DRILLING FOR OIL

1859 it was discovered that leum could be produced the earth by drilling.

"You'll Be Sorry," Declares Franco

MADRID (CP)—The Spanish cabinet, headed by Generalissimo Francisco Franco, last night warned the United Nations general assembly that its resolution against Spain was a "terrible precedent for future relations among peoples which a majority of the nations will soon regret."

At its regular Friday session, the cabinet considered the General Assembly's action this week in adopting a resolution requesting all member countries to recall chiefs of their diplomatic missions in Spain.

The United Nations Assembly on Thursday night had passed 34 to 6 a resolution recommending that all members immediately recall from Madrid their ambassadors and ministers to Franco Spain. The long-fought resolution also provided that, if the Franco regime remained in power, the security council should consider "adequate measures" to remedy the situation and that the present Spanish government should be barred from membership in all internation agencies connected with the United Nations.

POST-WAR BREAD IN U.K. DARKER

Food Expert Says Pre-War White Flour Gone Forever In Britain

LONDON (Reuters)—Britain will never again have flour of pre-war whiteness, Sir Jack Drummond, former scientific adviser to the ministry of food, told the Food Education Society.

Highest nutritional value came from 85 per cent extraction, but Britain would probably adopt the present 80 per cent rate as a permanent standard "because the color of the flour is more acceptable."

Psychological objections militated against any higher rate because "darker flour is associated with the hardships of war."

Sir Jack Drummond was one of the British feeding teams which went through the lines of the 1st Canadian Corps toward the end of the war and, with permission of the Germans, conducted a rapid preliminary food survey of the Netherlands enabling adequate relief measures to be taken before the country's liberation was complete.

SEMI-FERMENTED TEA

Oolong, a semi-fermented tea, is a compromise between black and green. After picking, the tea is slightly withered in the sun.

Peacetime Force Is Built As Men Return from War

Many Improvements Planned For Services In 1947 As Recruiting and Training Make Rapid Progress

By JOHN LEBLANC
Canadian Press Staff Writer

OTTAWA (CP)—Nineteen forty-six was the year the boys came home—and the year a handful of far-sighted young men laid the foundation for Canada's strongest peacetime armed force. The complicated, drawn-out task of repatriating hundreds of thousands of sailors, soldiers and airmen now is within a few hundreds of completion and recruiting is moving steadily toward the combined three-service goal of 53,100. The Navy's first winter cruise, Arctic studies by the Army, and R.C.A.F. plans for full-scale, Dominion-wide flying activities all are under way.

R.C.N. and R.C.A.F. repatriation is complete and all but about 1,800 army men are due to reach home by Chrismas. The others are expected to sail for the Dominion early in January. About the same time the approximate 500 wives and dependents of Canadian servicemen still in the United Kingdom will leave.

The recruiting box score,

Navy—8,600 of its 10,000 objective has been reached.

Army—15,000 of 25,000, with more than 27,000 all ranks now serving, including some 12,000 of "undetermined status."

Air Force—12,500 of 18,100.

A keynote of the services' peacetime plans is more "home atmosphere" away from home—and more pay.

Reduction of war complements means more comfort aboard R.C.N. ships and officials say every effort is made to have men serve at the coast nearest their homes.

The army plans dozens of barracks improvements—hospital-type beds instead of bunks, dressers, book shelves, lounges—and abolition of the traditional "lights out" and early-morning blanket-folding routine. The R.C.A.F. plans similar barracks embellishments.

NAVY STRENGTH IS GREATLY INCREASED

The navy will have two aircraft carriers, two cruisers, 12 destroyers, 18 frigates, 12 minesweepers and auxiliary vessels. A reserve force of 18,000 will train at establishments across the country and will spend about two weeks afloat during the summer.

First peacetime winter cruise saw the cruiser Uganda meet the carrier Warrior and her escorting destroyer Crescent in the Pacific off Mexico in November. After training moneouvres in southern waters they will sail to Esquimalt, B.C., early in 1947.

The army will have a striking head of 10,000 in an air landing brigade group. The other men will be spread through the new five operational area commands and many will provide training staffs for the 180,000-man reserve.

First large-scale undertaking after V-J Day was Exercise Muskox, a 3,100-mile journey through the Arctic from Churchill, Man., to Edmonton. Supplied by R.C.A.F. aircraft, Muskox was an example of successful in ter-service co-operation and helped speed solution of Arctic problems relating to clothing, equipment and vehicles.

Later, in Exercise North, a group of Pacific Command officers inspected the Alaska Highway region to acquaint themselves with probable difficulties in the event of sub-Arctic warfare.

Churchill is the base for continuing cold weather exercises aimed at a study of northland defence problems. Five thousand Canadians and a large force of United States army personnel will be stationed there soon.

