

There is no canvass for funds this year—but there is a vital need for a large and virile membership in order to do for our own people in peace what we were privileged to do for them in war.

Launching at Cow Bay Today—Log Shortage Hampers Float Repair

High tide, shortly after noon Saturday, saw a launching at Cow Bay Boat Works as a 39-foot troller built for James Nelson of Kitkatla, entered the water. The launching was of the "drop" variety wherein the hull, standing on trestles, was pushed backward slightly and dropped almost straight downward as the trestles tipped over. This method is used in confined space, eliminating the need for greater space required for fore-and-aft launchings.

Although the name of the new vessel has not yet been approved by the Department of Transport, it is expected that it will be Norma N., after the wife of the owner. Mrs. Nelson officiated at the launching ceremony.

A shortage of large logs suitable for marine float work is holding up repair of the Yacht Club floats which were damaged during the heavy wind recently. One of the large float logs was broken by the pressure of boats moored against it during the gale. The same condition is holding up completion of the new fishermen's floats at Westview where work has been under way for several months. No one seems to be able to say when the situation will be relieved.

Union steamer Venture, Capt. Eric Suffield, arrived in port at 1 o'clock this morning from Vancouver and waypoints, sailing later in the morning in continuation of her voyage to Stewart and other northern points whence she will return here tomorrow southbound.

Declarations have to be filed before **March 31st, 1946.**

Holders of such securities must apply to:

The Netherlands Consulate-General, 1410 Stanley Street, Montreal, Que.,

who dispose of the necessary forms.

As Netherlands securities are considered all the securities from

A. The Netherlands,
The Netherlands East Indies,
Surinam,
Curacao,
Provinces, municipalities or other public institutions in the Kingdom of the Netherlands.

B. Companies, associations, organizations, institutions and all other establishments which have their seat in the Kingdom of the Netherlands.

Netherlands securities which are not declared will be cancelled according to the Royal Decrees mentioned above.

WHAT

Prince Rupert Needs

(The Seventh of a series of suggestions by readers of the Daily News for the betterment of this city).

What does Prince Rupert need?

Are we prepared to cater to and provide the necessary services for the expected influx of tourists during the coming summer months?

The answer is "No." We are not prepared in any sense of the word.

What Prince Rupert sorely needs is a modern up to date hotel centrally located of about 100 rooms, with spacious lobby, dining room, banquet room and sample rooms.

The funds for this enterprise can and should be raised here in the city.

Bonds or stock could be issued in denominations as low as $25 with an attractive rate of interest.

A committee of 8 or 10 should be appointed from the various organizations, the city divided into zones and a thorough and complete canvass made.

BEN SAMPSON.

LETTERBOX

BUNCH OF "JERKS"

Editor, Daily News:

It is very pathetic to see such a lack of interest by the people of Prince Rupert in suggestions for the future prosperity of Prince Rupert.

I honestly believe our first need is for the public to wake up and start doing its own thinking, instead of letting someone else do it for them.

Should I insult the people of Prince Rupert by calling them a bunch of "jerks?"

I doubt very much if anyone has enough ambition to sit down and write a letter in response to my insult.

SHORT SPORT

Montreal Canadiens and the Chicago Black Hawks tangled for the last time in the regular National Hockey League season in Montreal and the champion Canadiens came out on top 6-3. The loss hurt Chicago's chances of wresting second place from Boston. In Toronto, the Maple Leafs won their last home game of the season as they trounced Detroit Red Wings 7-3. The Toronto victory spiked Detroit's hopes of overtaking third-place Chicago.

Baseball tradition was shattered at Daytona Beach, Florida, Sunday, when the Brooklyn Dodgers took on their Montreal form club, the Royals, in an exhibition game. The Dodgers' celebrated Negro player, Jackie Robinson, held down second base for Montreal. It marked the first time in history that a Major League team in training in the southern United States played a Negro athlete.

Better English

By D. C. WILLIAMS

1. What is wrong with this sentence? "There is a difference in the front room and the rear room."

2. What is the correct pronunciation of "passee?"

3. Which one of these words is misspelled? Ratio, embrio, folio.

4. What does the word "crucible" mean?

Answers

1. Say, "There is a difference between the front room and the rear room." 2. Pronounce pa-sa, first as as in ah, second a as in say, accent second syllable. 3. Embryo. 4. A severe trial or test. "It was the crucible of affliction."

Won Over Ketchikan

Prince Rupert Team Scored 85 to 47 Victory Saturday Night

The Prince Rupert All-Stars came through wit ha decisive victory over Ketchikan Saturday night by a score of 85 to 47. The game was played at Ketchikan following a series of two games at Metlakatla, Alaska, both of which Prince Rupert lost by narrow margins.

Sonny Beyon was high scorer for the Ketchikan game with 22 points. Crowder for Ketchikan and MacPhee for the locals, each had 15 points to their credit.

After the first few minutes of play there was no doubt as to the outcome of the game, the locals putting in one of their finest exhibitions of the entire series which started recently in Prince Rupert.

Prince Rupert—Beynon 22, Lindsay 14, Morgan 8, Holkestad 6, MacPhee 15, Houston 6, Davis 9, Dominato 5. Total, 85.

Ketchikan—Crowder 15, Olsen 4, Donahue 10, Mills 13, Ludwigsen, Bussanish 4, Tillotsen 1 Total, 47.

Trip Was Successful

The Prince Rupert hoopsters and their supporoters returned at 3:30 p.m. yesterday afternoon aboard the Lady Alice and Sea Lad from Ketchikan after an enjoyable visit to the Alaskan city. The return trip was a very interesting one with fine weather prevailing throughout the voyage.

This is the first time in many years the local girls team had competed with Ketchikan and they turned in an outstanding performance by winning both their games.

For many of the locals it was their first visit to the northern city and they are enthusiastic about making it an annual affair.

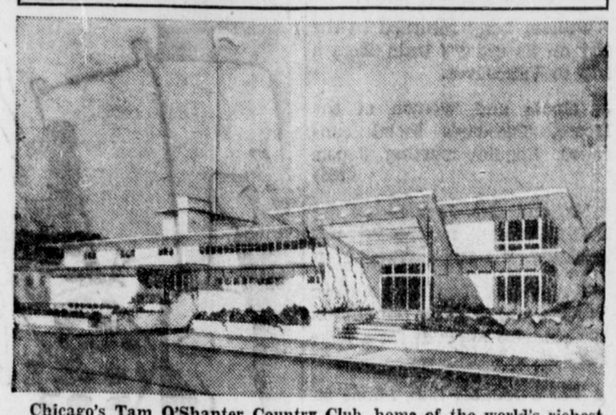
THE TAM O'SHANTER OF 1946



Chicago's Tam O'Shanter Country Club, home of the world's richest golf tournaments, will look like this architect's drawing by the time of the All-American Golf Tournaments to be held there July 22 to 28. George S. May, president of the club and sponsor of the $50,000 Men's Open, Women's Open and Amateur, has announced a $250,000 construction and improvement program of the club property of which modernization and enlargement of the clubhouse is the largest item.

STARTING ON STANLEY CUP

N. H. L. Trophy Series Begins Tomorrow Night

TORONTO, (CP)—The National Hockey League's regular schedule ended last night and now the first four teams will start the Stanley Cup play-offs this week. Tomorrow night the first-place Montreal Canadiens will meet the Chicago Black Hawks who ended up in the third spot and the second-place Boston Bruins will tangle with the Detroit Red Wings who won the fourth and last play-off position.

The second-place winner was not decided until last night in the game between the Bruins and Hawks in Boston. The Bruins beat the Hawks for the runner-up spot by whipping them five to three.

In the other games last night Toronto Maple Leafs walloped the Detroit Red Wings 11-7 at Detroit and New York Rangers defeated Canadiens 8 to 5 at New York. The victory was the Rangers' first win of the entire season over the Canadiens.

Andrew Thompson,
Deputy Registrary of Titles.

WORK OF MONKS

Before the introduction of printing into Europe in the 15th century, books were handwritten and bound by monks.

The case of John Peter Zenger, a printer who was imprisoned in 1735 for criticizing the governor of New York, is ample illustration of the hardships of our ancestors in striving for freedom. The heritage of a free press must be preserved by constant vigilance of the people.