The R.C.A.F., in addition to a 16,100-man regular force and 2,000 men in the northwest staging route, will have an auxiliary force of 4,500 and a reserve of 10,000. The regular formations will include eight operational squadrons—two bomber-reconnaissance, two transport, one photographic, and a mobile tactical wing composed of a fighter-bomber, a fighter-reconnaissance and an air observation squadron.

Auxiliary squadrons will be formed in these cities: Halifax, Quebec, Montreal (2), Ottawa, Toronto (2), Hamilton, London, Winnipeg, Regina, Calgary, Edmonton, Vancouver and Victoria. The reserve will be composed almost estirely of men who served in the R.C.A.F. during the war.

Is Better Shape To Meet Germany

NEW YORK, (CP) — The four power foreign minister's council finished peace-making sessions here with members in agreement that long experience they had in writing European satellite peace treaties would be a great help in making a German settlement early next year.

ROYAL BANK AT TERRACE

Sub-branch Started with Expectation of Further Expansion Later

Manager Arnold Flaten and William Barton of the local branch are at Terrace today opening a branch service for the Royal Bank of Canada. In the meantime a sub-branch will be operated by local staff at Terrace each Saturday, the expectation being that this will be expanded possibly to full branch status. Terrace has been without a bank for several years although it has been increasing in importance as an agricultural and industrial centre.

COLD SNAP ON PRAIRIE

WINNIPEG, (CP) — Below zero temperatures swept the entire prairie region yesterday. The coldest spots were in Saskatchewan, with both Saskatoon and Regina reporting 36 below.

HIGH WINDS HIT ONTARIO

TORONTO (CP) — A trail of thousands of dollars property damage was left yesterday in the wake of heavy winds which swept across Lake Ontario after a prolonged mild spell. The mercury dropped as much as 30 degrees in several Ontario centres.

THE END OF THE MIGHTY "NORMANDIE"—Morris E. Lipsett, of Jamestown, N.Y., is shown looking over the huge charred hull of the former French luxury liner, S.S. Normandie, which he purchased for $161,680 from the U.S. Maritime commission. Lipsett said the deal was a gamble because of the high cost of labor in turning the massive steel hull into scrap. The vessel, which cost $65,000,000 to build, was gutted by fire four years ago as it was being converted into a troop transport.

HIT AT LABOR IN POLITICS

WASHINGTON, (CP)—Representative Carl Curtis said yesterday that the House campaign investigating committee likely will recommend legislation to curb the political activities of labor unions in the United States. The proposals would hit directly at the C.I.O. political action committee.

ARMS DRAFT IS APPROVED

United Nations Speeding Toward Final Action on Reduction Program

NEW YORK, (CP)— The United Nations sped toward final action on the principles of a world-wide arms reduction program yesterday when the General Assembly's powerful political committee approved unanimously the draft resolution laying down general terms of an arms plan.

The resolution recommended that the security council formulate plans for armament limitations and set up inspection control machinery to detect and prevent violations.

AUSSIES BOOST FLOOR ON WAGES

MELBOURNE, (CP)—The Australian industrial arbitration court announced an increase of seven shillings ($1.12) in the nationay minimum weekly wage. The increase brings the minimum pay for unskilled married workers with one child to $17.

Three Are Dead In Political Murders

ATHENS, (CP)—Police reported here today that three persons met violent deaths during the night in political slayings which have increased throughout the tense capital.

Gyro Officers Are Installed

Ranking International and District Officers at Annual Ceremonial of Prince Rupert Gyro Club

Distinguished by the presence of the ranking international and district officers — International President G. M. Yorke of Vancouver and District Governor Fred Hawes of Victoria—the annual installation of officers of the Prince Rupert Gyro Club took place last night at a happy dinner-dance in the Commodore Cafe. C. G. Ham, who has served as secretary for several years, was installed as president, succeeding W. D. Lambie. Also among the honored head table guests of the occasion were Mayor H. M. Daggett, who brought the best wishes of the city, and A. S. Nickerson, representing the Rotary Club, and R. E. Montador, Kinsmen's Club president. Arrangements for the installation party were in the capable hands of Past President W. F. Stone.

In addition to the installation, feature of the evening's program was an address by International President Yorke who spoke of the exemplification of friendship as found in Gyro and epitomized so well within the Prince Rupert club which was known far and wide for its hospitality and camaraderie. He told of some of his experiences and travels since he had assumed the international presidency. The further he travelled and the more he saw of Gyro, the prouder he was of it. Mr. Yorke urged Prince Rupert Gyros to start planning now for a large attendance at the international convention to be held next August in Seattle.

The installation of officers was conducted in impressive manner by District Governor Fred Hawes who charged the following in their duties and responsibilities for the year to come:

President, C. G. Ham.
Past President, W. D. Lambie.
Secretary, Alf Rivett.
Treasurer, M. C. Brydges.
Directors—D. G. Allen, O. G. Stuart, Dr. R. G. Large and A. J. Dominato.