Edwin L. James, managing editor, New York Times, echoed the sentiments of all newspaper editors when he stated: "If ever a story has been printed in this newspaper which would not otherwise have been printed unless an advertiser asked for it, I have not heard about it."

Brazil is the only South American country which declared war on Germany in the First Great War.

IMMORTAL POET ESCAPES HEAD CLIP—It is only an optical illusion, but admirers of George Canning, one of England's most astute poets ("God save me from a candid friend") had a few worrisome moments as a 2½-ton ball scattered brick and dust at the site of the wrecked chamber of the blitzed House of Commons, London, Eng. The big ball is descending on a now unnecessary air raid shelter on the grounds. Care was taken to preserve the atmosphere of which the Canning statue is part. George Canning died in 1827.

THAT'S ALL, BROTHER—The last bag of mail from Canadian servicemen overseas arrived recently on the final mail-carrying flight of 168 Squadron and was received at R.C.A.F. station, Rockcliffe, by Herbert F. Gordon, deputy minister of national defence for air, and R.C.A.F. officers. Mr. Gordon congratulated the squadron on its outstanding record of service, which included 636 trans-Atlantic crossings. Mr. Gordon is shown at the left receiving the final bag of mail from F/L C. E. Snider of Peterborough, pilot of the Liberator, centre. W/C R. W. Goodwin, R.C., Toronto and Sussex, N.B., officer commanding the squadron, is at the right. The squadron carried almost two and a quarter million pounds of mail overseas for Canadian servicemen.

building, Mayor Daggett reminded the audience that administration of the Civic Centre would be a great responsibility on those in charge and urged them to always take the public into their confidence.

"It will be operated with money raised from the public," he said, "and the public should know how the money is spent."

Civic Centre Chairman T. N. Youngs reiterated the general pride in possession of the building. Membership fees alone would not be sufficient to finance the operation of the Civic Centre.

"We are going to make membership within the reach of all but the fees will be enough to make people realize that they are taking part in something worthwhile," he declared.

Alderman Youngs expressed thanks to all who had worked to make the Civic Centre possible.

Executive Director Don Forward presented to the audience members of the City Council, Civic Centre Association executive and the executive of the Recreation Board and Inspector of Schools E. E. Hyndman, who represented Hon. G. M. Weir, provincial minister of education.

Bishop Anthony Jordan commended the spirit of co-operation which had made the Civic Centre possible, and urged its continuance. "A country," he said, "is ennobled or degraded by the quality of its citizens and I know Prince Rupert will develop the best."

Rev. A. F. MacSween said: "Today we mark the realization of a dream, but there has been a good deal more than dreaming involved. The planning and work must continue. The men and women who have done the leading and laboring richly deserve the support of the people of Prince Rupert."

Church Services To Be Broadcast

Installation of telephone lines between all city churches and radio station CFPR was completed this morning, offering the early possibility of broadcasting church services over the local station. Following a meeting of the Prince Rupert Ministerial Association held in the Presbyterian hall this morning, Rev. A. F. MacSween, the secretary, said that no announcement is yet available regarding details of th church broadcasts. Mr. MacSween said that in future meetings of the association will be held in the Civic Centre instead of the Presbyterian Church parlors as in the past.

WHAT IS HOME WITHOUT A GARDEN?

(By Gordon Lindsay Smith)

NEW FLOWERS AND VEGETABLES—Each year sees scores of new flowers and vegetables offered to the Canadian public. Sometimes these are brand new varieties entirely, especially in the flowers, but more often it is an improvement over or an addition to one already well known.

Flowers that were formerly tall can now be secured in dwarf style suitable for edging, or doubles are available where previously only single were known. There are new shades and perhaps brand new colors. In vegetables, plant breeders have been concentrating on earliness, better flavor, elimination of hard cores or stringiness.

Not so long ago only a few varieties of corn could be grown in Canada and these only in the milder areas. Now, thanks to the plant breeders, there is not a province in which good garden corn cannot be produced. A few days lopped off the maturity period for any vegetable or the time it takes to bring flowers to the blooming stage, pushes varieties farther north.