In his remarks as retiring president, W. D. Lambie referred to the pleasure it had been for him to have acted as the

South Africa To Have A More Important Part In Defense of Empire

LONDON (CP) — Dominant impression among military commentators is that Great Britain is about ready to wipe off the Mediterranean route as a defence life line and South Africa will have a growing place in the Commonwealth defence set-up. One British magazine says strategists foresee a vast development which will open up all Africa south of the Sudan as a "great Empire base."

U.S.-Britain Cut Forces

Drastic Reductions in Disposition of Troops Disclosed by Byrnes and Bevin

NEW YORK, (CP)—Secretary of State James F. Byrnes disclosed to the world early today disposition of all United States troops outside the American borders, setting the total at fewer than 550,000, and Foreign Secretary Ernest Bevin of Great Britain said Britain's forces at home and abroad have been cut below 1,000,000.

The two world leaders, making their first platform appearance before the United Nations Assembly here, both spoke in general arms limitation debate and flatly accepted the basic program laid down by the United Nations.

Mr. Bevin said that Great Britain was ready to supply any information desirable and said his country had slashed its forces from "over 6,000,000 to well below 1,000,000" and, after occupation would go down even further.

Churchill Expects India Civil War

LONDON, (CP)—Former Prime Minister Winston Churchill told the House of Commons that he expected a civil war in India which may cause an "awful abridgement" of population and accused the Labor government of direct responsibility for thousands of lives already lost in continual violence.

INQUEST OVER BODY FOUND AT KITKATLA

An inquest into the circumstances surrounding the death of an unidentified man whose body was found on a beach in Kitkatla Inlet, Porcher Island, last Sunday, will be held here by Coroner M. M. Stephens at 4:30 tomorrow afternoon.

The body was brought to the city by the provincial police boat F.M.L. 15, which went over to Porcher Island yesterday, picking up the body at Gurd Island, a small island in Kitkatla Inlet.

The body was discovered Sunday by two native clam fishermen on a lonely beach. The men were attracted to the spot by a number of gulls and ravens which had collected. The body was badly decomposed.

The possibility exists that it may be that of 73-year-old Hans Jacobsen, who has been missing in that area for more than two months.

YOUTH HELD FOR ARMED ROBBERY

VANCOUVER, (CP)— James Leo Van Dorn, aged 20, of Vancouver, was held in city jail last night on six charges of armed robbery and police said his confessions have "cracked" Vancouver's current crime wave in which loot of more than $8000 was taken in 15 hold-ups in 14 days.

Mother's Evidence Is Being Heard

NORTH VANCOUVER, (CP)—Before committing Donald Russell for trial on charge of murder of Robert F. Tepoorten, Magistrate M. J. Bayfield denied a defence counsel request to bar evidence of Mrs. Russell. Russell gave himself up to police in Vancouver November 23 when his money ran out and he got hungry.

RESOLUTION UPON VETO

Present Rather Important Motion May Have More Effect Later

NEW YORK, (CP)—The United Nations General Assembly last night adopted a controversial resolution which may eventually reduce the use of the veto. The vote was 36 to 6 with 11 powers abstaining.

The final resolution was watered down after a long committee debate, merely calling on the five great powers to take note of small power opposition to special voting privileges and to seek agreement on conditions under which the veto should be exercised.

Says Most D.P.'s Back In Old Land

Refugee Council Head Reports Emmigration Is Possible Soon

LONDON (Reuters) — Eleven million of the more than 12,000,000 displaced persons at the end of the war have returned to their own countries, says Sir Herbert Emerson, vice-chairman of the Christian Council for Refugees.

Of the remainder, "no less than a mlion could go back but are quite willing to do so," he reported in a statement. Many displaced persons believed themselves far more comfortable in their displacement camps than in the unsettled conditions of their own countries.

Prospects of emmigration to other countries had begun to open up, especially in South America, but much financial assistance would be needed to get them to their new homes.

He expressed hope that United Nations' action in accepting the refugee problems as urgent would result in the International Refugees Organization becoming operative within six months.

Engineer Operates Movie Puppet Show

DENHAM, Eng. (CP) — Stanley Harvey, 37-year-old government engineer, is spending his annual vacation in a British film studio running a Punch and Judy show.

Stanley built his puppets to amuse children near his home. Film director Frank Lounder saw the show and asked him to take part in an old-time fairground scene for a new British movie.

He hopes to make enough money to pay for an engineering course.

EQUI-DISTANT

The stars, on the average, are as far from each other as the nearest of them is distant from the earth.

NORANDA STRIKERS PICKET IN COLD WEATHER — Picket line work at the Noranda mine in Northern Quebec in below-zero weather is a rugged chore, but these striking workers are well clad for the job. Just to make conditions a little better a picket scatters sawdust on the slippery going in front of the main gate.

Canada's Economic Picture . . .

THE CLOSING YEAR 1946 brought on Canada's reconversion worries in a rush. At the year end conditions are taking a more definite peacetime form, but war's hangover still leaves its imprint on the lives of Canadians.

There are still shortages necessitating continued rationing of some foods—sugar, meat, butter; many other goods are in short supply; but employment and income are at a high level and, on a domestic plane at least, Canada's outlook for 1947 is bright.

Inflation remains a major government worry and is slowing down the gradual decontrol policy adopted immediately after the war. Expectations are that as production can be accelerated with the possibility that few, if any, will remain at the end of the year.

Housing difficulties, present throughout the war, reached new heights as veterans returned and sought homes. Particularly in larger centres the problem is acute.

Construction of new homes is hampered by shortages of skilled workers and materials, with strikes contributing to the material shortages. Nails have become as precious as though they were made of valuable metal. The 1946 target of 60,000 new homes fell short by between 5,000 and 10,000 but Reconstruction Minister Howe predicts 1947 will bring the greatest building activity the country has ever seen.

The high level of income that was maintained in 1946—more than double that of 1939—adds to the inflationary threat with a shortage of goods to soak up the available spending power. High production holds promise of the best protection.

Price control has been eased during the year, particularly on goods regarded as non-essential. and living costs have risen noticeably but there is no evidence of an immediate abandonment of price control. Wage control, on the other hand, is on the way out.

Winding up tag ends of war business was a major government activity of the year. War contracts were reviewed to determine whether profits had been xecessive and re-negotiation of contracts returned $400,000,000 to the Dominion treasury.

Sale of surplus war materials will have passed its peak by the end of the year but is continuing at the rate of $20,000,000 a month, with total sales in excess of $300,000,000. Thus, with the year of reconversion ended, the way seemed paved for concentration in 1947 on shaping Canada's war-found strength for its first real test in a competitive world field.

The Workmen's Compensation Act
NOTICE TO EMPLOYERS
Effective January 1st, 1947, any employer engaged in the HOTEL BEER PARLOUR or CATERING BUSINESS and having any employee or employees (other than members of the family of the employer) employed at such work is deemed to be engaged in an industry under the Workmen's Compensation Act provided that:
(a) The employer in the hotel business operates a hotel, lodging house, club or other place where lodging is furnished and having in any case ten or more bed rooms, or
(b) The employer has a licence to operate a beer parlour, or
(c) The employer in the catering industry operates a restaurant, cafe, eating house, dance hall, cabaret, banquet hall, cafeteria, tea-room, lunch room, lunch counter, dining-room or kitchen in connection with an industrial or commercial establishment, or office building or school or any other place where food is cooked, prepared and served and for which a charge is made.
whether or not any such establishment mentioned in clauses (a), (b) and (c) herof is operated independently or in connection with any other industry.
Also brought within the scope of the Act on and after January 1st, 1947, is:
(1) Any employer operating an APARTMENT HOUSE or COMMERCIAL BUILDING in which rooms, suites or space is rented to a tenant and which employer has any employee or employees (other than members of the family of the employer) employed in the maintenance, servicing or repair of the building, AND
(2) Any employer operating a RETAIL STORE and having any employee or employees (other than members of the family of the employer) employed therein, AND
(3) Any employer engaged in the business of LAND SURVEYING, AUCTIONEERING or operation of a PRIVATE SCHOOL, PRIVATE CLUB, NURSING HOME, VETERINARY HOSPITAL, DENTAL LABORATORY, BARBER SHOP, HAIR DRESSING ESTABLISHMENT or BEAUTY PARLOUR, PHOTO TAKING or PHOTO PRINTING SHOP, STOCKYARD, LAND CLEARING, LANDSCAPE GARDENING or other GARDENING AS AN INDUSTRY (exclusive of market gardening), HORTICULTURAL NURSERY, CHRISTMAS TREE CUTTING, DISTRIBUTION and SERVICING of AUTOMATIC MUSIC MACHINES, WATCH REPAIRING or BROADCASTING STATION (exclusive of players and artists) and having any employee or employees (other than members of the family of the employer) employed at such work.
Such employers are now required to register with the Board by submitting an estimate of their payroll expenditure for the calendar year 1947. Forms for this purpose may be obtained from this office, together with such other information as may be required.
The Workmen's Compensation Act provides that an employer who has not registered with the Board may be held liable for the cost of an accident occuring prior to such registration, in addition to the regular assessments.

Christmas and Miss ... the nursing staff ... Hospital sailed ... on the Prince ... Vancouver where ... the Christmas

Advertising Pays!

Lieut. Col. A. Hamilton Grant, local veterans' officer, is leaving on the Camosun tonight on a trip to Vancouver.