Then again, thanks to the plant breeders, several different types in most vegetables and flowers are now available, thus increasing the chances of success in northern gardens and adding variety everywhere.

Beginners are advised to look over the new Canadian seed catalogues carefully and keep in mind these new additions. The old corns, beets, carrots and beans of 10 years ago, while still available, are not to be compared with the earlier, hardier and more flavoring types offered today.

New Lawns And Old

One of the very first on-the-land jobs in the spring is lawn work, especially the patching and general cleaning up of established lawns. One can start this job almost as soon as the last snow is gone. Grass seed makes its best growth in cool weather. For patching and new lawns, too, experts advise getting a good grade of lawn grass, which will be a mixture of various sorts of grasses designed to make growth quickly and stay green year after year. For patching, the bare spots should be thoroughly stirred with a rake, then seeded rather heavily. Covering with brush or wire will protect from the birds.

Fairly early in the spring is the best time to apply commercial fertilizer, which should be spread according to directions and preferably just before a rain which will wash it in and prevent burning. Too often the average lawn is regarded as some permanent fixture which should take care of itself. As a result it soon shows wear and tear and eventually may produce more plantain, dandelion and other weeds than grass. Good lawns are fed regularly with fertilizer, are rolled early in the spring when the ground is soft.

Growing Your Own Plants

Rather than purchasing started plants, in many sections of Canada this may be impossible or inconvenient anyway, many gardeners start their own hot beds or shallow window boxes. The former are merly glass protected outdoor beds, where additional heat is provided by an underlying bed of fresh horse manure or hot water pipes or electric cable. The window boxes are shallow affairs, a couple of inches deep, placed in a bright window. The soil used should be fine and loose, preferably a mixture of sand and leaf mould. Seeds are planted in March and in rows about an inch apart. When the plants develop their second set of leaves they are transplanted to larger and cooler quarters and a few weeks later they are set outside. Ventilate and keep soil moist.

Next Week—Layouts, vegetable groups, showy flowers.

According to a statement by an officer of a Canadian life insurance association: "Although radio, motion pictures and other media have an obvious appeal, the foundation of our public relations program has remained the press and we feel that it will continue to do so."

POPULAR LOCAL GIRL IS BRIDE

Miss Joyce Ratchford and William Eckels United

A pretty wedding of local interest took place in the manse of First United Church at 7 o'clock Saturday evening when Joyce Lorraine Ratchford, eldest daughter of Mr. and Mrs. Joseph Ratchford of 721 Fifth Avenue West, became the bride of William Harry Eckels, son of Mr. and Mrs. Samuel Eckels of Merced, California. The rite was performed by Rev. R. A. Wilson.

Given in marriage by her father, the bride was lovely in a white brocaded gown of floor length with fingertip veil crowned with orange blossoms. She was attended by her sister-in-law, Mrs. Pat Ratchford, wearing a blue floor-length gown with white headdress.

Groomsman was Graham Whatman.

Following the ceremony, which was attended by a few friends, a reception was held at the home of the bride's parents, where more than 100 guests congratulated the newly married couple.

The bride cut a three-tiered wedding cake in traditional fashion and was the recipient of a toast to which the bridegroom responded.

A veteran of both the Canadian and American armies, the bridegroom is employed with the Canadian National Railways here. Mr. and Mrs. Eckels will reside in Prince Rupert.

BIDS GOODBYE TO PLANE—F/L C. E. Snider, Peterborough, Ont., says farewell to the giant Liberator he piloted from Britain to Canada on the last mail-carrying flight of 168 Squadron of the Royal Canadian Air Force. The service was instituted more than two years ago to speed mail to and from Canadian servicemen overseas and ended recently. Henceforth TCA will handle deliveries of service mail overseas. F/L Snider is carrying an armful of his flying clothes as he leaves the aircraft for the last time.

JOHN CONNERY LAID AT REST

Large Attendance of Friends And Veterans at Final Rites

Many friends and veterans attend First United Church yesterday afternoon for the funeral of the late John Connery, well-known railway and cannery man who passed away late last week. Rev. R. A. Wilson officiated and spoke fitting words of tribute to deceased and comfort to the bereaved. With Fire Chief H. T. Lock presiding at the organ, the hymns were "Abide With Me" and "Lead, Kindly Light."