Dr. R. M. McKenzie, Ketchikan dentist and business man, and Mrs. McKenzie were passengers aboard the Camosun yesterday afternoon returning north after a trip to Seattle.

Local News Items . . .

▲ Cash for old gold. Bulger's.

Don Norton and Jack Bouzek customs officers from Stewart, are spending a week in the city.

▲ Elio Furniture Store will be closed from Dec. 9th to January 5th, 1947. (d27)

J. S. Black, Carpenters' Union business agent, leaves tonight on a business trip to Ocean Falls on the Union steamer Camosun.

Lloyd Morris, for the last six years announcer at radio station CFPR, leaves tonight on the Camosun for Vancouver where he has been transferred to the staff of station CBR with the Canadian Broadcasting Corporation. Mr. Morris resigned this week as president of the Prince Rupert Junior Chamber of Commerce, a position which will be filled by A. P. Crawley, at present first vice-president of the Junior Chamber.

▲ Christmas Tree for children of members of Canadian Legion. List of names definitely closes at 11 o'clock tonight.

▲ Basketball Tonight, Civic Centre.

▲ Basketball tickets for New Metlakatla-Prince Rupert series now available at 99 Taxi, Grotto and Civic Centre. Please phone your orders early. (290)

FORMER LOCAL GIRL MARRIED

The wedding of Miss Eileen Horton, eldest daughter of Mr. and Mrs. H. J. Horton, formerly of Prince Rupert, took place in Jasper recently when she became the bride of Clayton McLachlan of Edmonton. The ceremony was performed by Rev. A. D. Carr in the Jasper United Church.

The bride was given in marriage by her father and was attended by her sister, Miss Bernice Horton, who acted as maid of honor, and by Miss Jean Hanna of Edmonton, bridesmaid.

A reception at the home of the bride's parents followed the ceremony, at which more than 100 guests conveyed their good wishes to the newly-married couple.

Following a honeymoon spent in Edmonton, Mr. and Mrs. McLachlan returned to take up residence in Jasper where the bridegroom is on the staff of the Hudson's Bay Co.

After this date I will not be responsible for debts contracted in my name by anyone other than myself.

ANDREW FOSS.
December 11, 1946. (290)

SATURDAY SERMON

REVELATIONS OF GOD

(By ADJUTANT P. L. GORIE)

"For God so loved the world, that He gave His only begotten Son that whosoever believeth in Him should not perish, but have everlasting life." —John 3:16.

In this verse we have "the gospel within the gospel." As we meditate upon it we lose our fears in the wonder of this revelation of God's love.

The fact of God's existance is brought to us in this verse. While many ideas exist concerning the process of creation, almost everyone recognizes the existance and reality of God. God is a reward of those who see Him. Man cannot describe God, nor even define Him, how then can He be found? How can we know Him? God has revealed Himself to us in His Son, Jesus Christ. If you would know God read in His word and prayerfully consider the life and teaching of Jesus.

God's love is also revealed here. All of us love and love to be loved. There are different kinds and degrees of love—filial, marital, paternal, etc. History records outstanding examples of love and devotion, and our lives daily are enriched by love but, far excelling all earthly love; is the eternal love of God which is the greatest thing on earth and the mightiest force in human experience. Divine Love is as infinite as the Divine Nature.

We see also sacrifices — "He gave His only begotten Son." Sacrifices are common to man —good parents willingly and even joyfully sacrifice for their children and often children sacrifice for parents. Self-sacrifice is necessary in the development of spiritual life and character but the sacrifice of God cannot be fully comprehended, we can only say with the hymn writer "Love so amazing, so Divine demands my soul. my life, my all."

The necessity for faith is shown here—"Whosoever believeth." The Bible states "He that cometh to God must believe that He is and that He is a rewarder of them that diligently seek Him." Nothing is so paralyzing to the work of the Saviour as lack of faith. The Great Physician needs acknowledgment of sin's presence before He can cure it and the Great Advocate must have full confidence before He can plead our cause.

The fact of death is revealed here. Hard by the cross of Calvary are the Judgment seat and the Mercy seat. There is either death by sin—according to God's word, or death unto sin—according to Divine promise. Our attitude to the Cross determines our destiny.

Pardon is not wrung from God. It is wrought by Him. It is for the world, and is claimed by "whosoever believeth" which can include each individual in the world. The world has many great men and many good but only one Saviour. Have you accepted Him as yours?

Pr. Rupert Hoopsters Lose

Local High School Unable to Cope with Kayhi Defence On Small Floor

KETCHIKAN, (Special to Daily News)—Unable to cope with Kayhi defence on the small playing floor, Prince Rupert lost the second international High School basketball game here last night by a score of 28 to 20.

Nevertheless, it was a keenly contested game with half time score 12 to 11 for Ketchikan. Rough and close checking featured the play.

High Scorers were Hartwig for Prince Rupert with six points and Graham for Ketchikan with 10.

The Prince Rupert team sailed by the Camosun today on its return home.

The series will be continued with two return games at Prince Rupert December 27 and 28.

Ski Meet at McClymont Park Sunday

The layer of white stuff that covers the city is the source of much and varied conversation these days but to a small group of people it is very welcome. This group, the Prince Rupert Ski Club, is anxious that many more people become as enthusiastic about the situation and is inviting all and sundry to participate or spectate at an open ski meet to be held in McClymont Park on Sunday afternoon.

As far as can be learned this will be the first time that a meet has been held right in the city and the club hopes that it will not be the last one.

The contest is open to all and will consist of a jumping event and a slalom course. If there is enough demand there may be a cross-country. There will be classes to suit skiers from the ages of 6 to 60—so dust off those planks in your basement and come on out.

War Assets Bowling Scores

Wingdingers, Wasps and Spitfires each won three straight games in last night's War Assets bowling but, strangely enough, the team with the highest aggregate score won only two of its three games. The league-leading Gulls, with a grand total of 2,882, had the highest score but were defeated in their final game with Mosquitoes by a final rally which gave the Mosquitoes the high single game score of 976.

Here are the game scores:
Spitfires 3, Helldivers 0.
Wasps 3, Chickens 0.
Windingers 3, Sharpshooters 0.
Gulls 2, Mosquitoes 1.

War Assets Bowl Standings

	W.	L.	P.
Gulls	23	7	23
Wasps	19	11	19
Helldivers	17	13	17
Mosquitoes	16	14	16
Chickens	13	17	13
Sharpshooters	13	17	13
Wingdingers	10	20	10
Spitfires	9	21	9

"MR. CANADA" RETIRES.

To thousands of hunters and fishermen and just plain tourists, Ernie Poole has been synonymous with Canada for more than twenty years. His work as General Tourist and Convention Agent for the Canadian National Railways, which he is now relinquishing to go on pension, made him familiar to tourists and sportsmen throughout North America as one of the most knowing guides to hunting and fishing places in Canada. To his wide experience of the country and its wild life he added an intimate knowledge of men, and, as one magazine put it, he is the "possessor of one of those personalities that makes it possible for him to fit in perfectly at some lonely campfire or at the head table in a great hotel in one of our biggest cities." Not only did Ernie come to know Canada as intimately as he did his favorite fly-book, but he has had a hand in making it—for the sportsman. He has been responsible for stocking many a lake and stream with fighting fish, for opening up new territories and improving facilities such as trails and bridges.

Mayors' Duet Hoists Radio Auction Bids

A duet involving Mayor-elect Nora E. Arnold and Mayor H M. Daggett with possible expansion to a trio with Ex-Mayor W M. Watts will probably be a highlight on tonight's radio auction program as bids for such a joint expression of their musical talent mount. Another inspired source of bids is a vocal solo by Dr. W. S. Kergin.

Last night's radio auction program featured a Member of Parliament and a member of the provincial legisulature. Harry Archibald M.P. told a story on the air while William Smith, M.L.A. for Atlin sang "Road to the Isles." Mr. Smith's song raised $5 for raduio auction objectives, while Mr. Archibald's story was for a $2 bid.

Popular items on last night's program also were a monologue by Harry Astoria, songs by Helen Hibbard, vocal solos with guitar accompaniment by Francis Faught, Andy McNaughton at the piano and songs by Benita Windle.

After the program went off the air, several merchandise items were auctioned to the studio audience in the Civic Centre auditorium.

Announcers were Walter Smith and Neil Kingston. Mrs. J. S. Black was piano accompanist.

LARGEST SALMON

On the west coast, the King or Chinook salmon is the largest of five species caught. His average weight is about 20 to 25 pounds.

High Tides Embarrassing and Damaging—Fish Boats Instal Depth Sounders

his week's extremely high tides caused more a little embarrassment and some damage in shore buildings where basements were flooded boat shop floors covered by as much as two feet ater. The extremely low tides, which always ac- pany the high ones, caused their share of havoc,

ness the plight of Jack am's 26-foot gillnetter Lone and the small troller Tru- owned by Jimmy Thomp- nd Bill Nesbitt. These two moored near the Home floats were victims of a ide.

red at what their owners ted was a safe distance ore, the Lone Star and au were, nevertheless, not nough out to stay afloat the tide level dropped to nd the rested on the rocky lying over so that when ide rose, it filled both boats. h tide, nothing was visible he tops of their slender The Trudeau was raised hursday morning, but the Star was still a fathom under on Thursday after- high tide.

dentally, Monday's high was one of the highest of ear. The official reading 23.9 feet but strong west- wind raised it another 18 so that it reached the t level, which is ample to flood several basement warehouses along the waterfront.