Following the service interment was made in the veterans' plot at Fairview Cemetery where "The Last Post" was sounded by Bugler W. J. Rance.

Honorary pallbearers were J. H. Thompson, Frank Feero, William Red, J. S. Patrick, Inger Morse and Roy Franks, and active pallbearers, Sgt. O. L. Hall, Hugh Killin, W. F. Robertson, R. R. Strachan, O. D. Hougan and Alex Zembella.

Many floral tributes were presented.

The funeral was under the auspices of the Canadian Legion, deceased having been a veteran of World War I.

Modern Etiquette

By ROBERTA LEE

Q. Is it a cause for annoyance to have someone give a wrong pronounciation of one's name?

A. Yes, it is, but a well-bred person will not show the annoyance. If possible, one can tactfully correct the person if the error is repeated.

Q. When a girl is giving a party, and one of the guests brings a box of candy, should the candy be passed around?

A. Yes, it is the only generous thing to do.

Q. Is the formal or the informal type of entertainment the greater compliment to the guest?

A. The informal entertainment.

Typical of the many good causes which are supported by daily newspapers is a scheme to send food parcels to 5,000 of France's undernourished families.

the existing highway with the ultimate object of having this become a first class highway.

That the request of the Prince Rupert Industrial Development Committee to the provincial government for assistance in connection with the development of markets in the Orient and Eastern Pacific for the natural resources particularly of processed timber products of northern and central B. C. be endorsed.

That the provincial government be requested to complete a trunk highway from Prince George to the Alberta boundary.

That the request of the Prince George City Council that this year's session of the Union of B. C. Municipalities he held in Prince George be endorsed.

To Meet Before Provincial Union

The next meeting of the Association is to be held 30 days prior to the meeting of the Union of B C. Municipalities.

A vote of thanks was passed to C. L. Dimock who acted as secretary of the conference. Mr. Dimock was made an honorary member of the association.

On behalf of the Village Commissioners of Smithers, Mr. Gould expressed appreciation of the fact that the first meeting of the association was held in Smithers.

A motion of thanks was passed to Smithers for the splendid co-operation extended the association during its conference.

A motion of htanks was passed to F. M. Dockrill for conducting the delegations of the association on a tour of the coal mines.

A motion of thanks was passed to the press for covering the meetings so fully.

FAREWELL FOR PASTOR SMITH

Social Gathering at St. Peter's Prior to Departure Today for Peace River

A delightful social was held in St. Peter's Hall Saturday night as a farewell gathering to Rev. and Mrs. G. H. Smith who are leaving today for Dawson Creek after having been here for the past couple of years. The event was well attended by members of the congregation and their friends.

Highlight of the evening was the presentation by the Young Peoples' of "Many Moons," a pantomime in three parts directed by Rev. Gordon Smith. Those taking part were Shirley Tremere, Donna Kerrigan, Pat Tumilson, Ronald Priest, Charles Graham, Margaret Graham, James McDougall, Robert Franklin, Richard Tweed, Henry Dixon, James Hemmons, Lavinia Elliott, Neil Gillespie, Ralph Overgaard, Lloyd Franklin, Marjorie Duffus.

After the play interesting moving pictures of plywood were shown by M. L. Harper, followed by a short comic strip of community singing, in which the congregation joined.

During the intermission W. Skinner, rector's warden, on behalf of the congregation, presented Rev. and Mrs. Smith with a purse. Mr. Skinner in a few words expressed the esteem Rev. and Mrs. Smith had earned in the community and also the keen regret of the parish at their leaving. A presentation was also made to Mrs. H. Caddick, on behalf of the Senior W. A., of two pictures of local views.

An interval of dancing followed, after which refreshments were served by the Senior W. A.

Mrs. Helen Marchildon acted as pianist during the evening's entertainment.

Flash pictures were taken by Frank Baldwin.

The evening was brought to a close by the singing of "Auld Lang Syne."