* * *

Kaien Industries, at Cow Bay, are at present building a couple of outboard boats for Canadian Government Telegraphs, which will be used in connection with their line work in the interior. Kaien Industries has a further job coming up in the near future, according to Bill Allaire, when Bienie Rae's logging service boat will be taken on the ways for hull repairs, which will include re-caulking, re-planking part of the hull, and the placing of gumwood facing on the forward part of the hull to protect the boat frim ice damage during its work on the Ecstall River. The boat also is to have a new Caterpillar diesel engine installed.

* * *

Capt. Bill Bussey's boat Atli, came off the ways at the Cow Bay Boat Works on Wednesday afternoon's high tide after receiving a new gumwood false keel. The Atli went on the ways at the end of last week and workmen had to do the job quickly in order to get the boat out again on the extreme tides early this week.

* * *

A Bendix supersonic depth sounder is to be installed in Capt. Peter Han's beam trawler Seiner by Al Colclough of Wilford Electric. The Seiner is at present at the Prince Rupert Dry Dock, where the installation will be made. More and more boats of the northern fishing fleets are having depth sounders installed to facilitate the finding of fish, and record the types of ocean floor on which different species of fish habitually lurk.

* * *

Fresh from Pacific Dry Dock Co. pontoons at North Vancouver, where she underwent annual overhaul, Canadian National Steamships' coaster Prince Rupert, Capt. Ernest Caldwell, made her first northern run in almost a month this week. While in dry dock, the Prince Rupert had several new hull plates put on and had a new set of cargo winches installed on her fore deck.

* * *

Union steamer Camosun, Capt. Ernest Sheppard, arrived in port at 3:15 yesterday afternoon from Vancouver and Ocean Falls with a fair-sized list of passengers and sailed at midnight for Ketchikan whence she will return here tomorrow evening southbound. The southbound sailing time of the Camosun from here has been changed from 11:15 to 9:15 Saturday night.

This morning at 6 o'clock, Union steamer Cataia, Capt. Alex McLennan, arrived in port, sailing later in the morning on her return to Vancouver and waypoints.

LITTLE THEATRE CASTS PLAYERS

Prince Rupert Little Theatre group made initial arrangements last night for production of a bill of three one-act plays Friday night. It completed casting of one of the productions but was unable to fill the casts of the other two owing to lack of players at the meeting.

The plays, which will be presented late in January in the Civic Centre aduitorium, are "Singapore Spider," a thriller, "The Mad Breakfast," a farce, and "The Wonderhead," a fantasy. Casting was completed on "The Wonderhead."

Producer and director of "The Wonderhead" will be Mrs. F. N. Good and the cast will include Mrs. Hazel Wright, Miss Isabel Dean, J. Goscoe, G. Woodside and John Good. Producer of "Singapore Spider" will be Rev. Basil Prockter, and "The Mad Breakfast" will be directed by Harley Lewis. Casting of these two later plays, however, has not been completed.

It is expected that the players will study their parts during the Christmas holidays and that rehearsals will begin in the early part of January.

Although the two-and-one-half-hour meeting was slightly incapacitated by a deficit of materialized members, regardless of the discomfiture of the circumstances, the 20-odd present incubated the evening into a crowning success, hatching not only directors and producers for the scheduled plays but auditioning and selecting the cast for two of them as well. Casting for the third play, requiring 10 actors, was postponed till the next general meeting as an incentive and objective for those members that were not able to be present at last night's meeting.

ORANGE LADIES' TEA SUCCTSSFUL

The home of Mrs. J. G. Anderson was attractively decorated with yellow and bronze chrysanthemums Thursday afternoon for the L.O.B.A. tea which was well attended and highly successful. General convener was Mrs. Johanson, assisted by Mrs. J. McLeod, Mrs. J. Andrew, Mrs. V. Menzies and Mrs. D. Bean.

Presiding at the tea table were Mrs. E. A. Evans and Mrs. L. Wide, while serviteurs were Mrs. W. J. Richards, Mrs. J. Hill and Mrs. M. Wide. Mrs. Hugh Killin was cashier during the afternoon. The raffle, directed by Mrs W. Way, resulted in a doll house being won by Cheryke Vreeland, a cushion by Mrs. Lawlay and a Christmas cake by Mrs. J. McLeod.

At the lodge sessions held in the Oddfellows' Hall in the evening the installation of 1947 officers took place with Mrs George Howe, Deputy Grand Mistress of the Grand Lodge of British Columbia, presiding.

During the evening it was decided to give $10 to the Women's Co-ordinating Council for the "Over Seventies" dinner and $10 to the Canadian Legion towards providing Christmas cheer for disabled vets in hospitals. The sum of $25 is also being sent to the Protestant Children's Home in New Westminster for Christmas cheer.

After the business meeting a Christmas party was held and small gifts exchanged between the members. Refreshments were served, followed by carol singing, with Mrs. J. Carr at the piano. Mrs. F. Ellison presented Mrs. Carr with a lovely gift as a mark of appreciation for her services at the piano during the year.

The children's Christmass tree will be held December 23 and the next lodge meeting January 9.

IN THE SUPREME COURT OF BRITISH COLUMBIA
IN PROBATE
IN THE MATTER OF THE "ADMINISTRATION ACT"
AND
IN THE MATTER OF THE ESTATE OF OLE KORNELIUS OLSEN, DECEASED, INTESTATE

TAKE NOTICE that by Order of His Honour Judge W. E. Fisher, Local Judge of the Supreme Court of British Columbia, I was on the 28th day of November, 1946, appointed Administrator of the Estate of Ole Kornelius Olsen, who died on or about the 10th day of September, 1946. All persons indebted to the said Estate are required to pay the amount of their indebtedness to me forthwith and all persons having claims against the said estate are required to file them with me properly verified on or before the 31st day of December, 1946, failing which distribution will be made having regard only to such claims of which I shall have been notified.

DATED at Prince Rupert, B.C., this 28th day of November, 1946.

GORDON F. FORBES,
Official Administrator,
Prince Rupert, B.C.

ANOTHER WOMAN MAYOR

Mrs. Norah Arnold of Prince Rupert is not British Columbia's only mayor-elect. Mrs. Emily D. Popoff was elected by acclamation in the small town of Slocan City in the southern interior.

Gyro Officers Installed

(Continued from Page 1)

leader of such a representative group of men, all of whom were playing a prominent part in community life. The new president, C. G. Ham, trusted that he would have the support of the members in the coming year. He spoke of some of his concepts of Gyro. He suggested organized activity among Gyro women.

Mayor H. M. Daggett acknowledged the splendid civic work which had been carried on through the years by Gyro, particularly in the way of playgrounds and recreational facilities. It had been a pleasure during his three years as mayor, to be associated with members of the Gyro Club in various lines of community endeavour.

A. S. Nickerson, for the Rotary Club, and R. E. Montador, for the Kinsmen, pledged the continuing support and co-operation of those organizations in working for the betterment of the community.

Towards the close of the dinner proceedings, Past President Stone was called upon to make presentations of souvenir gifts to the visiting international officers and their wives, to Mr. and Mrs. James Parker of a farewell gift and to W. D. Lamble of a past president's pin.

Following the dinner, dancing was enjoyed to the piano music of Andy McNaughton. Lusty singing around the piano was also enjoyed.

Among those present were: Mr. and Mrs. G. M. Yorke, Mr. and Mrs. Fred Hawes, Mr. and Mrs. C. G. Ham, Mr. and Mrs. W. D. Lambie, Dr. and Mrs. R G. Large, Mr. and Mrs. Jack Lindsay, Mr. and Mrs. Ronald Minion, Mr. and Mrs. Don Forward, Mr. and Mrs. C. V. Smith, Mr. and Mrs. W. F. Stone, Mr. and Mrs. George Brown, Mr. and Mrs. T. H. Wilford, Mr. and Mrs. Al Colclough, Mr. and Mrs. T. Fraser, Mr. and Mrs. C. A. Kellett, Mr. and Mrs. Maurice Brydges, Mr. and Mrs. C. F. McCarthy, Mr. and Mrs. D. G. Allen, Mr. and Mrs. D. C. Stevenson, Mr. and Mrs. E. E. Hyndman, Mr. and Mrs. F. C. Skinner, Mr. and Mrs. C. P. Balagno, Mr. and Mrs. J. T. Bruce, Mr. and Mrs. Young, Mr. and Mrs. G. A. Hunter, Mr. and Mrs. Neville Gerrard, Mr. and Mrs. S. C. Elkins, Mr. and Mrs. W. J. Scott, Mr. and Mrs. G. P. Tinker, Mr. and Mrs C. C. Mills, Mr. and Mrs. J. E. Parker, Mr. and Mrs. W. M. Watts, Mr. and Mrs. A. S. Nickerson, Mr. and Mrs. Ivan Cameron, Mr. and Mrs. William Cruickshank, Mr. and Mrs. J. T. Harvey, Mr. and Mrs. G. L. Rorie, Mr. and Mrs. John McLeod, Mr. and Mrs. Elmer Clausen, Mr. and Mrs. A. J. Dominato, Mr. and Mrs. James Clarke, Mrs. Arnold Flaten, Miss Edna Sandhals, Miss Jeon Cross, Miss Audrey Hunter, Allan Armstrong, Lloyd Morris, Fred Conrad, Robert McKay, Lieut. Jones and N. R. Bucey of Ketchikan.

William Gordon, now stationed at Ocean Falls as customs officer, arrived in the city on the Camosun yesterday afternoon from the paper town to spend a three weeks' vacation visiting here.