THIS AND THAT

"Well, I suppose I should say, 'Thank you'!"

Timely TERRACE Topics

The Catholic Women held a meeting at the home of Mrs. E. Whalen Thursday evening last.

The Credit Union whist drive on Wednesday evening was much enjoyed.

A very successful dance was held by the Oddfellows Friday evening. A large crowd was present and many evening gowns were in evidence. Excellent music was provided by the orchestra.

RED CROSS AT TERRACE

R Cory Elected President—Mrs. Robinson Reports on Convention

TERRACE— Election of permanent officers for the year took place at the Red Cross meeting held on Thursday night in the Red Cross rooms. The following were elected.

President, R. Cory.

First Vice - President, Allan Major.

Second Vice-President, C. W. Michiel.

Secretary, Mrs. A. J. Harris.

Treasurer, Mrs. T. E. Brooks.

Executive—Mrs. George McAdams, Mrs. G. Dover, Mrs. C. Norrington, Mrs. S. F. Campbell, Mrs. S. G. Mills, Mrs. D. G. Little, Mrs. Will Robinson, Mrs. C. L. M. Giggey, Miss Annie Lips, Mr. Dubeau, Frank Gavan. Of these, Miss Lips is Junior Red Cross representative, Mrs. Dover is works convener, Mrs. Norrington is in charge of publicity, F. Gavan is in charge of advertising, Mr. Dubeau is campaign manager.

Plans were made for the Red Cross membership drive and the following volunteered their services as canvassers: Mrs. S. F. Campbell for Lakelse Valley, Mrs. Norrington and Mrs. Robinson for Park Ave. and the adjoining section, Mrs. A. J. Harris for part of the down town section and Allan Major for Lakelse Ave. and parts adjoining.

Reports On Convention

Mrs. W. Robinson, delegate to the Red Cross convention held recently in Vancouver, presented her report. In a very interesting manner, she talked of the different matters which had been discussed at the convention. In this connection she spoke of the activities of the Red Cross at Shaughnessy Hospital, Vancouver, the Red Cross Lodge recently opened near the hospital, the heavy work done by the Red Cross during 1945, the present financial standing of the Red Cross, the need for larger self-contained administrative quarters in Vancouver, the function of the Red Cross in securing blood plasma and its uses, the interest taken by the Red Cross in nutrition, home nursing, first aid and the teaching of swimming to youngsters, the work of the Junior Red Cross. The aims of the Red Cross she summarized as better health, better welfare and happier living.

It was at a round table conference during the convention that Mrs. Robinson brought to the attention of Dr. Scott the need of a hospital at Terrace resulting in Dr. Scott's recent visit here to look into the situation.

While Mrs. Robinson was visiting the Red Cross Lodge, she visited Corporal Elliot Head who is at present a patient in Shaughnessey.

At the conclusion of her address, Mrs. Robinson was heartily applauded and thanked for her excellent work.

Allan Major, recently returned war veteran who was wounded in overseas service, gave an interesting account of the good work done by the Red Cross for wounded soldiers. It was the kindness of the Red Cross and its many volunteer workers which made long convalescence bearable.

Mrs. C. J. Norrington, secretary for the Hospital Association, read a letter from that association which is to be forwarded by the local Red Cross to Col. Scott. The letter asked the Red Cross to establish a hospital here and stated why such a hospital is necessary.

What is LANTIGEN?
Lantigen is prepared in a licensed laboratory in Australia. Lantigen is not a patent medicine but is a vaccine in a dissolved state. When taken it stimulates the system to create resistance against disease. It acts first by local absorption by the mucous membrane principally lining the nose, the throat, and the intestinal tract, and it is further operative by means of its distribution through the system.

A Dissolved Vaccine to be taken by mouth
Price $6.00 Per Bottle

AN EMINENT PHYSICIAN
Writing in the "British Medical Journal," speaks as follows in the issue of January 15, 1936: "In my experience, the oral antigens have been mostly employed for cases of Catarrhal infections, rheumatic conditions and catarrhal enterocolitis. Clinical response has been quite definitely marked." This important statement, however, heralds the dawn of a great release for Catarrhal sufferers.
